School Accountability Report Card
Reported Using Data from the 2019 - 2020 School Year
Published During 2020 - 2021

For: Edward Harris, Jr. Middle School

Address: 8691 Power Inn Rd, Elk Grove, CA 95624

Phone: 916-688-0080

Principal: Charles Amey

Grade Span: 7-8

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020 - 2021)

Dear EHMS Families, Welcome to the 2020-2021 school year! Though we will be starting off in unfamiliar fashion, we are still excited for the school year to begin. We are eager to provide our students with a premium educational experience. Edward Harris, Jr. Middle School is a school that is enriched by diversity, strong instruction, and a loving atmosphere. We have the distinguished title of being a California Gold Ribbon School and California Honor Roll School, as we pride ourselves in assisting our students in learning today, so that they can lead tomorrow.

The curriculum that your students will engage in is aligned with the California Common Core State Standards. Our staff is dedicated to ensuring that your students are prepared for the rigors of high school, college and potential careers, by equipping them with the 21st century skills needed to be successful in their future endeavors. Our comprehensive site offers classes and programs designed to give our students a well-rounded education, teaching them good study habits and self-discipline as well. The Elk Grove Unified School District's Graduate Profile illustrates the standard level of accomplishment that we expect our students to possess as they graduate from our EGUSD schools. Our school will give students the opportunity to grow in the areas of problem-solving, communication, self-awareness, technology, community engagement and character.

Edward Harris, Jr. Middle School operates on a block schedule with 4 terms. At the end of a nine-week term, students will transition to another set of classes. This schedule allows students to engage in multiple subjects throughout the duration of the year, enriching their learning experience.

Parents & Guardians, we welcome and value your positive energy and dedication to excellence in education, and I look forward to working with you and your children. We are looking forward to a productive partnership with you to ensure that your children reach their highest potential. Helpful tips and guidelines to assist your student in their school endeavors this year are posted in their EHMS agendas and on the school website. Here's to an amazing year.

School Facility Conditions and Planned Improvements (School Year 2020 - 2021)

Edward Harris, Jr. Middle School (EHMS) was built in 2004. It has 50 classrooms, a multipurpose room, a library, Student Services building, and an administration building. We are proud of our beautiful campus and strive to keep our school clean, safe and functional. In 2020, the school added a wonderful, new community garden. Elk Grove Unified School District (EGUSD) makes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, EGUSD uses a facility survey instrument developed by the State of California Office of Public School Construction. EGUSD maintenance staff ensures that the repairs necessary to keep the school in excellent condition and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Regular inspections are conducted at EHMS by the custodial staff, site supervisor, district maintenance and facilities department, and the fire department.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

Elk Grove Unified School District's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the vice principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Four years ago, the school was able to put up substantial fencing around the perimeter to support our safe campus initiative. The fencing now encompasses the entire school, leaving zero access for pedestrians, ensuring that our students are safe from external risks. Last year, our plan was to add a community garden to enhance the aesthetics and learning experience for all stakeholders. That project is now complete.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven Percent of Students Meeting or Exceeding the State Standards

Subject	School 2018 - 2019	School 2019 - 2020	District 2018 - 2019	District 2019 - 2020	State 2018 - 2019	State 2019 - 2020
English Language Arts/Literacy (grades 3-8 and 11)	53%	N/A	56%	N/A	50%	N/A
Mathematics (grades 3-8 and 11)	39%	N/A	45%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2020 - 2021)

We believe that parental involvement is an integral factor in student success, as well as developing a strong school-home partnership. To keep parents updated on their child's academic progress, School Loop, an online website, is available. Other activities are Corral Night, Parent Lunch Days, Take Your Parent to School, Watch D.O.G.S. (Dads of Great Students), C.O.L.T.S. Parent Organization, and Parent University. We welcome parent volunteers. For more information on parent involvement opportunities, contact Ms. Denise Sydnor at 688-0080.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School 2017 - 2018*	School 2018 - 2019*	School 2019 - 2020**	District 2017 - 2018*	District 2018 - 2019*	District 2019 - 2020**	State 2017 - 2018*	State 2018 - 2019*	State 2019 - 2020**
Suspensions	10.1%	8.5%	7.7%	4.3%	5.1%	4.1%	3.5%	3.5%	2.50%
Expulsions	0.1%	0.0%	0.1%	0.0%	0.0%	0.0%	0.1%	0.1%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

*(For school years 2017-2018 and 2018-2019: data collected between July through June, each full school year respectively)

** (For school year 2019-2020, only: data collected between July through February, partial school year due to the COVID-19 pandemic)

School Safety Plan (School Year 2020 - 2021)

At EHMS, we believe that nothing should get in the way of the academic achievement of our students. Our staff reviewed and updated our School Safety Plan in December 2020. An "Emergency Handbook," outlining a plan of action for emergencies, such as earthquakes, fires, and lock-downs, is kept in the administration building. Each month, we have school-wide emergency drills. The County of Sacramento conducts random school safety inspections. In support of students' safety, campus supervisors, teachers, and administrators are on supervision duty before and after school. Weekly meetings are held with administration and campus supervisors. Before entering the campus, all visitors, including parents, must sign-in and receive a visitor's pass in the Student Services building.

Types of Services Funded (Fiscal Year 2020 - 2021)

Our priority at Edward Harris, Jr. Middle School is to assist teachers in supporting all students. The Connections Department services students with individualized education plans (IEP) who require additional support to meet mastery of curriculum standards. Gifted and Talented Education (GATE) and honors students receive accelerated instruction. The Advancement Via Individual Determination (AVID) program is vital in preparing students for college. ASES (After School Education and Safety) is an after school program that provide students with tutorial/homework sessions and enrichment activities. ASES is held daily until 6:00 pm and staffed by S.T.O.R.M. and certificated teachers. EHMS has a specialized Math and English tutoring, as well as a music production program and various clubs (Mathletes, Robotics, Adrenaline Dance) offered after school as well.

Professional Development

Our school and district offers a variety of professional learning opportunities. For 2020-2021, workshop topics include California Common Core State Standards, Illuminate, Math Generation, Arbinger, Home Visit and Equity Trainings, and workshops for learning academic language strategies for English Learners. Instructional coaches assist teachers in new strategies. EGUSD also offers a variety of training workshops for classified personnel related to their job description. Our school has a weekly early out schedule in which students leave school one hour early. Teachers use this time to work in professional learning communities to collaborate, analyze student work, discuss common assessment data results, and identify the most effective instructional practices to meet students' academic needs. New teachers who have been teaching less than two years are supported by the district's (BTSA) beginning teacher support program. They meet weekly with an experienced mentor to discuss their successes and challenges and new ideas for their classrooms.
