School Accountability Report Card
Reported Using Data from the 2019 - 2020 School Year
Published During 2020 - 2021

For: John Reith Elementary

Address: 8401 Valley Lark Dr, Sacramento, CA 95823

Phone: 916-399-0110

Principal: Katie Hedrick

Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020 - 2021)

John Reith Jaguars are safe, KIND and responsible. Each morning, you will find all Jaguars on the black top, enjoying background music as staff members greet families. We then come together for our Morning PE and school pledge. At John Reith Elementary, we strive for academic excellence and social competence through the continual education of our staff, students, parents, and community. We provide a unique and wonderful educational experience for children, starting with the safety of the campus, and continuing with the warmth of our learning environment. We are proud of our after-school program, "Jaguar Club," where students continue their academic day with enrichment activities and homework help. Our goal is to close the achievement gap, and create a child who is college, trade school, career and life ready. We will do this with four focus areas. First, we focus on our children's social and emotional needs. Second, our school continues to provide outstanding services with our PBIS Program, counselors, mental health therapists and school psychologist. We use data to support the intervention needs of every child. Third, we involve and collaborate with our parent community to enhance our school programs. We partner with our families to create a learning environment that best meets every child's needs. Lastly, every teacher on our campus provides our students with high quality instruction. We commit to learning and growing daily to provide each child with the needed tools to be successful in our school and into their future. We pride ourselves on family and community engagement. Families are encouraged to join us for our themed spirit days, Family Lunch Days, College and Career Faire, or after school events: Harvest Festival, Family Make and Take Academic Nights, Talent Show, Art Night Ice-Cream Social, and Holiday Festivities. We are fortunate to work with an outstanding staff and community who support each other in every aspect.

Education is the most powerful weapon which you can use to change the world.
Nelson Mandela

I am honored to serve as the proud Principal of John Reith Elementary,
Katie Hedrick, Proud Principal.

School Facility Conditions and Planned Improvements (School Year 2020 - 2021)

We are located in a suburban neighborhood in South Sacramento. The majority of our students walk to school, a few ride in private vehicles, and a handful are bused to attend our SDC ABSS and DD classes. This school has 24 classrooms, a multipurpose room, a library, computer lab, and an administration building. The main campus was built in 1989. Two portable classrooms serve our Head Start and Title I Preschool classrooms. Our kindergarten wing has a separate playground from the main playground, and it serves our preschool and kindergarten students. Our main playground serves students in grades 1-6. We share a playing field with the City of Sacramento. Last year, we got all new roofing, funded by the Measure M bond. Our multipurpose Room is equipped with a kitchen for serving school meals, and a stage that is used for performances and presentations. Every classroom is equipped with an interactive SmartBoard, an Elmo, and white boards. We have a fully-operational computer lab, as well as 16 mobile Chromebook carts and two HP laptop mobile carts.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in connection with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. Our school prides itself on staying clean and in good repair.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

With the recent passage of Measure M in November, 2016's election, our school will receive upgrades in flooring, security components, and technology. Our school underwent construction to replace the roofs on many of our buildings on site.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven Percent of Students Meeting or Exceeding the State Standards

Subject	School 2018 - 2019	School 2019 - 2020	District 2018 - 2019	District 2019 - 2020	State 2018 - 2019	State 2019 - 2020
English Language Arts/Literacy (grades 3-8 and 11)	36%	N/A	56%	N/A	50%	N/A
Mathematics (grades 3-8 and 11)	25%	N/A	45%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2020 - 2021)

There are a number of ways to become involved with your child's education. We invite parents to join our PTO. Our School Site Council assists with budget decisions. ELAC meets to discuss and plan supports for our English Learners. We have Back to School Night, Open House, academic make and take nights, Harvest Festival, Holiday Show, Principal's coffee chats & our talent show. Parents are always welcome to volunteer on our campus. Please contact Katie Hedrick at our office at 916-399-0110 with any further questions.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School 2017 - 2018*	School 2018 - 2019*	School 2019 - 2020**	District 2017 - 2018*	District 2018 - 2019*	District 2019 - 2020**	State 2017 - 2018*	State 2018 - 2019*	State 2019 - 2020**

Expulsions	0.0%	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%	0.1%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

*(For school years 2017-2018 and 2018-2019: data collected between July through June, each full school year respectively)

** (For school year 2019-2020, only: data collected between July through February, partial school year due to the COVID-19 pandemic)

School Safety Plan (School Year 2020 - 2021)

We are committed to providing a safe and secure environment for learning. Our staff reviewed and updated our School Safety Plan in December 2020. The school is monitored and supervised by assigned staff members before and after school, and during lunch and recess. Outside gates are secured and locked, providing a safer environment for students and staff. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office. Yearly school safety inspections are conducted by the County of Sacramento. The district's Police Services work closely with our school site to provide a safe, secure environment for all students. Discipline and anti-bullying programs, such as PBIS and Random Acts of Kindness have been implemented, and safety procedures are followed.

Types of Services Funded (Fiscal Year 2020 - 2021)

We have a highly qualified staff to assist students with special learning needs. Our Learning Center services special education students and other students who need additional support to meet standards. We have a class for 5th and 6th grade students with Academic Behavioral and Social Supports (ABSS), and a Language/Speech Pathologist. Our School Psychologist is assigned to our site four days/week and our Mental Health professional comes to our site 3 days weekly to provide individual and group counseling. We also have two Developmental Diagnostic special education classes on our campus. Our Bilingual Teaching Associates help our English Learners access the core curriculum. Gifted and Talented students participate in accelerated instruction and an after school extended day program where CREST science opportunities are provided. Our Jaguar Club, ASES, after school program provides homework assistance, literacy instruction, and enrichment activities. Reith has a strong student leadership program called leadership ambassadors. Students help run our PBIS and character education programs.

Professional Development

Our school and district offer many PD opportunities for teachers and staff. All staff participate in Professional Learning Community (PLC) training so that we can continue to provide the best learning opportunities for our students. All K-3 teachers participate in On Grade Level Reading training, and Early Literacy Training. Teachers use common planning time to meet and review student work, to determine students' strengths and weaknesses. We also have a CCSS Instructional Coach and EL Coach assigned to work with teachers at our site. Our school is working at becoming the 1st AVID Elementary site in Elk Grove. Sixteen of our teachers are fully trained, and we are working at training the remaining staff. Our teachers use strong AVID strategies to support student learning. Finally, the district offers a variety of classes for support staff. Instructional aides, school secretaries, office clerks, and custodians take classes that relate to their work, such as learning new computer skills and learning to work more efficiently. Our school philosophy is that we are lifelong learners.
