

**California Department of Education**  
**School Accountability Report Card**  
**Reported Using Data from the 2020 - 2021 School Year**  
Published During 2021 - 2022

**For: Calvine High School**

**Address:** 8333 Vintage Park Dr, Sacramento, CA 95828  
**Principal:** Tobi Page

**Phone:** 916-689-7502  
**Grade Span:** 9-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

**Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2021 - 2022)

Calvine High School fully supports our district's mission to provide a learning community that challenges ALL students to realize their greatest potential. During the coming school year, we will work to ensure that:

- Every student is learning in Every Classroom, in Every Subject, Every Day to Prepare College and Career Ready Graduates.

At Calvine High School, we maintain partnerships with individuals and organizations in our community to increase student success and create new learning opportunities for our students. Including our work with the district and community leaders to initiate a series of community events with a specific focus on student support, lifelong learning, and career technical education. This year, Calvine High School is pleased to add two new CTE Pathways to our instructional program: Mechanical Systems Installation and Design and IT (Information Technology) Support Specialist.

Calvine High is a Title I school, which means we will receive additional funding from the federal government to create programs that boost student academic achievement and wellness. To support our goals, we encourage strong parent and community involvement. Please join us by participating in the school site council and Title 1 meetings to discuss student support programs.

The safety and success of our students are a priority at Calvine High School. We offer a two-tiered Positive Behavior Intervention and Supports program that supports students to achieve that goal. At Calvine High School, we emphasize our core values: Considerate, Productive, and Responsible.

We look forward to partnering with you,  
Ms. Tobi Page  
Principal of Calvine High School

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

#### Teacher Preparation and Placement (School Year 2019 - 2020)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

**School Facility Conditions and Planned Improvements (School Year 2021 - 2022)**

This school has 10 classrooms, a multipurpose room, and an administration building. The main campus was built in 1991.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. A summary of these standards is available at the school office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Summer of 2019, the roof was replaced on all Calvin classrooms and buildings. Fall of 2021, the shop building was renovated for the Mechanical Systems Installation and Repair Program.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

- **SARC Reporting in the 2020 - 2021 School Year Only**

Where the most viable option, LEAs were required to administer the statewide summative assessments for ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

- **Options:** Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

Note: The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

Note: The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

### Career Technical Education Programs (School Year 2021 - 2022)

Our school prepares students to succeed in real-world contexts by developing conceptual thinking, effective communication, and the ability to apply knowledge and skills learned in the classroom. Our teachers have directed efforts toward establishing school-to-work structures within curricular areas for all students, including those with special needs. Advisors/Guidance Counselors offer additional support. Calvin CTE Pathways: Mechanical Systems Installation Design- Pathway provides students with the understanding of Plumbing, Heating/Ventilating and Air Conditioning, Solar System Installation, and other skilled trades that residential and commercial construction utilize and more! IT (Information Technology) Support Specialist - Prepares students for careers in computer technical support. Students have the opportunity to gain the Google IT Support and Professional Certificate and learn cybersecurity skills and more! Regardless of the career path chosen, Calvin High School makes every effort to work with the students to meet district and state graduation standards.

### Career Technical Education Participation (School Year 2020 - 2021)

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### [Opportunities for Parental Involvement \(School Year 2021 - 2022\)](#)

All parents are welcome and encouraged to attend our annual Back to School Night in the fall and Open House in the spring. In addition, the School Site Council works with the principal to develop and monitor school improvement plans and spending of funds. For more information on parent involvement opportunities, you may contact the principal, Ms. Page, at 689-7502.

**School Safety Plan (School Year 2021 - 2022)**

Safety is our highest priority, in order to maintain order and the instructional environment. In Jan 2022, our staff reviewed and updated our School Safety Plan, which includes an emphasis on student safety before, during, and after school. The office houses the "Emergency Handbook", which outlines a plan of action for emergencies such as earthquakes, fires, floods, campus intruders and chemical spills. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students. The campus perimeter is enclosed by a gated fence, to ensure safety and protection during school hours. Prior to visiting the Calvine campus, visitors must receive must be cleared by Calvine Administration. All visitors are required to complete a visitation sign-in sheet in the Main Office.

Professional Development

The district provides a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. Our staff development focuses on assessment and classroom instruction. Every Monday is an early release day, which provides Calvine Staff focused time to work with district coaches on instructional and wellness programs.

## Addendum

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC Web Application as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020-2021 school year in order to meet the federal Every Student Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020-2021 school year and the 2020-2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC Web Application. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020-2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.

Note: N/T values indicate that the schools in this LEA did not test students using the CAASPP for ELA.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.
