**Grade Span:** K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020 - 2021)

Welcome to Sunrise Elementary School!

Sunrise Elementary is a school committed to serving the needs of the whole child. With a curriculum that is focused on the California Common Core grade level standards, our students enjoy strong academic success. We have also sought out opportunities to develop our children's well-roundedness with instruction in technology, physical education, leadership, character development and the visual and performing arts- all while viewing these programs through a lens of equity.

In addition to our exemplary academic and social-emotional programs, newcomers are attracted to the strong sense of community present on campus and in our school-wide events. This sense of community has continued to flourish even as the school's population has changed over the years.

In addition to instruction in Language Arts and Mathematics, P.E., Science, Social Science, and technology instruction play a significant role in our curriculum. Every student has access to Chromebook tablets and all students receive weekly instruction from our computer resource teacher and P.E. teacher. Our library technician and collection of library books helps students to read and learn in a variety of genres on a range of topics. The Accelerated Reader Program encourages our 2nd-6th grade students to read often and widely.

Our parent community takes an active role in our school, taking elected positions on our PFO, ELAC and School Site Council, raising and donating funds and supplies, and providing input on our school programs and culture.

As a result of the commitment and professionalism of the school staff and the strong support of the community, Sunrise has prospered through budget changes, growth and downsizing, and the challenges related to the current pandemic. The 2020-21 school year marks our seventh year on a four track year round schedule. It is through our joint commitment to the education of children that we continue to maintain the fabric of our school, the quality of our instructional programs, and our overall purpose to see every child reach their greatest potential.

Martin Hock, Principal

## School Facility Conditions and Planned Improvements (School Year 2020 - 2021)

Sunrise Elementary is nestled in the heart of the still growing Anatolia neighborhood in the city of Rancho Cordova. Our school campus has 40 classrooms including a Learning Center, multipurpose room, library, computer lab and our administration building. The main campus was built in 2006-2007. There are two playground spaces, one for kindergarten, and a second for Grades 1-6 that includes basketball, tetherball, and foursquare courts. A running and walking track surrounds our expansive playfield and grassy area.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The EGUSD Maintenance and Grounds department work in concert with the school site custodial team and site administrators to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team with the administrators to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

With our EGUSD bond measure, our school is slated for improvements including an updated track and covered shade structure for our playground. We have saved fundraising monies and additionally have been awarded a supplementary Rancho Cordova Measure H grant for the development of a school garden project to complement our science instruction. An upgrade to our stage sound system is also underway thanks to fundraising and grants.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven Percent of Students Meeting or Exceeding the State Standards

Subject	School 2018 - 2019	School 2019 - 2020	District 2018 - 2019	District 2019 - 2020	State 2018 - 2019	State 2019 - 2020
English Language Arts/Literacy (grades 3-8 and 11)	71%	N/A	56%	N/A	50%	N/A
Mathematics (grades 3-8 and 11)	65%	N/A	45%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement (School Year 2020 - 2021)

Parent involvement is a key to student success. There are a number of ways to become involved with your child's education. Our school has a very active PFO (Parent Faculty Organization) that promotes family activities and raises funds in support of school programs and special events. Our School Site Council assists the principal with important governance decisions and our English Language Advisory helps guide our programs for English Learners. For more information on parent involvement opportunities you may contact Mr. Hock at 916-985-4350.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### Suspensions and Expulsions

Rate	School 2017 - 2018*	School 2018 - 2019*	School 2019 - 2020**	District 2017 - 2018*	District 2018 - 2019*	District 2019 - 2020**	State 2017 - 2018*	State 2018 - 2019*	State 2019 - 2020**
<b>Suspensions</b>	2.9%	1.3%	0.6%	4.3%	5.1%	4.1%	3.5%	3.5%	2.50%
<b>Expulsions</b>	0.0%	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%	0.1%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

\*(For school years 2017-2018 and 2018-2019: data collected between July through June, each full school year respectively)

\*\* (For school year 2019-2020, only: data collected between July through February, partial school year due to the COVID-19 pandemic)

#### School Safety Plan (School Year 2020 - 2021)

The Sunrise Elementary Safety Plan was reviewed and goals were updated in February of 2021. Safety drills that address a variety of possible situations are taught and practiced monthly when in-person. Our campus is also fenced and gated. During the school day, parents must enter through the school office. When in-person, staff members provide supervision before and after school during arrival and dismissal times to ensure that all children are safe. We continue to work with our students, community, and law enforcement around issues related to traffic safety and safe routes to school in the community. Additional goals focus on providing students with instruction on topics such as bullying, stranger danger, and internet and cyber safety.

### Types of Services Funded (Fiscal Year 2020 - 2021)

At Sunrise Elementary we have highly qualified staff to assist students with special learning needs, including two new PALSS classes. Our special education and inclusion teachers support the learning needs of students as well as additional students identified through our PBIS Tier 2 process. Students who need support in learning to speak, read, and write English receive daily instruction during WIN time using specialized curriculum and strategies. Students in grades TK-6 receive instruction in the application of technology with our computer teacher. Students learn keyboarding, word processing, spreadsheets, the use of graphics programs, PowerPoint presentation, training in the Google platform, as well as safe use of the internet. Our NEHS and GATE programs, when in-person, help build community and academic achievement through engaging extra-curricular opportunities.

## Professional Development

Professional development for the 2020-21 year has been centered on making the shift to distance learning. Our staff has participated in trainings relative to our Illuminate Assessment System as well as two days of pre-service focused on high quality instructional practices. Four professional learning afternoons have been calendared to support staff in meeting the SEL needs of our students. In addition, our grade level professional learning communities are developing their scope and sequence for writing instruction as a foundation for future common assessment work.
