Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website:
<http://www.egusd.net/academics/assessments/school-accountability-report-cards/>

A Message From the Principal

Stone Lake Elementary

At Stone Lake Elementary School, in collaboration with staff, families, and students, we will continue a tradition of high academic achievement. We will provide a safe environment that promotes hard work, independence, respect, responsibility, and tolerance while encouraging all learners to be successful in a culturally diverse society. Our efforts, along with our partnership with the Stone Lake Community, will enable ALL students to take pride and ownership in their school and continue on their path to college and career readiness.

Our academic program is based on the Common Core State Standards. Our collaborative teacher teams meet to analyze data and determine the best ways to meet the needs of students. We also utilize Positive Behavioral Intervention and Supports (PBIS) to help us create a safe and positive learning environment. We also provide numerous extracurricular activities that make for well-rounded students. Math Olympiad, athletic teams and EDMO are just a few of the extra-curricular options for students.

The Stone Lake PTO is the backbone of our school. Our PTO is instrumental in supporting our school by helping to fund our popular Reading Counts program, providing technology for our classrooms, and supporting our students' academic and enrichment endeavors in every way possible.

We also have an active Watch D.O.G.S. Program. This program is bringing dads on to our campus to help in classrooms and also on the playground during lunch and lunch recess. Our dads have been awesome in supporting this program!

As the principal, you can expect that I will use multiple methods to communicate with parents and do my best to keep the community connected to our school. I also pledge to do my best to ensure that every student is learning in every classroom, in every subject, every day, while doing so in a safe and engaging environment that values a healthy mind and a healthy body.

With the support of our parents and the dedication and hard work of our staff, I am sure that Stone Lake will continue to Soar Like HAWKS!

Mark H. Beard, Principal
Stone Lake Elementary School

Parental Involvement

Stone Lake Elementary values and needs the support of parents. Our parents can get involved in many ways. Parents can attend Back to School Nights, Open House, attend community events like our Ice Cream Social, Multi-Cultural Faire, or our Wild About Learning Events. Parents can volunteer in the class, join our PTO, join our Watch D.O.G.S. Dads Program, join our English Language Advisory Committee, or School Site Council. You can receive more information on parent involvement opportunities by calling Carla Troutner or Mark Beard at 683-4096.

Teacher Credentials and Misassignments

Teacher Credentials	
2019 - 2020	
Total Number of Teachers	37
Total Full Credentials	35

SOURCE: 2020 - 2021, EGUSD

Teacher Misassignments and Vacancies	
2020 - 2021	
Misassignments of Teachers of English Learners	0
Misassignments Due to Subject Matter Competency	1
Teacher Vacancies	0

SOURCE: 2020 - 2021, EGUSD

In the 2019-2020 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned.

In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned.

Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

School Facility Conditions and Planned Improvement

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction.

Our beautiful campus was built in 1999-2000, with Stone Lake Elementary opening their doors in August 2000. In 2003-2004 a new kindergarten classroom was added to our campus. We have 28 classrooms; a large multipurpose room, which also houses our stage and kitchen; a computer lab with 41 computers; and a library with over 13,000 volumes and 10 computers for student's use. We are proud of our campus and strive to keep our school in good repair so it is clean, safe, functional, and provides an orderly environment for teaching and learning.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or the district Facilities Department. The principal works with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

There are no corrective maintenance issues at this time.

During the 19-20 school year, the district added a 30'x40' permanent shade structure to our playground area.

School Facility Good Repair Status

Date of facilities inspection : 12/5/2020

Items Inspected	Repair Status			Repair Needed
	Good	Fair	Poor	
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X			No
Interior: Interior Surfaces	X			No
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	X			No
Electrical: Electrical	X			No
Restrooms/Fountains: Restrooms, Sinks/Fountains	X			No
Safety: Fire Safety, Hazardous Materials	X			No
Structural: Structural Damage, Roofs	X			No
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	X			No

	Exemplary	Good	Fair	Poor
Overall Summary	X

Class Size

In Elk Grove schools, our research shows that small class sizes lead to higher student engagement and academic achievement. It has been a top priority in our district to reduce class sizes. For the 2020 - 2021 school year, class sizes are 24 to 1 in Transitional Kindergarten through 3rd grade, and 28 to 1 in 4th through 6th grades.

School Average	
Kindergarten	20
Grade 1	25
Grade 2	31
Grade 3	25
Grade 4	25
Grade 5	25
Grade 6	28

California Assessment of Student Performance and Progress Results for All Students (School Year 2019 - 2020)

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2018 - 2019	2019 - 2020	2018 - 2019	2019 - 2020	2018 - 2019	2019 - 2020
English Language Arts/Literacy (grades 3-8 and 11)	74%	N/A	56%	N/A	50%	N/A
Mathematics (grades 3-8 and 11)	66%	N/A	45%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. For the 2020-2021 school year, our district and our school site have offered teachers professional learning opportunities in the areas of Reading Wonders, Illuminate, Growth Mindset, Arbinger training and continued professional learning opportunities around many other curricular areas.

New teachers who have been teaching fewer than two years are supported by the district's beginning teacher program. They meet weekly with an experienced mentor to discuss their successes and challenges.

The district offers a variety of classes for support staff. Instructional aides, school secretaries, office clerks, and custodians may take classes that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.

School Safety Plan

Safety is the priority for all staff at Stone Lake Elementary School. Students are supervised before and after school by our staff, which includes school administration. Staff are located at various points around the school. Our gates are locked daily at 8:10 AM, and all visitors arriving at our school must check-in through the office and receive a visitor's badge. All volunteers must be fingerprinted.

Our staff, Leadership team, and School Site Council reviewed our School Safety Plan in October and November of 2020. Every common area of our school has an Emergency Guidelines flip chart for quick reference in emergency situations. Our school has regularly scheduled emergency drills so that we practice what needs to be done in all emergency situations.

Our school site is also supported by our district's Police Services Department.

Specialized Programs

We have highly qualified staff to assist students with special learning needs. Stone Lake offers specialized classes that meet the needs of preschool students with intensive speech and language needs. Programs/Program for the Acquisition of Language and Social Skills are also available via EGUSD identification. We also have an Academic, Behavior and Social Supports class for specially identified first and second grade students. In addition, our school also added an Integrated Preschool Class.

Our Learning Center services special education students and general education students who need additional support to meet the standards. We also offer English Language Development support for our limited English speakers. Our school also utilizes the services of a speech specialist to offer support for students with speech and language needs. In addition, Stone Lake has also secured the services of a Mental Health Therapist to offer support for our students as well.

Average Salaries

Data reported are the district's average salaries for teachers, principals, and superintendents, compared to the state average salaries for districts of the same type and size, as defined by Education Code Section 41409.

Teachers	EGUSD 50,000+ ADA	State Average 20,000+ ADA
Beginning	\$47,193	\$50,029
Midrange	\$67,621	\$77,680
Highest	\$98,138	\$102,143
Principals		
Elementary	\$124,714	\$128,526
Middle	\$121,146	\$133,574
High	\$136,759	\$147,006
District Superintendent	\$351,385	\$284,736
Share of budget used for		
Teachers' Salaries	36.0%	33.0%
Administrative Salaries	4.0%	5.0%
