Stakeholder Engagement

1. Involvement Process for LCAP and Annual Update

How, when, and with whom did the school consult as part of the planning process for this LCAP/Annual Review and Analysis?

Our staff worked together to review and analyze last year's LCAP plan and its impact on students as it relates to the Eight State Priorities and EGUSD's Strategic Goals. The Leadership Team met throughout the year to discuss actions and services that would appropriately support students and teaching. Staff was provided a survey to seek input for goal setting for 2025-26 school year. Our PBIS Team Tier I met monthly and Tier II met biweekly to track student discipline data and both teams completed the PBIS Fidelity Inventory to assess our progress towards our goals.

During Title One meetings, site data was shared and members' feedback was solicited. Our Vice Principal met periodically throughout the year with our Multilingual Learner Community - targeted on how we can best serve our MLE Students and seeking stakeholder input that drives the LCAP planning process. Our School Site Council reviewed data related to EGUSD's Strategic Goals and our progress toward these goals. The Council provided input and suggestions based on student need. This, in conjunction with ongoing and continued conversations with all stakeholders, has provided valuable input for creating this year's LCAP. The following were opportunities for stakeholders to be a part of the planning process for this LCAP/Annual Review and Analysis:

- Grade Level Leadership Team Meetings on 8/4/25, 9/01/25, 9/29/25, 10/27/25, 12/15/25, 1/26/26, 3/23/26, 4/08/26, 4/27/26
- School Site Council on 9/25/25, 11/13/25, 1/29/26, 4/22/26
- ELAC on 9/05/25, 3/12/26, 4/16/25

- Staff meetings on 8/11/25, 9/22/25, 10/13/25, 11/10/25, 1/12/26, 2/02/26, 3/02/26, 3/30/26, 5/11/26, 6/08/26
- Back to School Night and Title One Meeting on 7/17/25
 - Continual input sought through ongoing stakeholder and parent communication through zoom meetings, parent nights, awards assemblies & school functions

2. Impact of LCAP and Annual Update

How did these consultations affect the LCAP for the upcoming year?

The ongoing inclusion of our stakeholders allowed them to provide meaningful input which we were able to integrate into our LCAP. This process also allowed us to gather feedback from stakeholder groups that had not previously participated in the school plan development process.

The following budget items were modified or added:

- We are adding funding for ASSIST support as district funding has decreased.
- We are continuing enrichment opportunities for our students, including music classes, dance clubs, and expanding our creative writing club.
- We have identified two student groups in need of additional support: Long Term English Learners and Students with Disabilities. Funds have been set aside for additional professional development to strengthen integrated ELD instruction, teacher knowledge embedding language objectives in ELA lessons, and increasing teacher knowledge of strategies to support learning disabilities in the general education classroom.

Resource Inequities (ATSI, TSI and CSI designated schools only)

Briefly describe any resource inequities identified by the site needs assessment.

Definition: A resource inequity is a change you will make from your past practice to a new innovation to improve support for your most at-risk students. This change could include reallocating resources such as staff, funding, time, space, etc.
