School Accountability Report Card
Reported Using Data from the 2015-2016 School Year
Published During 2016-2017

For: Arlene Hein Elementary

Address: 6820 Bellaterra Drive, Elk Grove CA, 95757

Principal: Lynne Mayer

Phone: (916) 714-0654

Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2016-2017)

Arlene Hein Elementary
Soaring Above and Beyond Expectations!

Our Vision Statement:

Arlene Hein Elementary School creates, optimizes and promotes academic excellence, confidence and character in ALL students, and provides them with a safe, positive and equitable learning environment in which to grow.

Our Mission Statement:

Arlene Hein Elementary School accomplishes this vision through:

- A rigorous, standards-based academic program, including VAPA
- Culturally relevant learning experiences
- Collaborative learning teams
- Purposeful scheduling to maximize learning opportunities for ALL students
- An active partnership between home, school, and community

I would like to welcome you to Arlene Hein Elementary School. Hein Elementary provides our students with a rich, culturally diverse environment with a strong focus on academics. Our highly dedicated staff is committed to meeting the needs of every student. Arlene Hein's staff fosters a strong foundation in the areas of reading, writing, mathematics, science, and social studies through direct and differentiated instruction, engaging lessons, hands-on experiences, and the use of technology. We are fully implementing Common Core State Standards (CCSS) in every classroom.

The safety of our students is this school's first priority, and the discipline policy is strictly enforced. We are proud to be a PBIS school as we emphasize being safe, responsible, and respectful. Our behavior expectations are directly instructed through our PBIS program and strengthened with our monthly character trait focus. Our safe and supportive environment creates a school atmosphere that is warm and welcoming.

We are here to support you and our students. Please do not hesitate to contact me at our school if I can be of any assistance.

Lynne C. Mayer, Principal
Arlene Hein Elementary

School Facility Conditions and Planned Improvements (School Year 2016-2017)

This school has 35 classrooms, a learning center, a multipurpose room, a library, and an administration building. The campus was built in 2003. Our school has two playground areas with multiple surfaces for students.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

School Facility Good Repair Status (School Year 2016-2017)

Using the most recent FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine restricted maintenance at levels beyond the State required minimum and continues to use local resources to fund projects previously considered as part of the States former DMP.

In addition the District has continued to fund the Routine Restricted Maintenance (RRM) account at percentages above the State Minimum. For the 2013-2014 fiscal year the district funded RRM at \$13,829,852 or 2.86% of its General Fund Budgeted Expenditures. The district's complete deferred maintenance plan is available at the district office.

There are no planned facilities projects for the 16-17 school year.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students (School Year 2015-2016)

| Subject | Percent of Students Meeting or Exceeding the State Standards | | | | | |
|---|--|-----------|-----------|-----------|-----------|-----------|
| | School | | District | | State | |

| Mathematics (grades 3-8 and 11) | 64% | 65% | 41% | 42% | 34% | 36% |

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group
 Grades Three through Eight and Grade Eleven
 (School Year 2015-2016)

ELA - Grade 3

| Student Groups | Total Enrollment | Number Tested | Percent Tested | Percent Met or Exceeded |
|---|------------------|---------------|----------------|-------------------------|
| All Students | 180 | 177 | 98.33 | 66.10 |
| Male | 97 | 94 | 96.91 | 63.83 |
| Female | 83 | 83 | 100.00 | 68.67 |
| Black or African American | 16 | 16 | 100.00 | 56.25 |

| Students with Disabilities | 16 | 16 | 100.00 | 6.25 |
| Students Receiving Migrant Education Services | | | | |
| Foster Youth | -- | -- | -- | -- |

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

ELA - Grade 4

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-2017)

There are a number of ways to become involved with your child's education at Arlene Hein Elementary School. Parents can be involved by volunteering in the classroom, chaperoning on field trips, attending our monthly PTO meetings, and by joining the PTO or School Site Council. We appreciate having parents help with PTO events such as our Jog-a-Thons, Book Fair, Multicultural Fair, Read-a-Thons, and Family Nights! For more information on parent involvement opportunities, you may contact our office or your child's teacher at 714-0654.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2016-2017)

Your child's safety is important to us at Arlene Hein Elementary School. Our students are supervised both before and after school and our campus is locked during the entire learning day. Visitors must sign in as they enter our office. Our district is committed to providing a safe, secure environment for learning. An "Emergency Handbook," outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills is kept in the school office and in each classroom. Random periodic school safety inspections are conducted by the County of Sacramento, and school wide safety drills are held monthly. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students. Our School Safety Plan was updated and reviewed with staff in February 2016.

Types of Services Funded (Fiscal Year 2016-2017)

At Arlene Hein Elementary, we have highly qualified staff to assist students with special learning needs. Our Learning Center services not only special education students, but also general education students who need additional support to meet grade level standards. Gifted and Talented students participate in accelerated instruction within their classrooms and during extended day. Students who need extra tutoring or homework help can participate in extended day programs. We provide instruction in the Visual and Performing Arts through our classroom "Art Docent" program which teaches students about fine arts as well as instruction in drama through a credentialed drama instructor. Finally, we provide our English Learners with ELD instruction during a daily instructional period called WIN (What I Need).

Professional Development

For 2016-2017 school year, our school has a professional development emphasis in our Common Core State Standards, as well as in instructional strategies for closing the Achievement Gap. We are focused on Explicit Direct Instruction as well as Visible Learning. Teachers meet weekly during Early Out Wednesdays to review student work, make determinations about students' strengths and needs, and to plan subsequent instruction. Teachers participate in additional professional training through site and district-offered trainings. This year teachers have participated in a variety of workshops focused on our new reading and language arts curriculum - Wonders. Finally, the district offers a variety of classes for support staff. Instructional aides, school secretaries, office clerks, and custodians may take classes that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.
