**Principal:** Sonia Rambo

**Grade Span:** 7-8

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020 - 2021)

James Rutter Middle School has a rich and diverse history and provides a unique and wonderful educational experience for all students. Faculty and staff work to provide a safe campus, a meaningful learning environment, as well as rigorous instructional programs. Our activities director works diligently to reward our students for perfect attendance and academic performance. We use PBIS to teach students expectations and reward their good behavior.

James Rutter Middle School students and staff strive to be respectful, responsible, and resilient. Our school celebrates creativity and diverse cultures. Stakeholders are invested and take pride in our community. The programs below help support our vision:

Acaletes - After school academic support and social enrichment program  
Math and English Intervention programs  
AVID - Advancement Via Individual Determination  
Honors English, Social Science, and Advanced Mathematics  
Visual and Performing Arts  
Project Lead the Way-Pre-Engineering program  
Special Education Support Services  
Multiple levels of English Learner Support  
Various cultural and social clubs  
Parent University  
Mathletes  
College and career field trips  
After school athletics  
GATE  
CTE Electives

Parent support and involvement continues to be an important aspect of success at James Rutter Middle School. Some parents help plan the programs and policies, attend Parent University classes, and help monitor student activities out on campus during the day.

The entire staff at James Rutter Middle School has committed to school-wide literacy and character education programs that support and embrace all students' abilities, cultures, and differences. This is emphasized in our three core values: The Three Rs of Rutter - Respectful, Responsible, and Resilient. Our school motto, found on our crest is "Determined to Succeed".

Our enrollment continues to grow each year. We have rebooted our PBIS program and have begun to work on restorative practices school-wide. We have seen improved attendance, a reduction in suspensions, as well as greater numbers on the honor roll.

Sonia Quiñones Rambo - Principal  
James Rutter Middle School

### School Facility Conditions and Planned Improvements (School Year 2020 - 2021)

James Rutter Middle School will be 55 years young in April 2021. This school has 46 classrooms, including a brand new Science Center, a multipurpose room, a library, a gymnasium, boys and girls locker rooms, and an administration building. On the western portion of the property we have approximately three acres of ball fields, basketball courts, and a decomposed granite track. The main campus was built in 1966. Additions were constructed in 1990, 2001 and 2020. Our original Science building was modified due to fire and was available for students in January 2018. The school district completed a new science wing which opened in Fall of 2020. We are working with the Sacramento Tree foundation to plant additional trees throughout the campus as part of the "Forestation of 95828" program. The summer of 2018 began our modernization through Measure M funds.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district and higher standards were adopted due to COVID-19. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

This year, the district's governing board has approved deferred maintenance projects for this school such as painting of all exterior hallways and repairing of plumbing and drainage systems. We are happy to have a Science Lab-Ready building so that our seven science teachers can implement Next Generation Science Standards to fidelity. The lights in the gym and MP room were updated and the district has begun installing a security camera system.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven Percent of Students Meeting or Exceeding the State Standards

Subject	School 2018 - 2019	School 2019 - 2020	District 2018 - 2019	District 2019 - 2020	State 2018 - 2019	State 2019 - 2020
English Language Arts/Literacy (grades 3-8 and 11)	27%	N/A	56%	N/A	50%	N/A
Mathematics (grades 3-8 and 11)	19%	N/A	45%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement (School Year 2020 - 2021)

There are a number of ways to become involved with your child's education at James Rutter Middle School. These include Back to School Night, Spring Open House, School Site Council, English Learner Advisory, Superintendent's Parent Advisory Committee, and Parent University. Any interested parent can sign up to volunteer with our coordinator in the College Readiness Center. If you are interested in volunteering contact Sonia Rambo at srambo@egusd.net or 916-422-3232 and I will put you in contact with our volunteer coordinator Elton Thomas.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### Suspensions and Expulsions

Rate	School 2017 - 2018*	School 2018 - 2019*	School 2019 - 2020**	District 2017 - 2018*	District 2018 - 2019*	District 2019 - 2020**	State 2017 - 2018*	State 2018 - 2019*	State 2019 - 2020**
<b>Suspensions</b>	14.2%	16.8%	14.6%	4.3%	5.1%	4.1%	3.5%	3.5%	2.50%
<b>Expulsions</b>	0.1%	0.0%	0.1%	0.0%	0.0%	0.0%	0.1%	0.1%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

\*(For school years 2017-2018 and 2018-2019: data collected between July through June, each full school year respectively)

\*\* (For school year 2019-2020, only: data collected between July through February, partial school year due to the COVID-19 pandemic)

#### School Safety Plan (School Year 2020 - 2021)

Elk Grove Unified School District is committed to providing a safe, secure environment for learning. Our staff reviewed and updated our School Safety Plan in August 2020. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office. Each classroom teacher is also provided this information and it is reviewed periodically by the whole staff. We have regular fire drills and lockdown drills. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students. All visitors are required to check in at the main office and sign in. Additionally, administration, campus supervisors, and teachers supervise students before, during, and after school.

### Types of Services Funded (Fiscal Year 2020 - 2021)

At James Rutter Middle School we have highly qualified staff to assist students with special learning needs. Our Strategies Department supports students who need additional support to meet the standards. Additionally, we have two self-contained classes on our campus. The Acaletes (ASES) after school program provides opportunities for students who need extra tutoring or homework help in conjunction with student-interest based enrichment curriculum. During the summer we offer a three-day event called Jumpstart for our incoming 7th graders. We averaged 150 students per day over the three days in 2019 and expect even more next year. The students get to know some of our teachers, learn about scheduling, receive character education and finish each day with a free lunch. Our quarterly Parent University meetings are well attended and give our parents an opportunity to learn more about how we can support their students to provide the best possible education experience.

## Professional Development

For 2020-2021, James Rutter Middle school will participate in a number of professional development opportunities focused on Trauma-Informed Practices to build relationships and understanding of students so they feel welcome and capable of succeeding in classes. Teachers collaborate weekly to evaluate student work for the purpose of addressing the needs of our struggling performers while providing further enrichment for our top performers. We continue to implement common formative assessment as a vehicle for measuring student success and need for intervention. Our academic focus this year is on Claim, Evidence, and Reasoning (C.E.R.). As a result of the combination of professional development provided on campus, Monday collaborative hours, and district provided opportunities our staff will focus on developing highly effective classroom learning environments. The teachers are committed to preparing our students for the rigors of high school and beyond.
