

California Department of Education
School Accountability Report Card
Reported Using Data from the 2019 - 2020 School Year
Published During 2020 - 2021

For: Samuel Kennedy Elementary

Address: 7037 Briggs Dr, Sacramento, CA 95828

Phone: 916-383-3311

Principal: Sandra Brown

Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020 - 2021)

At Samuel Kennedy Elementary, we have Cougar Pride!

We believe that all students can and will achieve at high levels! Students, parents, teachers, and staff work together to create a school community where every child learns and every child is loved. Our school is a welcoming place where students are challenged to succeed every year, from pre-kindergarten through sixth grade and beyond with their individual goals set on a strong foundation toward college and career readiness.

Our academic program supports the Common Core State Standards, and teachers work together daily to provide targeted instruction at each child's level. High quality instruction is a top priority. Students benefit from clear behavior expectations throughout the school and frequent opportunities to be recognized for good citizenship, strong attendance, and academic achievement.

Samuel Kennedy strives to educate the whole child, involving our students in Student Leadership, Kennedy University, STEAM, intramurals, VAPA, PBIS programs, and our phenomenal ASES Cougar Academy.

We actively seek family participation in all aspects of your child's education. Our office staff and parent liaisons are able to assist families in English and Spanish, and additional translation is available through the district. We also use the Talking Points app to help communicate with our families.

Together we are moving Kennedy forward, ensuring that our students receive an excellent education that opens doors to success in school and in life and where every child has his or her feet solidly set on the path to a college or career of their choice.

School Facility Conditions and Planned Improvements (School Year 2020 - 2021)

Kennedy Elementary School was built in 1959. This school has 40 classrooms, a multipurpose room, a computer lab, library, and an administration building. All classrooms are equipped with 1:1 Chromebook carts and SmartBoards. Our site team is also working with our ASES program to complete additional gardening projects throughout the campus.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

At the end of the 2019-2020 school year, the roof and additional work on the north wall of the multipurpose room was completed. At this time, we are working on adding additional plants, trees, and flowerbeds to the front of the library and the front of the school. Our site gardening team is also working with our ASES program to complete additional projects within our school garden and throughout the campus.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven Percent of Students Meeting or Exceeding the State Standards

Subject	School 2018 - 2019	School 2019 - 2020	District 2018 - 2019	District 2019 - 2020	State 2018 - 2019	State 2019 - 2020
English Language Arts/Literacy (grades 3-8 and 11)	29%	N/A	56%	N/A	50%	N/A
Mathematics (grades 3-8 and 11)	21%	N/A	45%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2020 - 2021)

Parent involvement is essential to a child's success in school. We encourage all parents to attend parent-teacher conferences, Back to School Night, Open House and our family events. Parents can join the School Site Council, the English Learner Advisory Committee, and the Parent Teacher Association. Parents are also warmly invited to volunteer in the classroom and chaperone on field trips. Free fingerprinting services are offered at our district's main office. For additional information on becoming involved call Sandra Brown, Principal, at 383-3311.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School 2017 - 2018*	School 2018 - 2019*	School 2019 - 2020**	District 2017 - 2018*	District 2018 - 2019*	District 2019 - 2020**	State 2017 - 2018*	State 2018 - 2019*	State 2019 - 2020**
Suspensions	2.8%	3.6%	1.6%	4.3%	5.1%	4.1%	3.5%	3.5%	2.50%
Expulsions	0.0%	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%	0.1%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

*(For school years 2017-2018 and 2018-2019: data collected between July through June, each full school year respectively)

** (For school year 2019-2020, only: data collected between July through February, partial school year due to the COVID-19 pandemic)

School Safety Plan (School Year 2020 - 2021)

Your child's safety is our first priority at Kennedy Elementary. Our staff reviews all school safety procedures at the beginning of each school year. Emergency Folders are updated each summer and signage is posted clearly in each room. A copy of the emergency procedures plan is kept in the school office and is available to the public for review. Emergency drills are held once a month. Fire drills, Lock Down Drills, and Duck and Cover Drills are explicitly taught and practiced with the students and staff. The district's Safety and Security Department works closely with our school site to complete an annual Comprehensive Safe School Plan addressing social safety issues such as behavior and bullying as well as physical safety. This plan was reviewed and approved by our safety committee on March 12, 2020.

Types of Services Funded (Fiscal Year 2020 - 2021)

Samuel Kennedy Elementary is one of the largest schools in the Elk Grove Unified School District. We have over 500 students who speak a second language, and our school community speaks 22 different languages. We have multiple programs that help us serve our English Language Learners. We provide daily ELD time where our students receive explicit instruction in English. We also have started a Newcomer program that services students who have been in the country for less than two years. They will focus on listening, speaking, reading, and writing skills. This year, we have started a program called "Cougar Time." Students who are not working at grade level and need a little help with their reading skills will spend time working with our certificated teaching staff. Students who need additional academic support in reading may also attend our Intersession program while they are off-track. Our site also has a special education team who works closely with students who are on IEPs and 504s.

Professional Development

Our school and district offer a variety of learning opportunities for teachers, paraeducators, and non-instructional support staff. For 2020-2021, all Kennedy teachers and administrators are receiving professional development on Google Classroom, effective PLCs, and delivery of high quality instruction. Weekly teacher planning meetings focus on grade level Smart Goals, data-driven instruction, and addressing the academic and social needs of all students. Administrators and teachers work closely with our instructional coaches in ELA and Math on improving instruction, increasing fluency and comprehension, and implementing effective classroom management procedures. Monthly professional development trainings are held on the third Monday of every month. Teachers in 4-6 grades are also completing their AVID training so that full implementation of AVID will begin next year.
