**Principal:** Abelardo Cordova

**Grade Span:** K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020 - 2021)

Herman Leimbach Elementary  
"Leimbach Lions R.O.A.R. with Pride"

The mission of Herman Leimbach Elementary is to provide a supportive learning community that challenges all students to realize their greatest learning potential, and prepares them for college and career readiness.

Leimbach staff are committed to building a culture that focuses on academic excellence and personal growth. Our goal is to provide students with an exciting learning experience that encompasses the rigor of instruction within a safe and supportive climate. Students receive a standards-based curriculum with extra support for those with special needs. We have an academic intervention team that works with designated students who show promise of rapid improvement or need intensive support. Learning Center staff assists those who need to make gains in reaching grade level standards. We also offer an after school "ROAR Academy" where over 200 students receive assistance with homework and enrichment opportunities in technology, fine arts, and physical education. Additional programs consist of AVID, CREST, Visual and Performing Arts, and Student Council providing students with leadership and college and career opportunities. Teachers meet regularly to discuss and design engaging lessons, share effective instructional strategies, and discuss how to help each student achieve and succeed.

Parent support and involvement are the cornerstone to our students' success. Parents serve as classroom volunteers, serve on school and district committees, serve as chaperones at field trips, encourage regular attendance, completion of homework, and promote daily practice of essential reading and math skills.

Technology is incorporated daily to help students become proficient in using software and hardware to engage in learning. Students learn how to navigate technology to develop presentations, and produce informational segments for the school community.

Our staff is committed to continuous improvement and collaborating with teams and families to deliver high quality instruction within learning environments that are physically, intellectually, and emotionally safe.

Abelardo Cordova, Principal  
Herman Leimbach Elementary

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### School Facility Conditions and Planned Improvements (School Year 2020 - 2021)

Our school has 33 classrooms, a library, a computer lab, and an administration building. The main campus was built in 1988. A new classroom building was completed in 2006. In 2010, an all-weather track was installed. Additional perimeter fencing as well as a gate in front of the multipurpose room was added in 2013. Our custodial staff, along with Maintenance and Operations, ensure our campus is kept clean and safe for everyone.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office. COVID-19 protocols are in place.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Last year, the district's governing board approved deferred maintenance projects for this school that will resulted in the replacement of the roof on the multipurpose room and the installation of a new fire alarm system for all classrooms, and new air conditioning units for designated buildings, including the multipurpose room. The work of this project concluded in September 2019.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven Percent of Students Meeting or Exceeding the State Standards

Subject	School 2018 - 2019	School 2019 - 2020	District 2018 - 2019	District 2019 - 2020	State 2018 - 2019	State 2019 - 2020
English Language Arts/Literacy (grades 3-8 and 11)	31%	N/A	56%	N/A	50%	N/A
Mathematics (grades 3-8 and 11)	17%	N/A	45%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement (School Year 2020 - 2021)

Parent engagement is critical to the success of each child. We encourage all parents to become involved. Beyond the essential Back to School Night, Parent/Teacher Conferences and Open House, families can connect by volunteering in class, attending assemblies recognizing student achievement and other school events. Parent Liaison and Bilingual Teaching Associate are also available to connect with parents and provide parents with additional support and information. Please contact Mr. Cordova at 916-689-2120 for more information.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### Suspensions and Expulsions

Rate	School 2017 - 2018*	School 2018 - 2019*	School 2019 - 2020**	District 2017 - 2018*	District 2018 - 2019*	District 2019 - 2020**	State 2017 - 2018*	State 2018 - 2019*	State 2019 - 2020**
<b>Suspensions</b>	4.8%	6.3%	4.6%	4.3%	5.1%	4.1%	3.5%	3.5%	2.50%
<b>Expulsions</b>	0.0%	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%	0.1%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

\*(For school years 2017-2018 and 2018-2019: data collected between July through June, each full school year respectively)

\*\* (For school year 2019-2020, only: data collected between July through February, partial school year due to the COVID-19 pandemic)

#### School Safety Plan (School Year 2020 - 2021)

Your child's safety is the first priority at Herman Leimbach. Yard Supervisors meet monthly with administration to discuss procedures and how to deal with incidents. Our School Safety Plan was reviewed and updated with our stakeholders in February 2021. Each room has evacuation maps, emergency procedure flip charts for emergencies such as earthquakes, fires, floods, and chemical spills, along with monthly drills. The school is surrounded by fencing and visitors are required to check in and enter the premises through the main office. Safety procedures are in place during regular and after school program hours. In addition, the district's Police Services Department works closely with our school administrators to provide a safe, secure environment for all students.

### Types of Services Funded (Fiscal Year 2020 - 2021)

Our Learning Center assists special education students and general education students who need additional support to meet grade level standards. English Language Development instruction assists English Learners in accessing the core curriculum. Academic intervention staff meets the needs of students who are at risk of retention through reading and math support. Students who would like enrichment opportunities or homework help are encouraged to attend our after school Roar Academy. Students may also take advantage of our after-school enrichment programs such as CREST and Visual and Performing Arts. This year, we will be recognizing students with outstanding performance at our 7th Annual National Elementary Honor Society Induction Ceremony. Students also participate in district sponsored competitions and events.

## Professional Development

Our professional development initiatives include: collegial walks focused grade level work; daily implementation of differentiated instruction through workshop; implementation of guided reading; developing Professional Learning Communities, goal setting and data analysis; and effective use of technology (SMARTBOARDS, Chromebooks, etc.) Our collaborative work centers on closing the Achievement Gap. Teachers meet weekly during PLC Wednesdays (Early Out) and through grade level meetings and focus student work and analyze students' strengths and weaknesses. Teachers utilize SMART Goals to measure progress. Grade level Literacy is emphasized for all students and teachers use research based programs and assessments. Additionally, special education teachers are provided with professional learning opportunities to meet the needs of our students with disabilities. New teachers are supported by the district's beginning teacher program. They meet weekly with an experienced mentor to discuss successes, challenges and strategies to use in the classroom.
