School Accountability Report Card
Reported Using Data from the 2019 - 2020 School Year
Published During 2020 - 2021

For: Elizabeth Pinkerton Middle School

Address: 8365 Whitelock Pkwy, Elk Grove, CA 95757

Phone: 916-683-7680

Principal: Chandra Victor

Grade Span: 7-8

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020 - 2021)

Elizabeth Pinkerton Middle School is a nationally recognized "School to Watch" and is also a 2015 State of California Gold Ribbon School. The staff at EPMS is committed to providing academic excellence delivered in the context of smaller learning communities. Our middle school is divided into five interdisciplinary teams, each staffed with six teachers who serve approximately 220 students. Each team is comprised of two Humanities teachers, one Math teacher, one Physical Education teacher, one Bridge teacher, and one Science teacher who work as a team to meet the needs of their students. This is a tremendous benefit to our students and parents because it makes a larger school feel smaller and provides for a strong support system for students.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential. Our success in implementing our district's mission can be evidenced through the success of EPMS students. More students have access to honors courses than ever before and through the implementation of the Common Core, ALL students receive a rigorous curriculum.

Parent support and involvement is critical to the success of our students. The key to academic excellence is to have all stakeholders working together for the benefit of the student.

School safety is a priority and the discipline policy is strictly enforced. We expect EPMS students to Be Safe, Be Respectful, and Be Responsible while on campus. Students receive weekly Advocacy lessons to assist them in various aspects of being a successful student and person. We strive to create a positive and nurturing environment for our students.

During the 2020-2021 school year, we made the shift to distance learning due to COVID-19. Teachers plan lessons to actively engage students and to mimic their classes as if students were on campus. Overall, we are making the best of the situation to support our students.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (School Year 2020 - 2021)

Elizabeth Pinkerton Middle School was housed on the Cosumnes Oaks High School Campus starting in 2008. In March of 2010, Elizabeth Pinkerton students entered their new school. We house two computer labs, each with thirty-six computers. All of our forty-six classrooms and the gymnasium have Wi-Fi. EPMS shares a library with Cosumnes Oaks High School. The multi-purpose room also has a fully functional stage.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work together with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

In Spring 2021, we will have a new shade structure in our quad area of campus installed for students.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven Percent of Students Meeting or Exceeding the State Standards

Mathematics (grades 3-8 and 11)	60%	N/A	45%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2020 - 2021)

We encourage families to be involved in their child's education. This year due to COVID-19, activities on campus have come to a halt and parents are limited in their involvement. We look forward to the having our students and families return to campus when it is safe to do so. Please contact Principal Chandra Victor at 916-683-7680 if you have any questions.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School 2017 - 2018*	School 2018 - 2019*	School 2019 - 2020**	District 2017 - 2018*	District 2018 - 2019*	District 2019 - 2020**	State 2017 - 2018*	State 2018 - 2019*	State 2019 - 2020**
Suspensions	5.0%	7.1%	5.9%	4.3%	5.1%	4.1%	3.5%	3.5%	2.50%
Expulsions	0.0%	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%	0.1%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

*(For school years 2017-2018 and 2018-2019: data collected between July through June, each full school year respectively)

** (For school year 2019-2020, only: data collected between July through February, partial school year due to the COVID-19 pandemic)

School Safety Plan (School Year 2020 - 2021)

When on campus, your child's safety is important to us at Elizabeth Pinkerton Middle School. An "Emergency Preparedness Handbook and Procedures", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office. All visitors must check-in in Student Services and provide identification before entering campus. Campus supervisors, administrators, and on-duty teachers monitor students before and after school. Our School Safety Plan was reviewed in December 2020, updated as needed, and shared with the staff. Random, periodic school safety inspections are conducted by the County of Sacramento. The District's Safety and Security Department works closely with our school site to provide a safe, secure environment for all students.

Types of Services Funded (Fiscal Year 2020 - 2021)

At Elizabeth Pinkerton Middle School, we have a highly qualified staff who assists students with their learning needs. Honors courses are offered in Humanities, Math, and Bridge. We continue to offer an Extended Day program for extra support from a teacher. Our teaming and looping model creates an environment of a school within a school and allows for a strong support network for our students and their families.

Professional Development

Our teachers and staff are dedicated to improving their skills to better meet the needs of ALL students. During the 2020-2021 school year, we will focus on the following: continuing our professional learning communities, continuing our work on developing common formative assessments and analyzing the data to inform instruction, developing learning targets for all essential skills, providing interventions for students who do not meet the essential skills, and analyzing our culturally responsive culture.
