By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020 - 2021)

Union House Elementary Vision: At Union House All students will have equitable access to high-quality educational instruction so they can achieve high levels of academic and social-emotional success.

The safety and well-being of our students is our school's first priority. Our Positive Behavioral Interventions and Supports (PBIS) plan provides school wide behavioral expectations, positive incentive programs, as well as social emotional learning activities that support student agency. Our Pioneer Promise of Be Safe, Be Respectful, Be Responsible, Be Engaged helps to create an atmosphere in which students feel comfortable and supported.

Parent support and involvement is fundamental to the success of Union House Elementary School. We welcome parent participation. Many parents help plan the programs and policies through a variety of committees including School Site Council and English Learner Advisory Committee. Some parents serve as classroom volunteers, chaperone field trips, plan family activities, or provide support around campus. Parents also support student achievement by supporting students in completing their daily homework, reading with them on a nightly basis, and by sending a clear message that education and regular school attendance are important to the family. The atmosphere at Union House makes the community feel welcome and our students feel comfortable to achieve and learn. We welcome you as partners in the pursuit of your child's academic achievement.

Dorothy Stoppelmann, Principal  
Union House Elementary

## School Facility Conditions and Planned Improvements (School Year 2020 - 2021)

Union House was built in 1988. It has 34 classrooms, a multipurpose room, a library, a computer lab, and an administration building. A new classroom building was completed in 2006. Additional perimeter fencing as well as a gate in front of the multipurpose room was added in 2013. In 2018, the first phase of updates and site renovations began as a result of Measure M, the District's first ever general obligation school facilities bond measure. In the summer of 2018, a new roof was installed campus-wide and all HVAC units were replaced. A new parking lot was designed which included upgrades to the handicapped parking, student drop-off lane, secure bike parking, and pedestrian fencing. New outdoor seating and learning spaces were created and installed. In the summer of 2019 the office, library, Kindergarten rooms, and two classroom wings were remodeled. The front entry of the school was redesigned and remodeled. Continuous maintenance of the buildings and grounds is a priority to provide our students and staff a safe and welcoming learning environment.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

In 2017, we added 8 new Chromebook carts to support technology education in the classrooms, providing us 1:1 access for grades 2-6. In 2019, new outdoor lighting was installed throughout the campus to increase visibility. In 2019, the front entrance of the MP Room was remodeled along with the student bathrooms. In 2019 the C,D, E, and F wings were remodeled, updating learning spaces with new wall coverings, flooring, and technology.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven Percent of Students Meeting or Exceeding the State Standards

Subject	School 2018 - 2019	School 2019 - 2020	District 2018 - 2019	District 2019 - 2020	State 2018 - 2019	State 2019 - 2020
English Language Arts/Literacy (grades 3-8 and 11)	35%	N/A	56%	N/A	50%	N/A
Mathematics (grades 3-8 and 11)	26%	N/A	45%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement (School Year 2020 - 2021)

All families are encouraged to become informed and actively involved. We have Back to School Night, Open House, PTO meetings, student assemblies, spirit rallies, Pioneer Family Academy, Bring Your Parent to Lunch days and other special events. You are welcome to schedule time to meet with your child's teacher to volunteer in your child's classroom. Parents can also become involved by joining the School Site Council or other parent advisory committees. For information contact our school secretary, Debbie Triplett, at (916)424-9201.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### Suspensions and Expulsions

<b>Expulsions</b>	0.0%	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%	0.1%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

\*(For school years 2017-2018 and 2018-2019: data collected between July through June, each full school year respectively)

\*\* (For school year 2019-2020, only: data collected between July through February, partial school year due to the COVID-19 pandemic)

#### School Safety Plan (School Year 2020 - 2021)

Our district is committed to providing a safe, secure environment for learning. Our School Safety Plan, which was reviewed in September 2020, indicates the ways we solicit input from our community that addresses safety procedures as well as goals for developing a positive school climate. Each room is equipped with Safety Flip Charts that outline all of our safety procedures. A new communication system was installed in the fall of 2019, including emergency buttons in each room. An "Emergency Handbook" is kept in the school office. Random, periodic school safety inspections are conducted by the County of Sacramento, and various drills are held each month. The school is surrounded by fencing and visitors are asked to check in and enter the premises through the office. Adult supervision is provided before and after school.

New teachers who have been teaching fewer than two years are supported by the district's beginning teacher program. They meet weekly with an experienced mentor to discuss their successes and challenges as well as new strategies for their classrooms.
