School Accountability Report Card
Reported Using Data from the 2015-2016 School Year
Published During 2016-2017

For: Elizabeth Pinkerton Middle School

Address: 8365 Whitelock Parkway, Elk Grove CA, 95757

Principal: Chandra Victor

Phone: (916) 683-7680

Grade Span: 7-8

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2016-2017)

Elizabeth Pinkerton Middle School is a nationally recognized "School to Watch" and is also a 2015 State of California Gold Ribbon School. The staff at EPMS is committed to providing academic excellence delivered in the context of smaller learning communities. Our middle school is divided into five interdisciplinary teams, each staffed with six teachers who serve approximately 230 students. Each team is comprised of two Humanities teachers, one Math teacher, one Physical Education teacher, one Bridge teacher, and one Science teacher who work as a team to meet the needs of their students. This is a tremendous benefit to our students and parents because it makes a larger school feel smaller and provides for a strong support system for students.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential. Our success in implementing our district's mission can be evidenced through the success of EPMS students. More students have access to honors courses than ever before and through the implementation of the Common Core, ALL students receive a rigorous curriculum.

Parent support and involvement is critical to the success of our students. In addition to the school's website and student handbook, the school provides all parents and students with an online School Loop™ account to maintain communication between teachers, students, and parents. The key to academic excellence is to have everybody working together for the benefit of the student. Parents are involved in School Site Council, support student activities, and participate in Bring Your Parent to Lunch Weeks. We encourage our families to be involved in whatever ways they can be it at home or coming onto the EPMS campus.

School safety is a priority and the discipline policy is strictly enforced. We expect EPMS students to Be Safe, Be Respectful, and Be Responsible while on campus. Students receive weekly Advocacy lessons to assist them in various aspects of being a successful student and person. We strive to create a positive and nurturing environment for our students.

School Facility Conditions and Planned Improvements (School Year 2016-2017)

Elizabeth Pinkerton Middle School was housed on the Cosumnes Oaks High School Campus starting in 2008. In March of 2010, Elizabeth Pinkerton students entered their new school. We house two computer labs, each with thirty-six computers. All of our forty-six classrooms and the gymnasium have WI-FI. EPMS shares a library with Cosumnes Oaks High School. The multi-purpose room also has a fully functional stage.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

School Facility Good Repair Status (School Year 2016-2017)

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine restricted maintenance at levels beyond the State required minimum and continues to use local resources to fund projects previously considered as part of the States former DMP.

In addition the District has continued to fund the Routine Restricted Maintenance (RRM) account at percentages above the State Minimum. For the 2013-2014 fiscal year the district funded RRM at \$13,829,852 or 2.86% of its General Fund Budgeted Expenditures. The district's complete deferred maintenance plan is available at the district office.

Currently, we have no deferred maintenance, modernization, or new construction projects.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-2017)

We encourage families to be involved in their child's education. There are multiple ways to become involved with your child's education at Elizabeth Pinkerton Middle School. Our Activities Director, Kim McDougal, actively reaches out to parents to join the fun and help during multiple co-curricular activities throughout the year. During the 2016-2017 school year, we will hold three Bring Your Parent to Lunch Weeks. Please contact Kim McDougal for more information about volunteering at our school. She can be reached at (916) 683-7680.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2016-2017)

Your child's safety is important to us at Elizabeth Pinkerton Middle School. An "Emergency Preparedness Handbook and Procedures", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office. All visitors must check-in with student services and provide identification before entering campus. Campus supervisors, administrators, and on-duty teachers monitor students before and after school. Our School Safety Plan was reviewed in January 2017, updated as needed, and shared with the staff. Random, periodic school safety inspections are conducted by the County of Sacramento. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students.

Types of Services Funded (Fiscal Year 2016-2017)

At Elizabeth Pinkerton Middle School, we have a highly qualified staff that assist students with their learning needs. Honors courses are offered in Humanities, Math, and 8th grade Science. In 2016-2017, we will offer an Extended Day program for remediation and enrichment in specific content areas. Our teaming and looping model creates an environment of a school within a school and allows for a strong support network for our students and their families.

Professional Development

Our teachers and staff are dedicated to improving their skills to better meet the needs of ALL students. In 2016-2017, we will focus on the following: uphold and reinforce our professional learning communities, analyze our baseline data from state testing, continue to work on developing common formative assessments, analyze the data to drive instruction, analyze additional release information with regard to the Common Core State Standards, and analyze our culturally responsive culture.
