Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website: <http://www.egusd.net/academics/assessments/school-accountability-report-cards/>

A Message From the Principal

Sierra Enterprise Elementary
 We Rise Up

Sierra Enterprise Elementary strives toward creating an environment that ensures each child the ability to meet their fullest potential. Our teachers support student instruction with engaging activities, small group and large group teaching, as well as, the differentiation of instruction. We use data to drive instruction goals.

Our goal is to create students that are life-long learners, successful leaders, and citizens in our community. Our students have access to after school tutoring, STORM (after school program), Big Brothers/Sisters, and school wide staff mentoring to assist them in being successful during the school day. All staff teach character development strategies, and a school wide discipline program provides our students the expectations and guidance needed to be successful at school.

Our school site has a pre-K autism program and various other special education classes. We are working on creating a campus that supports all learners in an environment that is warm, welcoming, and accepting of everyone.

Parent involvement continues to be an important aspect of the success at Sierra Enterprise Elementary School. Parents support student success by sending a clear message that education and regular school attendance are important to the family. Our School Site Council, English Learner Advisory Committee, GATE/Accelerated Parent Advisory, and PBIS/safety committee provide opportunities for family and community members to ask questions and offer solutions.

The safety of our students is our school's first priority. Our school site council creates and implements a school safety plan each year. Our discipline policy is strictly enforced. We emphasize cooperation and responsible, respectful behavior. Sierra Enterprise is a safe, comfortable and caring place where both staff and students can meet their fullest potential. We welcome both parent and community support, and all that will provide our students and staff opportunities to grow and learn as we continue to soar to success.

Patricia Hecht, Principal
 Sierra Enterprise Elementary

Parental Involvement

At Sierra Enterprise Elementary School there are a number of ways to become involved with your child's education. You may volunteer in your child's classroom, attend parent conferences, family nights, Back to School Night, Open House, PBIS/safety and School Site Council. We have a parent liaison that provides parents updates and "good news" to parents. For more information on parent involvement opportunities, you may contact the principal, Patricia Hecht, at 381-2767.

Teacher Credentials and Misassignments

Teacher Credentials		2015-2016
Total Number of Teachers		30
Total Full Credentials		30

SOURCE: 2015-2016, EGUSD

Teacher Misassignments and Vacancies		2016-2017
Misassignments of Teachers of English Learners		0
Misassignments Due to Subject Matter Competency		0
Teacher Vacancies		0

SOURCE: 2016-2017, EGUSD

In the 2015-2016 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned. Our district is working to remedy these misassignments by providing training opportunities for teachers to earn these authorizations and providing ongoing professional development in strategies to help EL students.

In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned.

Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

School Facility Conditions and Planned Improvement

Sierra Enterprise has 34 classrooms, a multipurpose room, a library, and an administration building. Sierra Enterprise also has a computer lab. The main campus was built in 1954. The kindergarten building, administration building and new multipurpose room were constructed in 1995. 6 portable classrooms were constructed in 1999 for Class Size Reduction.

Three outdoor playgrounds provide students play opportunities. The school also has a very large grass area that allows students ample opportunity to play at recess.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

At this time, Sierra Enterprise doesn't have any new construction or modernization projects being implemented. Our school district continues to support our school site with all maintenance needs or projects.

School Facility Good Repair Status

Class Size

In Elk Grove schools, our research shows that small class sizes lead to higher student engagement and academic achievement. It has been a top priority in our district to reduce class sizes. For the 2016-2017 school year, class sizes are 24 to 1 in Transitional Kindergarten through 3rd grade, and 28 to 1 in 4th through 6th grades.

School Average	
Kindergarten	21
Grade 1	22
Grade 2	23
Grade 3	22
Grade 4	23
Grade 5	28
Grade 6	27

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff.

Our teachers will be learning about Grade Level Common Assessments, Common Core Standards and Using Data to drive Intervention. Additionally, special education teachers have numerous opportunities to learn how to best meet the needs of students with learning disabilities. Teachers will be provided training on our new English Language Arts/Reading Program. Staff, students, and families will be provided opportunities to learn about the cultures of the students that attend our school. New teachers who have been teaching fewer than two years are supported by the district's beginning teacher program.

Finally, the district offers a variety of classes for support staff. Instructional aides, school secretaries, office clerks, and custodians may take classes that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.

School Safety Plan

Your child's safety is important to us at Sierra Enterprise Elementary School. We believe that nothing should get in the way of the academic achievement of our students, which is why it is important that our students feel safe. Our district is committed to providing a safe, secure environment for learning. Our plan is reviewed and revised each February during our School Site Council Meetings and staff meetings. The last revision took place February 2016. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office. Visitors are asked to check in and enter the premises through the office, and adult supervision is provided before and after school. Random, periodic school safety inspections are conducted by the County of Sacramento.

Specialized Programs

At our school we have highly qualified staff to assist students with special learning needs. Our Learning Center services not only special education students, but also general education students who need additional support to meet the standards. Our Academic Intervention teacher provides support to students in need of small group intervention to support their learning. Our English Learners receive support from our Bilingual Teaching Associate and direct instruction of Avenues by a trained teacher. Gifted and Talented students are provided skill specific activities and higher level thinking opportunities during their daily instruction. Our second and third graders will be learning how to play the recorder thanks to a Teichert Grant and the Sacramento Philharmonic Carnegie Link In program.

Average Salaries

Data reported are the district's average salaries for teachers, principals, and superintendents, compared to the state average salaries for districts of the same type and size, as defined by Education Code Section 41409.

Teachers	EGUSD 50,000+ ADA	State Average 20,000+ ADA
Beginning	\$42,073	\$45,092
