Hours of Operation

Our office is open from 7:30 a.m. to 3:30 p.m. Monday through Friday. The office staff can assist parents with registering and enrolling their children and can give information about programs at the school.

School Highlights and Awards

We are very proud of our varied programs for students. Our GATE program focuses on STEM education (Science, Technology, Engineering and Mathematics). Students engage in enrichment programs in choir, theatre, and dance. We have active parent organizations: PTO and Watch D.O.G.S.

Student Demographics

	School	District
Enrollment	886	65,446

Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website:
<http://www.egusd.net/academics/assessments/school-accountability-report-cards/>

A Message From the Principal

Maeola R. Beitzel Elementary
Learners Today, Leaders Tomorrow!

The goal of Maeola R. Beitzel Elementary School is to provide a unique and challenging educational experience for all children in a safe and caring environment. All aspects of the school contribute to providing children with the skills they need to be successful learners- from the safety of our campus, to the caring environment, to the rigor and breadth of our instructional programs. We believe every child can achieve academic success. To this end, every child will be provided with quality instructional experiences that recognize, support, and maintain high expectations for all students. We strive to make Maeola R. Beitzel Elementary School a "second home" to our students, families, and staff.

The Elk Grove Unified School District's mission is to provide a learning community that challenges ALL students to realize their greatest potential.

Parent support and involvement continue to be important aspects of the success of Maeola R. Beitzel Elementary School. This support takes many different forms. Some parents help plan the programs and policies, others serve as classroom and library volunteers and/or plan family activities. Parents also support student success by providing space, time, and encouragement for daily homework and by sending a clear message that education and regular school attendance are important.

The safety of our students is Maeola Beitzel Elementary School's first priority. We embrace the philosophy of positive behavior intervention and support (PBIS) and emphasize the character traits of respect, responsibility, and cooperation. Through teamwork, open communication, and dedication to continuous improvement, Maeola R. Beitzel Elementary School continues to be a place where children develop a love of learning.

Lynn Garverick, Principal
Maeola R. Beitzel Elementary

Parental Involvement

The most important way to be involved is to support your child in understanding the importance of their learning. We also encourage our families to collaborate with our staff to help our students become responsible citizens. We have a number of parent groups and organizations where you can serve, including volunteering in classrooms to support special projects. For more information on parent involvement activities, you may contact the principal, Lynn Garverick, at 916-688-8484. We look forward to meeting you soon.

Teacher Credentials and Misassignments

Teacher Credentials	
2019 - 2020	
Total Number of Teachers	43
Total Full Credentials	43

Teacher Misassignments and Vacancies	
2020 - 2021	
Misassignments of Teachers of English Learners	0
Misassignments Due to Subject Matter Competency	1
Teacher Vacancies	0

SOURCE: 2020 - 2021, EGUSD

In the 2019-2020 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned.

In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned.

Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

School Facility Conditions and Planned Improvement

Our school has 36 classrooms, two smaller Learning Center classrooms, a computer lab, a multipurpose room, a library and an administration building. The campus opened in 1996.

Our custodial and grounds teams ensure that our campus remains clean and safe. The FIT inspection indicates that all areas of the school are maintained properly.

The principal works with the custodial and grounds teams to develop cleaning schedules. All classrooms, cafeteria and bathrooms are cleaned nightly, regular inspections of bathrooms happen throughout the day.

Our maintenance team regularly maintains our campus.

The district's maintenance and grounds department work in concert with the school's custodial team to ensure that school buildings, classrooms, and grounds are maintained at levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school custodians work as a team to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

There are no maintenance projects scheduled for this school year.

School Facility Good Repair Status

Date of facilities inspection : 4/13/2020

Items Inspected	Repair Status			Repair Needed
	Good	Fair	Poor	
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X			No

Class Size

In Elk Grove schools, our research shows that small class sizes lead to higher student engagement and academic achievement. It has been a top priority in our district to reduce class sizes. For the 2020 - 2021 school year, class sizes are 24 to 1 in Transitional Kindergarten through 3rd grade, and 28 to 1 in 4th through 6th grades.

School Average	
Kindergarten	24
Grade 1	26
Grade 2	28
Grade 3	35
Grade 4	26
Grade 5	28
Grade 6	28

California Assessment of Student Performance and Progress Results for All Students (School Year 2019 - 2020)

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2018 - 2019	2019 - 2020	2018 - 2019	2019 - 2020	2018 - 2019	2019 - 2020
English Language Arts/Literacy (grades 3-8 and 11)	50%	N/A	56%	N/A	50%	N/A
Mathematics (grades 3-8 and 11)	40%	N/A	45%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff.

For the 2020-2021 year, our staff focused on the implementation of the Illuminate Program, and the California Common Core State Standards in math and English language arts. We also continued our focus on building effective Professional Learning Communities. Teachers meet weekly in TK/kindergarten through sixth grades to analyze data, review student progress, and plan instruction based on student data.

Staff collaborates in teams as a professional learning community to focus on teaching and learning. Administration and consult coaches plan professional development for staff based on needs.

Finally, the district offers a variety of classes for support staff. Instructional aides, school secretaries, office clerks, and custodians may take classes that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.

School Safety Plan

Our district and school are committed to providing a safe, secure environment for learning. Our staff reviewed and updated our School Safety Plan in January of 2021. Students practice a variety of safety drills monthly and regular positive behavior assemblies are held to remind students and staff of expectations and safe, responsible and respectful practices. An "Emergency Handbook" outlining a plan of action for emergencies is kept in the school office. Random, periodic school safety inspections are conducted by the County of Sacramento. Visitors are asked to check in and enter the premises through the office, and adult supervision is provided before and after school. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students.

Specialized Programs

Maeola R. Beitzel Elementary School has highly qualified staff to assist students with special learning needs. Specialized instruction in English Language Development is available to help our English Learners access the core curriculum. English Learners are provided with English Language Development five days per week for 30 minutes while their English-only peers are provided with instruction that meets their individual needs.

Academically talented students in grades 3-6 may participate in our Beitzel GATE Program through GATE funding.

Before and after school enrichment in science, choir, VAPA, and art are offered, some at a nominal fee or at no charge.

Average Salaries

Data reported are the district's average salaries for teachers, principals, and superintendents, compared to the state average salaries for districts of the same type and size, as defined by Education Code Section 41409.

Teachers	EGUSD 50,000+ ADA	State Average 20,000+ ADA
Beginning	\$47,193	\$50,029
Midrange	\$67,621	\$77,680
