

## California Department of Education School Accountability Report Card

Reported Using Data from the 2022 - 2023 School Year  
Published During 2023 - 2024

**For: Edna Batey Elementary**

**Address:** 9421 Stonebrook Dr, Elk Grove, CA 95624  
**Principal:** William Jones

**Phone:** 916-714-5520  
**Grade Span:** K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2023 - 2024)

Dear Batey Families,

Vice Principal Mrs. Matt and I are proud to be Batey Bobcats! The educational foundation in place at Edna Batey speaks to the hard work and dedication of the staff and community in the previous years and we are excited to be a part of this school.

The EGUSD mission is to challenge all of our students to realize their greatest potential. That is clearly evident in all that our staff supports for our students. We are committed to a region-wide effort that supports our district's mission, from our Transitional K classes through 12th grade. The administrators of the Pleasant Grove Region recognize that it takes all of us to work together.

We welcome parents as partners in their child's learning adventure. Parent involvement is an essential component of our school. Your support is given, recognized, and appreciated. Some parents help plan the programs and policies, while others serve as classroom volunteers, plan family activities, or serve as art docents. We welcome parental input at any time through our School Site Council meetings, English Language Advisory Committee, the PTA, or any number of other committees. Parents also support student success by providing space, time, and encouragement for daily homework and by sending a clear message that education and regular school attendance are important to the family.

At Batey, our Positive Behavioral Interventions and Support (PBIS) system continues to be successful. Together we support the BOBCAT PACT and expect students and staff to honor our agreements to Be Safe, Responsible, Respectful, and Resourceful. We enjoy a positive school environment not only for our students, but for our staff and parents as well. Thank you for your continued support.

Respectfully,

Will Jones  
Principal, Edna Batey Elementary School

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

#### Teacher Preparation and Placement (School Year 2020 - 2021)

## School Facility Conditions and Planned Improvements (School Year 2023 - 2024)

Edna Batey has 36 classrooms spread across five main instructional wings. Each wing contains shared storage and workrooms for teachers. We have a multipurpose room that serves as a cafeteria and auditorium with a performance stage. Our library wing contains the library, computer lab and learning center that houses some of our special education programs. Currently, we have students in Transitional Kindergarten (TK) through 6th grade, including six self-contained special education classrooms. Our campus was built in 2003 with permanent classroom spaces. We have two playgrounds: one for our 1st - 6th grade students and one for our TK and Kindergarten age students. Our field has a running track, soccer fields, shade structure, and a baseball diamond.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at top levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Maintenance continues to keep the site upgraded. Our main playground was resurfaced during the summer of 2015.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessment [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing state-administered assessments Percentage of Students Meeting or Exceeding the State Standards

Subject	School 2021 - 2022	School 2022 - 2023	District 2021 - 2022	District 2022 - 2023	State 2021 - 2022	State 2022 - 2023

Mathematics (grades 3-8 and 11)	60%	59%	40%	40%	33%	34%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### [Opportunities for Parental Involvement \(School Year 2023 - 2024\)](#)

As stakeholders in your child's education, we rely on your input and support of our school and programs. We have a very active PTA that supports us in many ways. Our School Site Council, English Language Learners Advisory Committee, and GATE Advisory, guide the administration with school governance and our LCAP Priorities. We have Watch DOGS and parent volunteers in many of our classrooms. We encourage you to contact Mr. Jones ([whjones@egusd.net](mailto:whjones@egusd.net)), or Mrs. Matt ([rmatt@egusd.net](mailto:rmatt@egusd.net)) or your child's teacher to learn more about getting involved.

**State Priority: School Climate**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### [School Safety Plan \(School Year 2023 - 2024\)](#)

Your child's safety is important to us. We are committed to providing a safe, secure environment for learning. Our staff and SSC updated our Comprehensive Safe School Plan in February 2023. The plan includes our anti-bullying policy, character education and safety practices. A review of the plan also occurs the beginning of the year with our staff. An "Emergency Packet" outlining a plan of action for emergencies is posted in all public areas and in each classroom. Periodic school safety inspections are conducted by the County of Sacramento. Visitors are asked to check in and enter the premises through the office. Access is controlled during the day and adult supervision is provided before and after school. EGUSD Police Services works closely with us to provide a safe and secure environment for our students.

Note: Cells with N/A values do not require data.

### Types of Services Funded (Fiscal Year 2023 - 2024)

We have a highly qualified staff to assist students in many ways. Our Education Specialists in the Learning Center work with teachers to support students who are on an Individualized Education Program (IEP). Strong collaboration between the site staff and administrators ensure that all students have an opportunity to be successful in school. We support students with mild/ moderate to moderate/severe disabilities. Batey also offers related services to ensure that students with disabilities receive educational benefits in the Least Restrictive Environment. Our intervention team includes teachers who support English Learners in the classroom in small groups. We offer some Intercession and Extended Day classes based on student needs. Our GATE program continues to grow and supports Grades 4-6, who are ready for the challenge of an accelerated program.

## Teacher and Administrative Salaries (Fiscal Year 2021 - 2022)

## Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. Our school is focused on implementing Professional Learning Communities that will support all of our school initiatives. Our site has two leadership teams that plan and guide professional development needs on campus - one supports our site's AVID (Advancement Via Individual Determination) initiative, and the other that supports the implementation of our PBIS multi-tiered systems framework and School Climate. Batey also has three teachers (Kinder-2nd grade) who participate in district FIT (Facilitators of Instruction) professional development. These representatives attend district trainings and bring back to the site information about district-wide assessments. Grade level representatives at Batey are also receiving training through Responsive Classroom and GLAD - Guided Language Acquisition and Design. Our special education staff also meets regularly to determine their instructional needs. Our district offers a variety of opportunities for teachers to pursue other areas of interest as well. EGUSD also offers many opportunities for our support staff with topics related to their positions. Staff development is provided on a continual basis at site and district level through the Curriculum and Professional Learning Department.
