School Accountability Report Card
Reported Using Data from the 2019 - 2020 School Year
Published During 2020 - 2021

For: Isabelle Jackson Elementary

Address: 8351 Cutler Wy, Sacramento, CA 95828

Principal: Scott Hadley

Phone: 916-689-2115

Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020 - 2021)

<p>Isabelle Jackson Elementary A Community of Lifelong Learners!</p> <p>Isabelle Jackson Elementary continues to adapt to the changes that have been brought on by the events of 2020. Following the changes of the 19-20 school year, we are adjusting to whatever the 20-21 school year brings. As we develop and grow, the core of Isabelle Jackson Elementary remains the same.</p> <p>Isabelle Jackson Elementary continues to provide a wonderful educational experience for every child. Regardless of what learning model we are in, distance learning or concurrent model, all aspects of our school contribute to providing students with the skills they need to be successful learners and leaders, and it support them in their quest to be college and career ready.</p> <p>Our mission is to provide our students with a safe, effective and supportive environment where they can learn the essential academic and social skills in order to achieve in school and succeed in life.</p> <p>Our success in implementing our mission is evidenced through our school's special strengths:</p> <ul style="list-style-type: none">• Extended day enrichment and remediation programs that include our Jag Institute (ASES), GATE, CREST program, band, sports, and reading support for our English Learners• Student Leadership• A high degree of parent involvement <p>Parent support and involvement continue to be important components of our success. This support is provided, recognized, and celebrated in many different ways. Parents are volunteering in classrooms, assisting in planning family activities, and attending Parent Education workshops. We especially recognize their exhaustive efforts during distance learning when they had to directly support their child's instruction on top of all the other responsibilities they have to meet. Thank you.</p> <p>The safety of our students, in-school or Distance Learning, is our first priority. We promote problem-solving skills through our Conflict Resolution Program, and we instill leadership skills and civic responsibility through our Student Leadership Program (JAGS).</p> <p>We welcome you as partners in the pursuit of your child's learning and success.</p> <p>Scott Hadley, Principal Isabelle Jackson Elementary</p>

School Facility Conditions and Planned Improvements (School Year 2020 - 2021)

Our school has 33 classrooms, a multipurpose room, a library, computer classroom, and administration building. The main campus was built in 1987. Additions were constructed in 1989. We then added two additional portable classrooms in 2011 to allow for growth. Multiple gates and fences were constructed and/or retrofitted in 2012 to further increase the safety of our campus.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds to ensure its cleanliness and safety. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Beginning in the 2018-19 school year, our school has undergone a variety of deferred maintenance projects, from plumbing and lighting updates, to drainage and painting. In addition, in the 2019-20 school year we received new roofing and HVAC systems on all buildings.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven Percent of Students Meeting or Exceeding the State Standards

Subject	School 2018 - 2019	School 2019 - 2020	District 2018 - 2019	District 2019 - 2020	State 2018 - 2019	State 2019 - 2020
English Language Arts/Literacy (grades 3-8 and 11)	39%	N/A	56%	N/A	50%	N/A
Mathematics (grades 3-8 and 11)	28%	N/A	45%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2020 - 2021)

There are a number of ways to become involved with your child's education. You are always welcome and encouraged to volunteer in your child's classroom. You can also become involved by attending our parent conferences, Back to School Night, Open House, ELAC meetings and by joining the PTA. For more information contact Jennifer Calton, school secretary, at 916-689-2115.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School 2017 - 2018*	School 2018 - 2019*	School 2019 - 2020**	District 2017 - 2018*	District 2018 - 2019*	District 2019 - 2020**	State 2017 - 2018*	State 2018 - 2019*	State 2019 - 2020**

Expulsions	0.0%	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%	0.1%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

*(For school years 2017-2018 and 2018-2019: data collected between July through June, each full school year respectively)

** (For school year 2019-2020, only: data collected between July through February, partial school year due to the COVID-19 pandemic)

School Safety Plan (School Year 2020 - 2021)

We believe that nothing should get in the way of the academic achievement of our students. Our district is committed to providing a safe and secure environment for learning. Our staff reviewed and updated our School Safety Plan in July 2020. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office. In addition, every classroom has an Emergency Procedures folder for the teacher's use. Random monthly emergency drills are conducted, and the County of Sacramento conducts periodic school safety inspections. Visitors are asked to check in and enter the premises through the office, and adult supervision is provided before and after school. The district's Police Services Department also works closely with our school site to provide a safe, secure environment for all students.

Types of Services Funded (Fiscal Year 2020 - 2021)

At Isabelle Jackson Elementary we have highly qualified staff to assist students with special learning needs. Our Intervention services not only support special education students, but also general education students who need additional support to meet the standards. Gifted and Talented students participate in an after school accelerated instruction program. Students who need extra tutoring, enrichment or homework help can also participate in our Jag Institute extended day program.

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. Our site also utilizes an "Early Out Wednesday" model where teachers meet weekly to review student work, make determinations about students' strengths and weaknesses, and develop subsequent instruction to meet students' needs. Some of these sessions are also dedicated to content specific professional learning. New teachers who have been teaching fewer than two years are supported by the district's beginning teacher program. They meet weekly with an experienced mentor to discuss their successes and challenges and new ideas for their classrooms. Finally, the district offers a variety of classes for support staff. Paraprofessionals, school secretaries, office assistants, and custodians may take classes and attend trainings that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.
