School Accountability Report Card
Reported Using Data from the 2019 - 2020 School Year
Published During 2020 - 2021

For: Roy Herburger Elementary

Address: 8670 Maranello Dr, Elk Grove, CA 95624

Principal: Tamela Moore

Phone: 916-681-1390

Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020 - 2021)

Welcome to Roy Herburger Elementary School, a California Distinguished School. Our mission is to ensure high levels of learning for each student. Through mutual respect and purposeful communication, our children will grow and learn in a positive atmosphere where staff, students, and parents within our school community are enthusiastic about the teaching and learning process. Our staff members demonstrate a personal commitment to the academic success and overall well-being of each student. We work together (interdependently) with a common purpose. We build strong partnerships with parents and provide them with the information they need to monitor and support their children's learning. Students flourish in a safe, culturally responsive, and nurturing environment.

Roy Herburger Elementary offers a wide variety of enrichment and extra-curricular programs for our student body. Students can participate in the Garden Club to learn about nutrition, how to maintain a garden, and cultivate produce for the school community to consume. Our Student Leadership Club enables students to shape their world by demonstrating their talents, skills, and interests in contributing to the social, academic, and emotional dimensions of our school culture. Our Gifted and Talented Education (G.A.T.E.) Academy provides students the opportunity to participate in extended programs that foster creativity, curiosity, and critical thinking. Our C.R.E.S.T. program allows students to explore content and project-based learning in science, technology, engineering, art, and math. Students also have the opportunity to participate in the visual and performing arts through the music programs we have with New Songs and after school art programs. Our students can further learn leadership and teamwork skills through the sports programs we offer like flag football, basketball, volleyball, and track. In addition, there are after-school tutoring programs available to students to support their development.

Our students are recognized for their academic efforts and social skills throughout the school year. They earn "Caught a Hawk" recognition for exhibiting character traits in the areas of being safe, responsible, kind, and hard-working. They earn various citizenship awards as well.

Family involvement is the key to our success here at Roy Herburger Elementary. A strong Positive Behavioral Intervention and Support (PBIS) program is the backbone of our school, with amazing support from our parent volunteers. The Parent Faculty Organization (PFO) organizes fundraisers and family events to strengthen the feeling of community, and families can be involved with decision-making on campus through the School Site Council and English Learner Advisory Committee (ELAC). We invite and encourage all families to get involved and have a voice here at Roy Herburger Elementary.

The staff of Roy Herburger Elementary School is here to support your family. Please do not hesitate to contact us at any time. We are so glad to have you as a part of this loving and amazing school community!

Ms. Tamela Moore, Principal

School Facility Conditions and Planned Improvements (School Year 2020 - 2021)

Roy Herburger Elementary School opened in 2004. We have 37 classrooms, a multipurpose room, a library, computer lab, and an administration building. We have an immense playground, track, and field. Our smaller kindergarten playground welcomes positive social interactions amongst our early learners. We maintain a beautiful school garden as well. Overall, our site is one with nature. Everyone can find peace on our campus.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

A shade structure was constructed on the playground early in the 2019-2020 school year. Currently, our EGUSD Maintenance Department is working on our tiled floors in the MP room.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven Percent of Students Meeting or Exceeding the State Standards

Subject	School 2018 - 2019	School 2019 - 2020	District 2018 - 2019	District 2019 - 2020	State 2018 - 2019	State 2019 - 2020
English Language Arts/Literacy (grades 3-8 and 11)	69%	N/A	56%	N/A	50%	N/A
Mathematics (grades 3-8 and 11)	62%	N/A	45%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2020 - 2021)

Roy Herburger Elementary has an active PFO (Parent Faculty Organization). We hold Back to School Night, Open House, Parent University, Multi-cultural Fair, and other activities throughout the year. Parents can volunteer in their children's classrooms, our school library, Watch D.O.G.S, School Site Council (SSC), and English Learners Advisory Committee (ELAC). We recognize families through our Five Star Family program. For more information on parent involvement opportunities, please contact Ms. Moore at 916-681-1390.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School 2017 - 2018*	School 2018 - 2019*	School 2019 - 2020**	District 2017 - 2018*	District 2018 - 2019*	District 2019 - 2020**	State 2017 - 2018*	State 2018 - 2019*	State 2019 - 2020**
Suspensions	0.3%	0.3%	0.5%	4.3%	5.1%	4.1%	3.5%	3.5%	2.50%
Expulsions	0.0%	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%	0.1%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

*(For school years 2017-2018 and 2018-2019: data collected between July through June, each full school year respectively)

** (For school year 2019-2020, only: data collected between July through February, partial school year due to the COVID-19 pandemic)

School Safety Plan (School Year 2020 - 2021)

Your child's safety is extremely important to us at Roy Herburger Elementary. Students are supervised by a staff member from the moment they arrive on campus before school until they leave campus after school. Visitors are required to sign in at the office upon arrival as our school gates and classrooms are locked at all times. Staff and students participate in monthly emergency drills. Our staff reviewed and updated our School Safety Plan in January 2021. The "Emergency Guidelines Flipchart" outlines a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills. It is available in the school office and every classroom. The District's Safety and Security Department works closely with our school site to provide a safe, secure environment for all students.

Types of Services Funded (Fiscal Year 2020 - 2021)

At Roy Herburger Elementary School, we have a highly qualified staff to assist students with special learning needs. Our Learning Center provides services not only to special education students, but also general education students who need additional support to meet grade level standards. Bilingual Teaching Associates (BTA) help our English learners access the core curriculum. Students identified for the Gifted and Talented Education (G.A.T.E.) program participate in accelerated instruction provided by their classroom teachers. Students who need tutoring or homework help may participate in our extended day programs that focus on meeting individual academic needs. The Highly Intensive Living Skills (HILS) program for kindergarten through third grade is also part of our site. Full inclusion students and staff are integrated into the classrooms. Additional programs are assessed and provided as needed.

Professional Development

For the 2020-2021 school year, our site has been participating in Distance Learning professional development to enhance our technological skills to support students and families with navigating multiple educational platforms. We are a Visible Learning campus that teaches students to learn from mistakes, ask questions and accept challenges, persevere, evaluate their work, receive and respond to feedback, attain goals, and value their own effort. As we empower our students to thrive during this season, we provide social emotional learning (SEL) instruction along with essential academic curricula. The SEL skills that they learn will assist them in facing life's challenges. Furthermore, our school has a weekly early-out schedule for teacher collaboration. Our teachers use this time to review and analyze student performance data, identify strengths and growth needs, and develop differentiated action plans to support each student's individual learning needs. Meeting and planning together with colleagues enables our site to provide a guaranteed and viable curriculum to all.
