School Accountability Report Card
Reported Using Data from the 2016-2017 School Year
Published During 2017-2018

For: Mary Tsukamoto Elementary

Address: 8737 Brittany Park Dr, Sacramento, CA 95828

Principal: Elizabeth Rueda

Phone: (916) 689-7580

Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-2018)

Mary Tsukamoto Elementary
A Community of Lifelong Learners!

It has truly been a privilege to rejoin the Mary Tsukamoto Elementary family! As a former teacher here, it is clear that Mary Tsukamoto Elementary School continues to foster a love of learning in an innovative and cooperative climate which empowers all students to become competent, productive, caring, and responsible citizens in the image of its namesake. Throughout the years, Mary Tsukamoto Elementary has earned the reputation of maintaining an exemplary educational program. Parent volunteers can be seen daily providing support and assistance in the classrooms, coaching team sports and supporting our performing arts programs, along with other school projects and activities. The community of parents, students, and staff members continues to focus on academic excellence while developing a strong sense of civic responsibility and respect.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential. The highly qualified teaching staff at Mary Tsukamoto Elementary is dedicated to promoting this mission among our students and families. Our teachers know they make a difference in the lives of their students, and they strive to support each other in this endeavor.

The partnership between families and schools is critical to the success of our students and school. There are many ways for parents to be involved in their child's education, from making sure that their child is well rested and nourished, to volunteering in classrooms; parent involvement helps all children and sets the stage for academic success. Please join us for Coffee and Conversation, the first Thursday of every month. It is a great opportunity to meet other parents, share ideas, and learn about site happenings.

Student safety: educational, physical and emotional, is a priority at Mary Tsukamoto. A Tsukamoto SHARK is Safe, Hands-free, Achieving, Responsible, and Kind. The students and staff promote these character education traits each day.

Elizabeth D. Rueda, Principal
Mary Tsukamoto Elementary

School Facility Conditions and Planned Improvements (School Year 2017-2018)

Tsukamoto's inaugural year was 1992 and has been open for over 20 years. There are 38 classrooms, including six portables that were added in 1997, two of which were expanded in 2012 and two more added in 2015. We have a multipurpose room, library, computer lab and administrative building. The administrative building houses two administration offices, six workrooms for teachers, students, and resource specialists to use. In addition, there are four staff restrooms, a nurse's office, storage room, staff room, supply room and workroom. A large playground for 1st-6th grades offers basketball and tether ball courts, four square and hopscotch, in addition to a play structure, soccer field and track. Kindergarten has a smaller fenced playground with a play structure and blacktop area. A bike rack area is available to store bikes. Our parking lot offers several spaces for staff and visitors, with two handicapped spaces. Ingress and egress are clearly marked. Additionally, we have a pedestrian crosswalk that is supervised by staff before and after school, during arrival and dismissal times.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's Maintenance and Grounds Departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system, enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the District Office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Summer of 2015 new portables were brought on campus and the track was redone. With the recent passing of Measure M, Tsukamoto will benefit from the district's Facilities Master Plan over the next 10 years. Improvements will include modernization of facilities, including technology updates and overall site improvements, as identified and prioritized by district personnel, site staff, and community input and planning.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-2018)

You have many opportunities to become involved with your child's education. Parents can become involved by attending parent-teacher conferences, Back to School Night, Open House, monthly Coffee & Conversation or join the PTO or the School Site Council. Our school has an active PTO that supports our teachers, student recognition programs, and community involvement opportunities through fundraising efforts and hospitality events throughout the year. For more information on parent involvement, contact our secretary, Lidia Ormonde at 689-7580.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2017-2018)

Our School Safety Plan is reviewed and updated January 2018. An Emergency Procedures Flip Chart, outlining a plan of action for emergencies is posted in all classrooms and common areas. Staff is provided an Emergency Packet, outlining emergency practices. Police Services Department supports us with occasional visits and quick response times when needs arise. Supervision of students is provided before school beginning at 7:20 A.M. Teachers and administrators are present to supervise crosswalks, bus loading areas, parking lot and the playground before and after school to ensure student safety. Gates are unlocked at 7:45 for arrival, then locked at 8:00, securing campus. Gates are reopened at dismissal each day and left open until 3:00 p.m. All visitors to the campus must enter through the school office, sign in and wear a visitor's sticker.

Types of Services Funded (Fiscal Year 2017-2018)

At Tsukamoto, highly qualified staff assists students with special learning needs. Gifted And Talented (GATE) students participate in accelerated instruction and an after school extended day program. Our Learning Center teachers and instructional assistants provide small group and individual instruction to Special Education students and others who need extra academic support. Additionally, identified students work with our iTeam for intervention services. Learning Center and iTeam support sessions occur both in the regular classroom and in small group settings, in specified learning areas. Using ASES funds, our school has contracted with STORM to provide many students with an after school program focusing on academic support and enrichment, as well as physical fitness. Our school has also partnered with Sheldon High School to work with students before school for tutoring, as well as to provide other students in the intermediate grades with a 9 week long after school dance program.

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. Professional development continues to focus on Common Core State Standards, collaboration, and best instructional practices as determined by extensive research and data results. The department focus is On Grade Level Reading, promoting all students read on grade level by Grade 3. Our school uses release days, staff and team meeting times to analyze assessment data, review student work, make determinations about students' strengths and weaknesses, and plan subsequent instruction to meet student needs. Our teachers continue to work in PLCs at each grade level, as well as a site. A number of our teachers are provided additional professional development with an emphasis of how to successfully lead PLC's to best meet the needs of our students. All teachers participate in professional learning opportunities designed to increase their understanding of the ELD standards and how to incorporate ELD objectives in daily planning.
