**School Accountability Report Card**  
**Reported Using Data from the 2015-2016 School Year**  
*Published During 2016-2017*

**For: Rio Cazadero High School**

**Address:** 7825 Grandstaff Drive, Sacramento CA, 95823

**Principal:** Doug Wendle

**Phone:** (916) 422-3058

**Grade Span:** 9-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2016-2017)

Rio Cazadero High School

A School Dedicated to Student Success for All

Rio Cazadero High School provides an opportunity for all students to be successful. From the safety of the campus, to the flexible nature of the learning environment, to the rigor and breadth of the instructional programs, all aspects of the school contribute to providing students with the skills they need to be successful learners.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential.

Our district's Learning Vision is:

Every student measurable learning, in Every subject, in Every classroom, Every day.

Our success in implementing our district's mission can be evidenced through our school's special strengths, including:

- The number of students completing the graduation requirements at Rio Cazadero remained high in the 2015-2016 school year.
- Additional credit recovery opportunities were added to the school, including Saturday Scholars, Homework Club and Summer School program.
- The school is preparing for a WASC review involving students, parents, staff and community members.

Students are encouraged to participate in other opportunities to prepare for college and careers through Career Technical Education (CTE) classes offered on site or at other locations.

The safety of our students is this school's first priority and the discipline policy is strictly enforced. We emphasize cooperation and responsible, respectful behavior. All adults visiting campus are required to check in through the school office.

Doug Wendle, Principal  
Rio Cazadero High School

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Teacher Credentials

## School Facility Conditions and Planned Improvements (School Year 2016-2017)

This school has 13 classrooms, a multipurpose room, and an administration building. The main campus was established in 1981. Additions were constructed in 1997. The Cindy Bartlett multi-purpose Building, administration building and two classrooms were built at that time. The school is currently remodeling two classroom spaces to create specialized learning environments for Career Technical Education classes. One classroom is being transformed into classroom and lab for the medical field and will include up-to-date equipment and furnishings. The other classroom is being transformed into a media lab with current technology and equipment. Both spaces are designed to help students become familiar with comparable work spaces they might encounter in career settings.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

## School Facility Good Repair Status (School Year 2016-2017)

Using the most recent FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

The district’s maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained by the site custodian and district operations staff to provide a safe and functional environment for all students. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine restricted maintenance at levels beyond the State required minimum and continues to use local resources to fund projects previously considered as part of the States former DMP.

In addition the District has continued to fund the Routine Restricted Maintenance (RRM) account at percentages above the State Minimum. For the 2013-2014 fiscal year the district funded RRM at \$13,829,852 or 2.86% of its General Fund Budgeted Expenditures. The district's complete deferred maintenance plan is available at the district office.

The district conducted a study of all district facilities, including those at this site and a district master plan was developed and approved by the School Board. Additional recommendations will be made to the School Board for further action. Parent and community input regarding the needs of the site is welcome and can be provided to the school's principal.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### Career Technical Education Programs (School Year 2016-2017)

Rio Cazadero High School prepares students to succeed in real-world contexts through the development of conceptual thinking, effective communication, and the ability to apply knowledge and skills learned in the classroom. Our teachers have directed efforts toward establishing school-to-work structures within each curricular area for all students, including those with special needs. Advisors/Guidance Counselors offer additional support. Rio Cazadero High School offers students Career Technical Education (CTE) classes in Video Production and Phlebotomy. Explore CTE programs, formerly known as the Regional Occupation Program, allow students to complete an intensive training course in one year or less, take courses leading to industry certification, or experience internships or externships. All CTE programs have an advisory committee that includes industry representatives for guidance and input. CTE programs at Rio Cazadero High School also allow students to meet graduation requirements through courses that incorporate state-adopted academic standards. These courses provide our students with the necessary skills to seek life-long employment in the video media arts and medical fields. Technical terminology, proper career procedures, and work-place expectations are just some of the topics that are covered. Individual student assessment of work readiness skills in CTE programs takes place through: ? End-of-course exams and preparation for the state licensing exam ? Completion of course-required projects and externships Regardless of the career path chosen, Rio Cazadero High School makes every effort to work with the students to insure that they meet district and state graduation standards. In addition to programs offered at Rio Cazadero High School, students also may participate in Elk Grove Unified School District's Explore CTE programs. Explore CTE programs include medical assistant, EKG technician, computer graphics, computer animation and more. For a complete listing of Explore CTE offerings or to learn more about CTE programs in Elk Grove Unified School District, visit [www.egusdexplore.com](http://www.egusdexplore.com).

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement (School Year 2016-2017)

Parents can become involved at our school by volunteering, attending teacher conferences and Back to School Night, becoming involved in the site's English Learners Advisory Committee, representing the school at district forums, and joining the School Site Council. For more information on parent involvement opportunities, contact Cindy Gilgun at (916) 422-3058.

All parents meet with school administration prior to enrollment. Each student is assigned an advising teacher, and is a good person for parents to contact for questions about progress.

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates; and
- High school graduation rates.

### Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

### School Safety Plan (School Year 2016-2017)

We believe that nothing should get in the way of the academic achievement of our students, which is why it is important that our students feel safe. Our district is committed to providing a safe, secure environment for learning. Our staff reviewed and updated our School Safety Plan in October 2016 and a school committee collaborated in the development of the Comprehensive Safe School Plan. An Emergency Guidelines Flipchart, outlining a plan of action for emergencies such as earthquakes, fires, and chemical spills, is posted in every classroom. Access to the campus is only through the office and school staff monitor students before and after school hours. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students.

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Federal Intervention Program (School Year 2016-2017)

Indicator	School	District
Program Improvement Status	NA	In PI
First Year of Program Improvement	NA	2009-2010
Year in Program Improvement	NA	3
Number of Schools Currently in Program Improvement	NA	12
Percent of Schools Currently in Program Improvement	NA	92.3

Note: Cells with NA values do not require data.

### Average Class Size and Class Size Distribution (Secondary)

Subject	Avg. Class Size	2013-2014 Number of Classes*			Avg. Class Size	2014-2015 Number of Classes*			Avg. Class Size	2015-2016 Number of Classes*		
		1-22	23-32	33+		1-22	23-32	33+		1-22	23-32	33+

State	N/A	N/A	\$5,677	\$75,837
Percent Difference - School Site and State	N/A	N/A	57%	-16%

Note: Cells with N/A values do not require data.

### Types of Services Funded (Fiscal Year 2016-2017)

At our school we have highly qualified staff to assist students with special learning needs. Our resource program services not only special education students, but also general education students who need additional support to meet the standards. Students who need extra tutoring or additional opportunities to earn credit can participate in our extended day programs. Opportunities for credit recovery have been expanded and included a Saturday Scholars program and Summer School. The students are supported by Project Success, which provides a Program Implementer on site to help educate students about the impact of alcohol, tobacco and other drugs and to make positive choices for themselves. Students may also participate in the Career Technical Education program (CTE), which provides them with job skill training, an opportunity to learn about related college majors, and to obtain employment.

## Teacher and Administrative Salaries (Fiscal Year 2014-2015)

Category	District Amount	State Average For Districts In Same Category

## Advanced Placement (AP) Courses (School Year 2015-2016)

Subject	Number of AP Courses Offered*	Percent of Students In AP Courses
<b>Computer Science</b>		N/A
<b>English</b>		N/A
<b>Fine and Performing Arts</b>		N/A
<b>Foreign Language</b>		N/A
<b>Mathematics</b>		N/A
<b>Science</b>		N/A
<b>Social Science</b>		N/A
<b>All courses</b>		0.00%

Note: Cells with N/A values do not require data.

\* Where there are student course enrollments.

Course enrollments include only the number of K-12 public students enrolled in the class on "Census Day," a Wednesday in early October of the school year indicated. Since this data is collected on a single day in Fall, courses that are only offered later in the year will not be included on this report.

## Professional Development

For 2016-2017, our school has a professional development emphasis in supporting the California curriculum standards that are assessed by the SBAC. As a result, the primary focus for all subjects is helping teachers develop additional strategies and practices to improve instruction in the core subject areas. PBIS (Positive Behavior Intervention and Support) offers another professional development opportunity for teachers to develop skills and supports for all student that promotes positive behaviors and supports student learning. The skills students learn to work well with others is as essential for success as other academic skills. The district offers a variety of classes for support staff. Instructional aides, school secretaries, office clerks, and custodians may take classes that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.
