School Accountability Report Card
Reported Using Data from the 2019 - 2020 School Year
Published During 2020 - 2021

For: David Reese Elementary

Address: 7600 Lindale Dr, Sacramento, CA 95828

Principal: Patrina Baggett

Phone: 916-422-2450

Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020 - 2021)

<p>Dream It, Believe It, and Achieve It!</p> <p>David Reese provides a learning environment that is rich in diversity, rigor, and educational relevance. All aspects of the school contribute to providing our students with the skills they need to be successful learners and leaders in our community and beyond; this is an important focus for our school. Our success in implementing our district's mission is evidenced through our school's special strengths, it includes:</p> <ul style="list-style-type: none">• "Visible Learning" - Having a growth mindset about learning with visible characteristics taught in EVERY classroom• Our school-wide focus "Eagle Code" is for students to be SAFE, KIND and PRODUCTIVE learners in class and around our campus• Eagle Academy provides enrichment and academic success• SOAR Time (individualized learning groups that focus on target standards)• An emphasis on technology in all of our classrooms <p>The safety of our students is our school's first priority and the discipline policy is carefully enforced. We emphasize cooperation and promote self-responsibility. Students participate daily in character education programs that promote positive messages and teaches responsibility, safety, and promotes character development. The atmosphere of our school gives students the opportunity to learn in an accepting and comfortable environment.</p> <p>Family support and involvement continues to be the cornerstone for the success of David Reese. Many families help plan the programs and policies through a variety of committees including the School Site Council and our English Learner Advisory Committee. Parents also volunteer, plan family activities, and chaperone on field trips. We are a community school so family plays a huge role in our success!</p> <p>In addition, our families support student achievement by: reading with their children daily and ensuring regular school attendance. These actions send a clear message that their student's education is important! Through communicating and partnering together, parents, teachers, and support staff are able to celebrate the success of your children!</p> <p>We welcome you as partners and thank you for the opportunity to be a part of your child's academic success!</p> <p>Patrina Baggett, Principal David Reese Elementary</p>

School Facility Conditions and Planned Improvements (School Year 2020 - 2021)

David Reese Elementary is a large year round campus with 10 separate buildings that include 38 classrooms, a multipurpose room, a Computer lab, a Library, a Learning Center, Intervention classrooms and an Administration building. The district uses the FIT developed by the State of California's Office of Public School Construction and performed by district staff. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, the highest rating possible. Part of the district's Injury and Illness Prevention Program, our site is inspected on a monthly basis by our lead custodian to determine if all areas are functioning properly and require any corrective actions. This process ensures the ongoing maintenance of our site. Site administration works diligently with site custodial team to develop effective cleaning schedules for daily, weekly, monthly, and yearly cleaning expectations.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

David Reese is a well-maintained campus because of the commitment of our custodial, grounds, and district level maintenance teams. The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

David Reese utilizes a work order process that has been developed by the district maintenance department. This process ensures that all site needs are not only met in a timely manner, but prioritized for safety and health benefits. All emergency repairs are given top priority and corrected immediately. There are no planned facilities projects for the 20-21 school year.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven Percent of Students Meeting or Exceeding the State Standards

Subject	School 2018 - 2019	School 2019 - 2020	District 2018 - 2019	District 2019 - 2020	State 2018 - 2019	State 2019 - 2020
English Language Arts/Literacy (grades 3-8 and 11)	33%	N/A	56%	N/A	50%	N/A
Mathematics (grades 3-8 and 11)	20%	N/A	45%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2020 - 2021)

There are a number of ways to become involved with your child's education. We have Back to School Morning, monthly Title I Family Meetings, Open House, FIT (Family Impact Time) meetings/presentations with teachers, Family Nights, student-led conferences during the year and student performances. Many of our staff participate in the Parent Teacher Home Visit Project. Families can also become involved by joining the School Site Council, English Learner Advisory Committee and participate in surveys to provide essential input. For more information please contact Nikki Khang, School Secretary, at 916-422-2450.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School 2017 - 2018*	School 2018 - 2019*	School 2019 - 2020**	District 2017 - 2018*	District 2018 - 2019*	District 2019 - 2020**	State 2017 - 2018*	State 2018 - 2019*	State 2019 - 2020**
Suspensions	5.3%	4.9%	2.9%	4.3%	5.1%	4.1%	3.5%	3.5%	2.50%
Expulsions	0.0%	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%	0.1%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

*(For school years 2017-2018 and 2018-2019: data collected between July through June, each full school year respectively)

** (For school year 2019-2020, only: data collected between July through February, partial school year due to the COVID-19 pandemic)

School Safety Plan (School Year 2020 - 2021)

Our district is committed to providing a safe, secure environment for learning. Our staff reviewed and updated our School Safety Plan in October and November of 2020. We have an updated Safety Plan that not only addresses safety procedures but also outlines goals for developing a positive school climate. Before and after school supervision is provided and our campus is secured during the school day. Access to the campus is through the main office and requires visitors to check in and out. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in our school office. The district's Safety and Security Department works closely with our school site to provide a safe, secure environment for all students.

Types of Services Funded (Fiscal Year 2020 - 2021)

At David Reese, we have highly qualified staff to assist students with special learning needs. Our Learning Center staff provides specialized instruction for our students with an active IEP and act as consultants with our general education teachers. During SOAR time, each grade level is provided with additional credentialed teachers and paraeducators to provide instruction to further meet the needs of our students. Systematic intervention programs have also been developed for students and are managed by two Academic Intervention Teachers and to support struggling learners. Students also have the opportunity to participate in enrichment activities in the ASES extended day program. Many of our teachers also offer after school tutoring, intercession support and accelerated enrichment activities for students.

Professional Development

Our site utilizes Professional Learning Communities which is ongoing collaboration time for our teachers. This time is essential because it allows teachers time to meet on a regular basis to examine student work, student performance data, make determinations about students' strengths and weaknesses, and plan accordingly to meet the educational needs of our students. Our staff also sets monthly, trimester and yearly goals and is currently working on how we respond to students through strategic interventions in the general education classroom. The planning process includes instruction and district resources to best meet the needs of our students at David Reese Elementary. We use input from students and families to guide our practices. Districtwide, EGUSD provides a variety of classes for support staff including instructional assistants, school secretaries, office clerks, and custodians. All training relates to their job description and may include learning new computer skills or working more efficiently.
