

California Department of Education School Accountability Report Card

Reported Using Data from the 2023 - 2024 School Year
Published During 2024 - 2025

For: Maeola Beitzel Elementary

Address: 8140 Caymus Dr, Sacramento, CA 95829
Principal: Lynn Garverick

Phone: 916-688-8484
Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu>.

School Description and Mission Statement (School Year 2024 - 2025)

Maeola R. Beitzel Elementary School
A "Second Home" to Students, Families, and Staff!

The goal of Maeola R. Beitzel Elementary School is to provide a unique and challenging educational experience for all children in a safe and caring environment. All aspects of the school contribute to providing children with the skills they need to be successful learners- from the safety of our campus, to the caring environment, to the rigor and breadth of our instructional programs. We believe every child can achieve academic success. To this end, every child will be provided with quality instructional experiences that recognize, support, and maintain high expectations for all students. We strive to make Maeola R. Beitzel Elementary School a "second home" to our students, families, and staff.

The Elk Grove Unified School District's mission is to provide a learning community that challenges ALL students to realize their greatest potential.

Parent support and involvement continue to be important aspects of the success of Maeola R. Beitzel Elementary School. This support takes many different forms. Some parents help plan the programs and policies, others serve as classroom and library volunteers and/or plan family activities. Parents also support student success by providing space, time, and encouragement for daily homework and by sending a clear message that education and regular school attendance are important.

The safety of our students is Maeola R. Beitzel Elementary School's first priority. We embrace the philosophy of positive behavior intervention and support (PBIS) and emphasize the character traits of respect, responsibility, and cooperation. Through teamwork, open communication, and dedication to continuous improvement, Maeola R. Beitzel Elementary School continues to be a place where children develop a love of learning.

Mr. Lynn Garverick, Principal
Maeola R. Beitzel Elementary

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (School Year 2024 - 2025)

Our school has 36 classrooms, two smaller Learning Center classrooms, a computer lab, a multipurpose room, a library, and an administration building. The campus opened in 1996 and facilities were refreshed in 2023-24. Our custodial and grounds teams ensure that our campus remains clean and safe. The FIT inspection indicates that all areas of the school are maintained properly. The principal works with the custodial and grounds teams to develop cleaning schedules. All classrooms, cafeteria and bathrooms are cleaned nightly, regular inspections of bathrooms happen throughout the day. Our maintenance team regularly maintains our campus.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds department work in concert with the school's custodial team to ensure that school buildings, classrooms, and grounds are maintained at levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school custodians work as a team to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

In November 2016, voters residing within EGUSD overwhelmingly voted to pass Measure M, the District's first ever general obligation school facilities bond measure. Measure M will provide EGUSD students and the community with \$476 million in critical improvements to existing school buildings and grounds. Maeola R. Beitzel Elementary School's roof renovation has been completed and our classroom/facade renovation will begin on November 20, 2023, and run through September of 2024. All classrooms were installed with new AV Technology in October/November of 2021.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).
- The CAASPP System encompasses the following assessments and student participation requirements:
 1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2024 - 2025\)](#)

The most important way to be involved is to support your child in understanding the importance of their learning. We also encourage our families to collaborate with our staff to help our students become responsible citizens. We have a number of parent groups and organizations where you can serve, including volunteering in classrooms to support special projects. For more information on parent involvement activities, you may contact the principal, Mr. Lynn Garverick, at 916-688-8484. We look forward to meeting you soon.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2024 - 2025)

Our district and school are committed to providing a safe, secure environment for learning. Our staff reviewed and updated our School Safety Plan in September of 2024. Students practice a variety of safety drills monthly and regular positive behavior assemblies are held to remind students and staff of expectations and safe, responsible, and respectful practices. An "Emergency Handbook" outlining a plan of action for emergencies is kept in the school office. Random, periodic school safety inspections are conducted by the County of Sacramento. Visitors are asked to check in and enter the premises through the office, and adult supervision is provided before and after school. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students.

Types of Services Funded (Fiscal Year 2023 - 2024)

Maeola R. Beitzel Elementary School has highly qualified staff to assist students with special learning needs. Specialized instruction in English Language Development is available to help our English Learners access the core curriculum. English Learners are provided with English Language Development five days per week for 30 minutes while their English-only peers are provided with instruction that meets their individual needs. Academically talented students in grades 3-6 may participate in our Beitzel GATE Program through GATE funding. After school enrichment in science, VAPA, and art are offered, some at a nominal fee or at no charge.

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. For the 2024-2025 school year, our staff will continue to focus on the implementation of the Illuminate Program, and the California Common Core State Standards in math and English language arts. Moreover, we continued our focus on building effective Professional Learning Communities (PLC). Teachers meet weekly in TK/kindergarten through sixth grades to analyze data, review student progress, and plan instruction based on student data. Staff collaborates in teams as a professional learning community to focus on teaching and learning. Administration and consult coaches plan professional development for staff based on needs. Finally, the Elk Grove Unified School District offers a variety of classes for support staff, such as school secretaries, office clerks, and custodians.
