**School Accountability Report Card**  
**Reported Using Data from the 2018 - 2019 School Year**  
*Published During 2019 - 2020*

**For: Joseph Kerr Middle School**

**Address:** 8865 Elk Grove Boulevard, Elk Grove, CA 95624

**Principal:** Zachary Cheney

**Phone:** 916-686-7728

**Grade Span:** 7-8

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2019 - 2020)

Joseph Kerr Middle School provides a unique and wonderful educational experience for students, from the safety of the campus, to the warmth of the learning environment, to the rigor and breadth of the instructional programs. All aspects of the school contribute to providing students with the skills they need to be successful learners.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential. Our success in implementing our district's mission can be evidenced through our school's special strengths, including attention to all students for academic placement, knowing students by name and need and intervention support for students in need of extra time to master standards.

Parent support and involvement continue to be important aspects at Joseph Kerr Middle School. This support is given, recognized, and appreciated in many different ways. Many parents volunteer on our campus, support student activities, and participate in library programs and School Site Council. Parents also enhance student success by providing space, time, and encouragement for daily homework, and by emphasizing regular school attendance.

We implemented StudentVue and ParentVue, a communication tool for students and parents. This vital tool links students, parents and teachers together to enhance communication.

The safety of our students is the school's first priority and the discipline policy is strictly enforced. We are a Positive Behavior Intervention and Supports school (PBIS) and we emphasize cooperation and responsible, respectful, and kind behavior. All adults visiting campus are required to check in through the Front Office. The atmosphere of the school makes our students feel comfortable and secure.

Zachary Cheney, Principal  
Joseph Kerr Middle School

## School Facility Conditions and Planned Improvements (School Year 2019 - 2020)

Joseph Kerr Middle School has 51 classrooms, a Multipurpose Room, a Gymnasium, a Library, a Band Room, Woodshop, Computer Labs, and an Administration Building. The main campus was built in 1964 and is recognized as the first middle school in Elk Grove Unified School District.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs and projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. A summary of The Board of Education adopted cleaning standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

During the 2019-2020 school year, we had new energy efficient lighting installed school-wide, new HVAC on designated buildings, and new roofs. Plans are in place for a new Gymnasium to be built in 2020.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven Percent of Students Meeting or Exceeding the State Standards

Subject	School 2017 - 2018	School 2018 - 2019	District 2017 - 2018	District 2018 - 2019	State 2017 - 2018	State 2018 - 2019
English Language Arts/Literacy (grades 3-8 and 11)	52%	57%	55%	56%	50%	50%
Mathematics (grades 3-8 and 11)	54%	50%	45%	45%	38%	39%

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

# C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement (School Year 2019 - 2020)

Parent support and involvement continue to be important aspects of the success of Joseph Kerr Middle School. We have Back to School Night in the fall, a time when parents can visit classes. Parents are always welcome to volunteer in their child's classroom, assist the Activities Director with special events, chaperone field trips, join the School Site Council, or come have lunch with students during bring your parent to lunch days. For more parent involvement opportunities, contact Sue Faulkner, School Secretary, at 686-7728.

## State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan (School Year 2019 - 2020)

Your child's safety is important to us. Supervision is provided by campus security, teachers and administrators before and after school. Controlled access to our campus is through the Main Office and visitors are required to present ID, check-in, and wear appropriate identification. Our staff reviewed and updated our School Safety Plan in December of 2019. An "Emergency Handbook," outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students. Joseph Kerr Middle School conducts a monthly fire, earthquake and/or lockdown drill in order to prepare students and staff for emergency procedures. We also complete monthly onsite safety inspections.

## Types of Services Funded (Fiscal Year 2019 - 2020)

At Joseph Kerr Middle School, we have highly qualified staff to assist students with special learning needs. We provide a range of support for students with disabilities as well as general education students who need additional support to meet the common core standards. We offer EL English classes to support students in improving their English language acquisition. Gifted and Talented students participate in accelerated instruction in honors classes in addition to Lego Robotics. Tutoring is available before, during and after school. Students have access to computers in the Library throughout the school day for additional support. Elective courses include Woodshop, Art Appreciation/Art I/Art II, Design Thinking, Pre-engineering, Computer Applications, Spanish, World Language, Academic Strategies, AVID, Technology, Leadership, and Yearbook. These specialized programs enhance the learning opportunities for students and provide a comprehensive middle school experience.

## Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, paraeducators, and non-instructional support staff. Our school has a weekly early dismissal schedule so departments and grade level teams can meet and coordinate curriculum and instruction. Teachers meet to review student work, make determinations about students' strengths and weaknesses, develop and implement appropriate assessments and plan subsequent instruction to meet students' needs. Teachers take part in Math and Science professional development programs intended to increase students' conceptual understanding of mathematics and science. Our school community fully participates as a Professional Learning Community to increase student learning. Special education teachers have numerous opportunities to learn how to best meet the needs of students with learning disabilities. Paraeducators, school secretaries, office technicians and custodians take classes that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.
