School Accountability Report Card
Reported Using Data from the 2015-2016 School Year
Published During 2016-2017

For: Sheldon High School

Address: 8333 Kingsbridge Drive, Sacramento CA, 95829

Principal: Paula D. Duncan

Phone: (916) 681-7500

Grade Span: 9-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2016-2017)

Sheldon High School
A Community of Lifelong Learners!

20th Year Anniversary!

Sheldon High School truly provides a unique and wonderful educational experience for students, from the safety of the campus, to the importance of a respectful learning environment, to the rigor and breadth of the instructional programs. All aspects of the school contribute to providing students with the skills they need to be successful learners and become prepared to enter college and careers.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential.

Our success in implementing our district's mission can be evidenced through our school's special strengths, including:

- Academic and athletic college scholarships awarded to our seniors totaling 1.5 million dollars
- Numerous awards for student participation in visual/performing arts, sports, and technology from local, state and national sources
- \$81,000 ongoing funding for the BioTech Academy
- Animation Program receiving CTE funding as well as being identified as a model Animation program. Visual and Performing Arts-designed a Model Demonstration School!!
- Our Freshmen Mentoring Program (TEAM HUSKY) connects all freshmen with staff mentors and student mentors

Parent support and involvement continue to be important aspects of the success of Sheldon High School. Our Parents Assisting With Students (PAWS) for Success Program received the Golden Bell Award for parent participation. Parents also support student success by sending a clear message that education and regular school attendance are important to the family. Parent volunteers are coordinated by our parent liaison.

The safety of our students is this school's first priority and the discipline policy is strictly enforced. We emphasize cooperation and responsible, respectful behavior. The atmosphere of the school makes our students feel comfortable and secure.

Please feel free to access our website www.sheldonhuskies.com to learn more about the HUSKIES!!

School Facility Conditions and Planned Improvements (School Year 2016-2017)

Sheldon High School opened in 1997. Facilities include a Building Trades program, 725 seat Performing Arts Center theatre, seven computer labs, art, ceramics, photo and animations classrooms. Our Bio-Tech focus includes college level lab equipment. We have 110 teachers and counselors with a focus on college preparation as well as strong Career Technical Education pathways: Building Trades, Engineering, Visual and Performing Arts including Animation.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

SAMPLE TEXT: The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine restricted maintenance at levels beyond the State required minimum and continues to use local resources to fund projects previously considered as part of the States former DMP.

In addition the District has continued to fund the Routine Restricted Maintenance (RRM) account at percentages above the State Minimum. For the 2013-2014 fiscal year the district funded RRM at \$13,829,852 or 2.86% of its General Fund Budgeted Expenditures. The district's complete deferred maintenance plan is available at the district office.

The site's head custodian addresses minor repairs while the district maintenance and operations staff works to ensure major repairs are addressed in a timely manner. Deep cleaning takes place during the summer months to make certain the school is ready for the new school year. We are glad to report no major repairs are currently underway, nor has there been a need for major repairs this school year. We are excited about the Measure M funds that will provide much need improvements.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Career Technical Education Programs (School Year 2016-2017)

Our school prepares students to succeed in real-world contexts through the development of conceptual thinking, effective communication, and the ability to apply knowledge and skills learned in the classroom. Our teachers have directed efforts toward establishing school-to-work structures within each curricular area for all students, including those with special needs. Our Bio-Tech program has received a California Department of Education grant to support internships and mentoring within the Bio-Tech professional community. C.T.E. has many opportunities; Agriculture, Bio-Tech, business, ArtsWork, Engineering/building Trades At Sheldon High School, we have a variety of courses of study that can provide students with an introduction to careers. These courses of study are our Bio-Tech Academy, EQUITAS (Government/Public Policy) Academy, VAPA Academy, and our Building Trades and Engineering Academy as well as our Agriculture (FFA) program. Students are provided skills in construction, engineering, animation, visual arts, Bio-Tech, and programming and web design. California Department of Education named Sheldon High School Visual and Performing Arts department as a MODEL DEMONSTRATION SITE! We are the only comprehensive high school to receive this distinction. Sheldon High School also offers students CTE programs in graphic arts and animation. We are also developing and Arts, Media Entertainment in Film and Theatre. These are provided on our campus through the Sacramento County Regional Occupation Program office. These courses provide our students with the necessary skills to seek life-long employment in the technology field. Resume writing, proper work attire, punctuality, etc., are just some of the topics that are covered. Regardless of the career path chosen, Sheldon High School makes every effort to work with the students to insure that they meet district and state graduation standards.

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-2017)

Our school has an active SPAC (Sheldon Parents Advisory Council). Our SPAC provides many ways for the community to truly support their students and teachers. Parents can become involved in our school by volunteering with student activities, attending school functions and joining the SPAC. Read about them on our Website: www.sheldonuskies.com. For more information on parent involvement opportunities, you may contact Dorothy Davidson or Barb Malana at 681-7500 or sheldonvolunteer@gmail.com

School Safety Plan (School Year 2016-2017)

Academic achievement of our students, and the safety of our students are paramount. Our district is committed to providing a safe, secure environment for learning. Our staff reviews our School Safety Plan yearly, and it is being reviewed March 2017. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office. Random, periodic school safety inspections are conducted by the County of Sacramento. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students. Our School Resource Officer and the security staff also monitor all after school events, such as games and dances. All visitors are required to check into the front office.

Types of Services Funded (Fiscal Year 2016-2017)

At our school, we have highly qualified staff to assist students with special learning needs. Our Resource Specialist Program (RSP) services not only special education students, but also general education students who need additional support to meet the standards. Bilingual Teaching Associates help our English Learners access the core curriculum and are placed in classes to assist students with learning English. Students participate in Honors and Advanced Placement courses as well as academic competitions. Students who need extra tutoring or homework help can be mentored by an older student or by a teacher. The school provides a tutoring schedule in every academic subject area. Advanced Placement classes participate in outside of school study sessions to support AP exams taken in the spring. C.T.E. identified pathways: Bio-Tech, ArtsWork, Business, Engineering/Building Trades, and Agriculture.

* Where there are student course enrollments.

Course enrollments include only the number of K-12 public students enrolled in the class on "Census Day," a Wednesday in early October of the school year indicated. Since this data is collected on a single day in Fall, courses that are only offered later in the year will not be included on this report.

Professional Development

Staff Development at Sheldon High School involves school wide and department collaboration as well as articulation with our elementary and middle schools. Schoolwide our Trainer of Trainers site focus is on rigor-relevance-relationships. Schoolwide strategies and discussions that focus on relationship building are ongoing. Departments work in curriculum teams to review CST and STAR data to adjust instruction. Departments are working closely to develop common assessments that support Common Core State Standards. Our science and math departments have developed staff development workshops and meetings that focus on strategies to increase collaboration and share content teaching as well as work together to identify areas of focus. Writing is a focus for all disciplines with training led by our English dept. New teachers are provided release days to observe colleagues. All teachers are given an opportunity to visit other classes as part of our staff development focus of rigor-relevance-relationship.
