**Principal:** Margaret Barrad

**Grade Span:** K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020 - 2021)

Marion Mix Elementary will Empower Our School Community to: Know Their Impact, Embrace Continuous Growth, and Prepare for the 21st Century.

The entire staff of Marion Mix Elementary is dedicated to accomplish the school vision by:

- \*Helping students, families and staff develop a clear understanding of their individual and collective IMPACT by explicitly teaching and practicing high levels of reflective thinking and problem solving.
- \*Working collaboratively to identify challenges, develop solutions, and refine practices to better meet the needs of ALL students.
- \*Providing high-quality first instruction that incorporates ongoing assessment of student learning that is frequent, accurate, specific and timely to move students towards academic proficiency and beyond.
- \*Promoting 21st Century thinking, learning, collaboration, and problem solving by making all learning relevant and aligned to College, Career, and Citizenship readiness.

To meet the needs of all our students, we provide a range of activities that occur before, during, and after school and through daily instruction and WIN (What I Need) time. These include: CREST, Robotics, VAPA, Choir, differentiated instruction, tutoring, sports, GATE and design, and enrichment activities.

Marion Mix is committed to guaranteeing a safe and positive learning environment while challenging all students to realize their greatest potential. We are a PBIS school and we expect and reward our students when they are Motivated, Accountable, Vigilant and Supportive.

In partnership with our Parent Teacher Organization, we offer numerous opportunities throughout the year for our families to connect with our school. These events include: Back to School Night, Family Picnic Lunch Days, Family STEM Nights, Family Craft Nights, Family Movie Nights, Kids & Cocoa, Glow Dance and Open House.

The staff at Marion Mix is dedicated to providing a supportive and nurturing learning environment while ensuring students are able to achieve academic success at high levels.

Peggy Barrad, Principal Marion Mix Elementary

### School Facility Conditions and Planned Improvements (School Year 2020 - 2021)

Marion Mix has a main building containing 27 classrooms, library, computer lab, and an administrative office. Additionally, a separate Kindergarten building contains a teacher workroom and three classrooms as well as a freestanding Multipurpose Room. Also located on our site, is a designated area for Champions that provides before and after school care for the convenience of our families. The main campus was completed in the spring of 2015 and opened its doors to students on August 13, 2015. As one of the newer Elk Grove Unified School District schools and one of only three two-story schools in the district, Mix is equipped with current technology, and energy efficiency as a priority. In 2018, and as a result of the passage of Measure M, Marion Mix received a large shade structure in the fall of 2019. During the 2017-2018 school year, SMUD also provided shade trees for our field. As a result of the incorporation of energy saving technologies, Marion Mix has been recognized through SMUD for our sustainability.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district ensures that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. Each month, the lead custodian, in collaboration with the site administrator, conducts a thorough inspection of the school grounds utilizing this survey instrument. On a daily basis the custodial team provides supervision and maintenance from 6:30 am - 10:00 pm. During these hours the school facilities are thoroughly cleaned, the classrooms are inspected, the playground is maintained and the restrooms are checked hourly. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or the district Facilities Department. The principal works with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

There are no corrective actions necessary at this time.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven Percent of Students Meeting or Exceeding the State Standards

Subject	School 2018 - 2019	School 2019 - 2020	District 2018 - 2019	District 2019 - 2020	State 2018 - 2019	State 2019 - 2020
English Language Arts/Literacy (grades 3-8 and 11)	56%	N/A	56%	N/A	50%	N/A
Mathematics (grades 3-8 and 11)	42%	N/A	45%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement (School Year 2020 - 2021)

Parent involvement is an integral part to our success at Marion Mix. Parents and community members are encouraged to volunteer in classrooms, chaperone field trips, help in the front office and attend monthly meetings provided by the principal. Our committed PTO collaborates with our families to serve and support our community priorities. School Site Council, ELAC and advisory committees are other opportunities to become involved in the site's decision making. Please contact Mrs. Barrad, Principal, at 916.509.8877 for more information.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### Suspensions and Expulsions

Rate	School 2017 - 2018*	School 2018 - 2019*	School 2019 - 2020**	District 2017 - 2018*	District 2018 - 2019*	District 2019 - 2020**	State 2017 - 2018*	State 2018 - 2019*	State 2019 - 2020**
<b>Suspensions</b>	1.2%	2.3%	1.2%	4.3%	5.1%	4.1%	3.5%	3.5%	2.50%
<b>Expulsions</b>	0.0%	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%	0.1%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

\*(For school years 2017-2018 and 2018-2019: data collected between July through June, each full school year respectively)

\*\* (For school year 2019-2020, only: data collected between July through February, partial school year due to the COVID-19 pandemic)

#### School Safety Plan (School Year 2020 - 2021)

At Mix, we believe that nothing should impede the academic achievement of our students, and our district is committed to providing a safe and secure environment for learning. Our safety handbook outlines procedures for emergencies such as earthquakes, fires, lock down situations and floods for prompt and effective response. School wide drills for these protocols are practiced regularly. The district's Police Services collaborates with our site in maintaining safety at our school and throughout our community. A review of our school safety plan is conducted yearly on February 2021 and approved by our School Site Council. We provide staff supervision before and after school, and all visitors are required to sign-in at the front office and wear badges while on campus. During school hours, all gates are kept locked to limit accessibility.

### Types of Services Funded (Fiscal Year 2020 - 2021)

At our school, we have highly qualified staff to assist students with special learning needs. Our Learning Center provides services for special education students. All English Language Learners participate in direct English instruction through our designated ELD time. The needs of Gifted and Talented students are met within the classroom by providing enrichment experiences and/or after school in various ways. Our CREST (Capital Region Engineering Science Technology) and Robotics programs meet after school weekly to encourage students to learn more about engineering and robotics. As a STEM focused school, students are encouraged to grapple with the engineering process. In addition, we have expanded our VAPA opportunities on with a performing choir and an art program. We offer Club Cultura to provide students an opportunity to learn about various cultures. We embrace all opportunities and suggestions from our families and our community.

## Professional Development

Our school and District offer a variety of professional learning opportunities for all staff. Currently, our school is focusing on the implementation of research-based, high quality instructional practices through Visible Learning strategies. The staff has also been trained on Project Lead the Way which is a project-based science curriculum, that is being implemented to best support our emphasis on STEM instruction. We continue with our implementation of Professional Learning communities, in which our teachers focus on collaboration and student learning. Our staff is also committed to learning strategies to support Social Emotional Learning as well as Culturally Responsive teaching practices. New teachers who have been teaching fewer than two years are supported by the district's Beginning Teacher Program. They meet weekly with an experienced mentor to work on specific strategies to meet the needs of all students in their classrooms. Our staff provides input and feedback on site-wide professional development training options as well.
