**Grade Span:** K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2016-2017)

Welcome to Sunrise Elementary School!

Sunrise Elementary is a school committed to serving the needs of the whole child. With a curriculum that is focused on the California Common Core grade level standards, our students enjoy strong academic success. We have also sought out opportunities to develop our children's well roundedness with instruction in technology, physical activity, leadership, character development and the visual and performing arts.

In addition to our exemplary academic and social-emotional programs, newcomers are attracted to the strong sense of community present on campus and in our school-wide events. This sense of community has continued to flourish even as the school has grown from 420 students in its first year to over 1,300 students currently on a year-round calendar.

In addition to instruction in the Language Arts and Mathematics, Science, Social Science, and technology instruction play a significant role in our curriculum. Every student has access to computers or Chromebook tablets and all 1st-6th Graders receive instruction in our computer lab from our computer resource teacher. Our librarian and collection of library books helps students to read and learn in a variety of genres on a range of topics. The Accelerated Reader Program encourages our 2nd-6th grade students to read often and widely.

Our parent community takes an active role in our school, taking elected positions on the Parent Faculty Organization and School Site Council, raising and donating funds and supplies, volunteering in classrooms, teaching Art Docent lessons, and chaperoning field trips. Our Watch DOGS (Dads of Great Students) program has more than 180 participants.

As a result of the commitment and professionalism of the school staff and the strong support of the community, Sunrise has prospered through budget cuts, growth, and changes to the school calendar. The 2016-17 school year marks our third year on a four track year round schedule. It is through our joint commitment to the education of children that we continue to maintain the fabric of our school, the quality of our instructional programs, and our overall purpose to see every child reach their greatest potential.

Martin Hock, Principal

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Teacher Credentials

## School Facility Conditions and Planned Improvements (School Year 2016-2017)

Sunrise Elementary is nestled in the heart of the growing Anatolia neighborhood of the city of Rancho Cordova. Our school campus has 40 classrooms including a Learning Center, multipurpose room, library, computer lab and our administration building. The main campus was built in 2006-2007 and we have plans to celebrate our 10th anniversary. There are two playground spaces, one for kindergarten, and a second for Grades 1-6 that includes basketball, tetherball, and four square courts. A running and walking track surrounds our expansive playfield and grassy area.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

## School Facility Good Repair Status (School Year 2016-2017)

Using the most recent FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Date of facilities inspection: 2/10/2016

	<b>Exemplary</b>	<b>Good</b>	<b>Fair</b>	<b>Poor</b>
Overall Rating	<b>x</b>			

The district's maintenance and grounds departments work in concert with the school site custodial team and site administrators to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the administrators to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine restricted maintenance at levels beyond the State required minimum and continues to use local resources to fund projects previously considered as part of the States former DMP.

In addition the District has continued to fund the Routine Restricted Maintenance (RRM) account at percentages above the State Minimum. For the 2013-2014 fiscal year the district funded RRM at \$13,829,852 or 2.86% of its General Fund Budgeted Expenditures. The district's complete deferred maintenance plan is available at the district office.

None at this time needed.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students (School Year 2015-2016)

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2014-2015	2015-2016	2014-2015	2015-2016	2014-2015	2015-2016
<b>English Language Arts/Literacy (grades 3-8 and 11)</b>	68%	76%	49%	52%	44%	48%
<b>Mathematics (grades 3-8 and 11)</b>	66%	69%	41%	42%	34%	36%

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group

Students Receiving Migrant Education Services				
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement (School Year 2016-2017)

Parent involvement is a key to student success. There are a number of ways to become involved with your child's education. Our school has a very active PFO (Parent Faculty Organization) that promotes family activities and raises funds in support of school programs and special events. Our School Site Council assists the principal with important governance decisions and our English Language Advisory helps guide our programs for English Learners. For more information on parent involvement opportunities you may contact Mr. Hock at 985-4350.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### Suspensions and Expulsions

Rate	School			District			State

<b>Expulsions</b>	0	0	0	0.03	0.05	0.04	0.10	0.09	0.09

#### School Safety Plan (School Year 2016-2017)

The Sunrise Elementary Safety Plan is reviewed and goals are updated annually. Our Safety Plan will be reviewed with staff February 6, 2016. Safety drills that address a variety of possible situations are taught and practiced monthly. Our campus is fenced and gated. During the school day, parents and visitors must enter and sign in through the school office. Staff members provide supervision before and after school during arrival and dismissal times to ensure that all children are safe. We continue to work with our students, community, and law enforcement around issues related to traffic safety and safe routes to school in the community. Additional goals focus on providing students with instruction on topics such as Bullying, Stranger Danger, Bicycle Safety, Fire Safety, and Internet and Cyber Safety.

### Types of Services Funded (Fiscal Year 2016-2017)

At Sunrise Elementary we have highly qualified staff to assist students with special learning needs. Our Learning Center and inclusion teachers support the learning needs of identified special education students as well as additional students identified through our co-op process. GATE students have many opportunities to stretch their thinking and be challenged in after school activities. Games of strategy, American Sign Language and STEAM activities allow gifted students a chance to collaborate with their peers. Students who need support in learning to speak, read, and write English receive daily instruction during WIN time using specialized curriculum and strategies. Students in grades 1-6 receive instruction in the application of technology in our computer lab. Students learn keyboarding, word processing, spreadsheets, the use of graphics programs, PowerPoint presentation, training in the Google platform, as well as safe use of the Internet.

## Professional Development

Professional development for the 2016-17 year has been centered on understanding and implementing the Common Core State Standards (CCSS) in Language Arts and Mathematics, integrating English Language Development practices into the instructional day through Guided Language Acquisition and Design strategies and transforming our teams into professional learning communities. EGUSD provided its teaching staff with two full days of professional training prior to the start of school during preservice days focused on our new language arts adoption. During the 16-17 school year, our Leadership Team had the opportunity to further develop and strengthen our collective practice and vision around professional learning communities to ensure that every child learns in meaningful and relevant ways and at high levels. Our Computer Resource Teacher also participated in trainings related to student use of the Google Docs platform, and integrating technology. Additionally, we were provided an instructional coach to work alongside our teaching staff and to strengthen our collective practices.
