School Accountability Report Card
Reported Using Data from the 2016-2017 School Year
Published During 2017-2018

For: Prairie Elementary

Address: 5251 Valley Hi Dr, Sacramento, CA 95823

Principal: Laura Anderson

Phone: (916) 422-1843

Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-2018)

At Prairie Elementary our amazing staff is committed to providing the best possible education for each child. Our school's mission is: The Prairie Learning Community will inspire and educate the whole child through a variety of learning opportunities developing their innate talents and critical thinking skills, fostering positive character traits in order that each student reach their full potential as a productive citizen.—Our school's motto is: LEARNERS TODAY - LEADERS TOMORROW". Our School's vision is: In Every Classroom at Prairie You will See: Rigor and High Expectations; Collaboration /Student Engagement; Positive Classroom Management

There are numerous interventions in place to support all students. Some of those interventions include small group interventions during the day, off-track intervention classes, after school tutoring, and an after school enrichment program. We welcome parent participation. Parents are encouraged to become active members of our learning community. Each grade level sponsors a Parent University designed to help parents support student success at Prairie. Our campus enrichment includes the computer lab, library, Scholastic Reading Counts reading incentive program, CREST, Elementary Honor Society, PAW Print Theater, Songbirds Choir, and a Student Leadership Council.

School Facility Conditions and Planned Improvements (School Year 2017-2018)

Prairie opened its doors in 1981. The school has 45 classrooms, a multipurpose room, a library, a computer lab, and an administration building. The campus also includes a County Office of Education Annex, Student Support Center Office, Pre-school and CDI portables. The modernization begun in 2005 consisted of new wings (G, H, I, K-3, new blacktop, new playfield and irrigation system) and was completed September 2006.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

School Facility Good Repair Status (School Year 2017-2018)

Using the most recent FIT data (or equivalent), provide the following:

Prairie Elementary School has four full time custodians who ensure the cleanliness of the school campus daily from 6:00 am to 10:30 pm. Every classroom is thoroughly cleaned daily. Our restrooms are cleaned multiple times throughout the day with deep cleaning occurring every evening. Our multi-purpose room is cleaned after each meal and use by both school and outside groups. The school grounds are regularly maintained by the district's grounds team which serves Prairie Elementary every other week. The lead custodian walks the campus every morning to look for any contraband or safety issues that might have arisen overnight to ensure student safety. Any repair concerns are reported to the district's maintenance and facilities team. The district's maintenance and facilities team regularly addresses Prairie's work orders.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

A new Marquee was installed in 2016. We look forward to the district installing a new shade structure in 2018.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students (School Year 2016-2017)

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2015-2016	2016-2017	2015-2016	2016-2017	2015-2016	2016-2017

Mathematics (grades 3-8 and 11)	24%	24%	42%	44%	36%	37%

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group
 Grades Three through Eight and Grade Eleven
 (School Year 2016-2017)

Student Groups	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	588	569	96.77	28.12
Male	305	296	97.05	24.66
Female	283	273	96.47	31.87

Students with Disabilities	76	73	96.05	5.48
Students Receiving Migrant Education Services				
Foster Youth				

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-2018)

We encourage all parents to become actively involved at Prairie. Our Prairie Watch D.O.G. program actively encourages parents to volunteer in the classroom. All parents are welcome to attend our English Learners Advisory Council and/or our School Site Council. Our parent involvement policy requires all parents attend parent conferences. Teachers are given time monthly to conduct conferences with parents. Parent workshops are offered throughout the year. E-mail Maria Ramirez our Parent Liaison at mramirez@egusd.net for more information on how you can get involved.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2017-2018)

Your child's safety is the first priority at Prairie Elementary School. Our School Safety Plan was updated and reviewed with our staff January of 2017. Our gates open at 7:30 a.m. for breakfast and are secured by 8:10 a.m. after the morning opening. All visitors must enter our campus through the front office and receive a visitor's pass. Our gates open at 10:30 for our kindergarten parents and students to enter and are secured again at 10:40 a.m. Our gates open for dismissal. Our after school program, FAST track, secures the campus again at 2:45 p.m. to provide for the safety of the students remaining, and does not open the gates again until 5:30 p.m. All visitors after school also check in through the front office to proceed to the campus. Safety drills are conducted monthly. Debriefing occurs after each drill to further review safety concerns. Our Positive Behavior Intervention Support team meets monthly and reviews any necessary adjustments to the School Safety Plan.

Types of Services Funded (Fiscal Year 2017-2018)

Our Learning Center services special education students who need additional support to meet IEP goals. Intervention teachers service small groups of students in every classroom four days a week. We provide one hour of "What I Need" time for English learners to receive additional instruction. English speakers receive additional help in areas of need. Gifted and Talented students participate in accelerated instruction within their classrooms and in afterschool classes including CREST. Students who participate in our afterschool program, Fast Track, benefit from homework support and enrichment opportunities. Enrichment classes include basketball, volleyball, soccer, track, dance, musical theater band and gardening. In addition, we offer off-track intersession taught by credentialed teachers.

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, paraprofessionals, and non-instructional support staff. Our focus is on closing the achievement gap by formulating professional development opportunities based on proven research. Teachers meet weekly on Early Out Wednesdays as Professional Learning Communities. Professional Development opportunities include: Effective Direct Instruction, reading fluency, strategies that meet the needs of English Language Learners, data analysis, cultural diversity, implementing the English Language Development Curriculum, Special Education, differentiated instruction, technology training, Positive Behavior Interventions and Supports, and comprehension strategies. New teachers who have been teaching fewer than two years are supported by the district's beginning teacher program. They meet weekly with an experienced mentor to discuss their successes and challenges and new ideas for their classrooms. Finally, the district offers a variety of classes for support staff. Paraprofessionals, school secretaries, office clerks, and custodians related to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.
