

California Department of Education School Accountability Report Card

Reported Using Data from the 2021 - 2022 School Year
Published During 2022 - 2023

For: Calvine High School

Address: 8333 Vintage Park Dr, Sacramento, CA 95828
Principal: Tobi Page

Phone: 916-689-7502
Grade Span: 9-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2022 - 2023)

Calvine High School fully supports our district's mission to provide a learning community that challenges ALL students to realize their greatest potential. During the coming school year, we will work to ensure that:

- Every student is learning in Every Classroom, in Every Subject, Every Day to Prepare College and Career Ready Graduates.

Calvine High School provides a supportive learning environment for students who benefit from an alternative setting. Our classrooms are engaging, and students receive rigorous standards-based instruction. Our PBIS program offers two tiers of support, which provides a supportive and warm school community. We maintain partnerships with individuals and community organizations to provide opportunities to expand student learning. Our instructional program includes two CTE Pathways (Mechanical Systems and Information Technology), Visual Arts, and English Language Learner support.

Calvine High is a Title I school, which means we will receive additional funding from the federal government to create programs that boost student academic achievement and wellness. To support our goals, we encourage strong parent and community involvement. Calvine families are always welcome to attend and participate in the school site council and Title 1 meetings to discuss student support programs.

The safety and success of our students are a priority at Calvine High School. At Calvine High School, we emphasize our core values: Considerate, Productive, and Responsible.

We look forward to partnering with you,
Ms. Tobi Page
Principal of Calvine High School

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Preparation and Placement (School Year 2020 - 2021)

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements (School Year 2022 - 2023)

This school has 11 classrooms, a multipurpose room, and an administration building. The main campus was built in 1991.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. A summary of these standards is available at the school office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Summer of 2019, the roof was replaced on all Calvine classrooms and buildings. Fall of 2021, the shop building was renovated for the Mechanical Systems Installation and Repair Program.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment Percentage of Students Meeting or Exceeding the State Standards

Subject	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022
English Language Arts/Literacy (grades 3-8 and 11)	N/A	5	N/A	52	N/A	47
Mathematics (grades 3-8 and 11)	N/A	0	N/A	40	N/A	33

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Career Technical Education Programs (School Year 2022 - 2023)

Our school prepares students to succeed in real-world contexts by developing conceptual thinking, effective communication, and the ability to apply knowledge and skills learned in the classroom. Our teachers have directed efforts toward establishing school-to-work structures within curricular areas for all students, including those with special needs. Advisors/Guidance Counselors offer additional support. Calvin CTE Pathways: Mechanical Systems Installation Design-Pathway curriculum covers Plumbing, Heating/Ventilating and Air Conditioning, Solar System Installation, and other skilled trades that residential and commercial construction utilize and more! IT (Information Technology) Support Specialist - Prepares students for careers in computer technical support. Students have the opportunity to gain the Google IT Support and Professional Certificate and learn cybersecurity skills and more! In addition to the pathways, Calvin High School makes every effort to work with the students to meet district and state graduation standards.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022

Expulsions	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%

Note: Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Suspensions and Expulsions for School Year 2019 - 2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019 - 2020	District 2019 - 2020	State 2019 - 2020
Suspensions	6.09%	4.02%	2.45%
Expulsions	0.36%	0.03%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

[School Safety Plan \(School Year 2022 - 2023\)](#)

Safety is our highest priority, in order to maintain order and the instructional environment. In February 2023 our staff reviewed and updated our School Safety Plan, which includes an emphasis on student safety before, during, and after school. The office houses the "Emergency Handbook", which outlines a plan of action for emergencies such as earthquakes, fires, floods, campus intruders and chemical spills. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students. The campus perimeter is enclosed by a gated fence, to ensure safety and protection during school hours. Prior to visiting the Calvin campus, visitors must receive must be cleared by Calvin Administration. All visitors are required to complete a visitation sign-in sheet in the Main Office.

Professional Development

The district provides a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. Our staff development focuses on assessment and classroom instruction. Every Monday is an early release day, which provides Calvin Staff focused time to work with district coaches on instructional and wellness programs.
