**School Accountability Report Card**  
**Reported Using Data from the 2015-2016 School Year**  
*Published During 2016-2017*

**For: Pleasant Grove High School**

**Address:** 9531 Bond Road, Elk Grove CA, 95624

**Principal:** Hank Meyer

**Phone:** (916) 686-0230

**Grade Span:** 9-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2016-2017)

Pleasant Grove High School offers a unique and wonderful educational experience for students – from the safety of the campus, to the importance of a respectful learning environment, to the rigor and breadth of the instructional programs. All aspects of the school contribute to providing students with the skills they need to be successful learners and become prepared to enter college and careers.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential.

Our success in implementing our district's mission can be evidenced through our school's special strengths, including:

- Academic courses ranging from remediation to Advanced Placement to meet the needs of each student
- The use of "School Loop", an on-line service, to provide students and parents information about homework assignments and student progress
- The Kuder Career and Postsecondary Services, which provide each student with personalized assessment data to help plan for their future education and career

Parent support and involvement continue to be important aspects of the success of Pleasant Grove High School. This support is given, recognized and appreciated in many ways. Some parents serve by assisting with our athletic teams, booster clubs, school clubs, PTSO and/or special committees. Others support student success by providing space, time and encouragement for daily homework, and by sending a clear message that education and regular school attendance are important to the family.

The safety of our students is Pleasant Grove's first priority. As a result, the discipline policy is strictly enforced. We emphasize cooperation and responsible, respectful behavior.

Hank Meyer, Principal  
Pleasant Grove High School

## School Facility Conditions and Planned Improvements (School Year 2016-2017)

Pleasant Grove was opened in the fall of 2005 with 13 pods containing 87 classrooms, 5 computer labs, administrative and student services offices, two gyms, and a multi-purpose room. The library serves both the Pleasant Grove High School and Katherine Albiani Middle School campus. In 2007, five portables were added to the southeast corner of campus to accommodate student growth. The Ag Center was completed in August 2011 and a greenhouse was added and completed in June 2014. The staff consists of 150 adults.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

## School Facility Good Repair Status (School Year 2016-2017)

Using the most recent FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. Pleasant Grove High School conducts monthly inspections and submits a status report which is reviewed and signed by the school principal. The completed copy of the Secondary School Site Monthly Checklist is filed in the Injury & Illness Prevention Program binders located in both the main and custodial offices. The completed form is also sent to Risk Management for review and, if needed, maintenance is scheduled to assure that a clean, safe and functional learning environment exists for our students. District maintenance staff responds to school initiated requests to ensure that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service that emergency repairs are given the highest priority.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine restricted maintenance at levels beyond the State required minimum and continues to use local resources to fund projects previously considered as part of the States former DMP.

In addition the District has continued to fund the Routine Restricted Maintenance (RRM) account at percentages above the State Minimum. For the 2013-2014 fiscal year the district funded RRM at \$13,829,852 or 2.86% of its General Fund Budgeted Expenditures. The district's complete deferred maintenance plan is available at the district office.

The Ag Center greenhouse was completed in June 2014. There are no scheduled new construction projects at this time.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

Note: Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### Career Technical Education Programs (School Year 2016-2017)

Three academies and work experience are available to our students. CTE classes are imbedded within the academies. The Public Service Academy offers instruction and career experiences in the medical health field and protective services. The Innovative Design and Engineering Academy offers hands-on instruction in architectural, mechanical, and green engineering. The Digital Media Academy offers students the opportunity to get hands-on experience in areas of broadcast journalism, multi-media and video production. Advanced Media Production is available at Pleasant Grove High School. The five on-site programs are open to students via an application process. Vice Principal Dr. Ed Van Brenk supervises the academy programs, Ms. Rebecca Hunter oversees the IDEA Academy, Mr. Jay Cochon oversees PSA, and Ms. Kristina Norsworthy oversees DMA and the CTE courses offered at PGHS.

### Career Technical Education Participation (School Year 2015-2016)

Measure	CTE Program Participation
Number of pupils participating in CTE	237
Percent of pupils completing a CTE program and earning a high school diploma	100.00%
Percent of CTE courses sequenced or articulated between the school and institutions of postsecondary education	25.00%

### Courses for University of California and/or California State University Admission

UC/CSU Course Measure	Percent
2015-2016 Pupils Enrolled in Courses Required for UC/CSU Admission	98.63%
2014-2015 Graduates Who Completed All Courses Required for UC/CSU Admission	64.70%

# State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement (School Year 2016-2017)

There are a number of ways to become involved with your child's education. Our school has an active PTSO and many athletic and band booster clubs. Our School Site Council assists the principal with important governance decisions. Parents are strongly encouraged to use our "School Loop" on-line service to monitor student progress and communicate with school staff. You are always welcome to volunteer at our site. For more information on parent involvement opportunities you may contact the school secretary, Ms. Wendy Moylen, at 686-0230.

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates; and
- High school graduation rates.

### Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

### School Safety Plan (School Year 2016-2017)

Your child's safety is important to us at Pleasant Grove High School. Our staff reviewed our School Safety Plan in February 2017. The "Emergency Procedures", "Hazardous Materials", and "Comprehensive Safe School Plan" handbooks outline a plan of action for events such as earthquakes, fires, floods, and chemical spills, and are kept in the school office. Random, periodic school safety inspections are conducted by the County of Sacramento. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students. Security staff and administration also monitor before school and all after school events including, but not limited to, theater productions, games and dances. Visitors are required to check in the front office.

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Federal Intervention Program (School Year 2016-2017)

Indicator	School	District
Program Improvement Status	NA	In PI
First Year of Program Improvement	NA	2009-2010
Year in Program Improvement	NA	3
Number of Schools Currently in Program Improvement	NA	12
Percent of Schools Currently in Program Improvement	NA	92.3

<b>Science</b>	10	N/A
<b>Social Science</b>	18	N/A
<b>All courses</b>	54	56.50%

Note: Cells with N/A values do not require data.

\* Where there are student course enrollments.

Course enrollments include only the number of K-12 public students enrolled in the class on "Census Day," a Wednesday in early October of the school year indicated. Since this data is collected on a single day in Fall, courses that are only offered later in the year will not be included on this report.

## Professional Development

Ongoing professional learning at PGHS, 10 days in the last three years, is focused on increasing every student's academic achievement. The end goal is to assure all students are proficient. To this end staff continues to receive in-depth training on: the effective use of progress monitoring assessments across all content areas; use of differentiated instruction to allow all students to access the adopted curriculum and progress towards the new Common Core State Standards; unique needs of English Learners; and use of technology to analyze student achievement data and remain connected with families. Staff evaluated the experience provided to Pleasant Grove High School students and recognized the need to increase a feeling of respect. Engaging in professional dialogue and reflecting on individual practice has been the emphasis of staff meetings.
