

## California Department of Education School Accountability Report Card

Reported Using Data from the 2021 - 2022 School Year  
Published During 2022 - 2023

### For: Carroll Elementary

**Address:** 10325 Stathos Dr, Elk Grove, CA 95757  
**Principal:** Jackie Ferreira

**Phone:** 916-714-0106  
**Grade Span:** K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2022 - 2023)

Carroll Elementary School  
"Reach for the Stars"

Carroll Elementary is a school dedicated to every student learning in every classroom, in every subject, every day to prepare college and career ready graduates. Our staff at Carroll is committed to providing a caring, equitable, and supportive learning environment while ensuring that all students are able to achieve academic success at high levels. We will meet this goal through the continued and shared commitment of families, students, teachers, staff, and community.

Every student who enters our campus will be a part of a thriving educational community where the success of our students is the priority. We are committed to providing a learning environment where all students will have an equal opportunity to learn in a culturally responsive, physically, and emotionally safe environment. We are also steadfast in engaging parent, family, and community partnerships. Family engagement is one of the many strengths at Carroll because we offer so many opportunities for families to be involved and informed.

The health and safety of our students is our school's first priority. As a PBIS (Positive Behavioral Interventions and Supports) school, we expect and reward our students when they make safe, respectful, responsible, and kind choices. Our staff will continue to ensure a healthy, safe, and positive learning environment while challenging all students to realize their greatest potential.

Sincerely,  
Jack Ferreira, Principal

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Teacher Preparation and Placement (School Year 2020 - 2021)

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

### School Facility Conditions and Planned Improvements (School Year 2022 - 2023)

Carroll Elementary School opened in 2006. It was named after the first Carroll School, built in 1877 in the historic town of Bruceville. The current school includes 40 classrooms, an administration building, a multi-purpose room, a computer lab, a learning center, and a beautiful library building. Our campus boasts two playground areas. Our school has a kindergarten play area, as well as a larger play area for grades 1 through 6. Both of these playgrounds include a blacktop area, large shade structure, age appropriate play structures, and grassy fields. In the larger playground, we have a track for running. Our main classroom buildings include teacher classrooms, as well as small group instruction areas in a central hallway to which all classrooms have access. Our kindergarten building has a teacher workspace separate from the classrooms for use in planning and preparation for instruction. Storage space to accommodate our year-round schedule is included in each building.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in collaboration with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Needed repairs and on-going maintenance are completed by our site and/or district staff in a timely and professional manner as they are encountered. Bond Measure M, approved by voters, will enable EGUSD to update our facility in order to continue meeting the needs of our school community. Through the approval of Measure M, our campus received a large shade structure located near our main play structure. Please visit the district web page for more information.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment Percentage of Students Meeting or Exceeding the State Standards

Subject	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022
English Language Arts/Literacy (grades 3-8 and 11)	N/A	63	N/A	52	N/A	47
Mathematics (grades 3-8 and 11)	N/A	56	N/A	40	N/A	33

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group for students taking and completing a state-administered assessment - Grades Three through Eight and Grade Eleven (School Year 2021 - 2022)

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### [Opportunities for Parental Involvement \(School Year 2022 - 2023\)](#)

Carroll Elementary is dedicated to the partnership between home and school. Parents are encouraged to volunteer in classrooms, chaperone field trips, and attend school meetings to provide input. We have a dedicated PTA that plans family activities, special events, as well as raises funds in support of our school. School Site Council, English Learner Advisory Committee, and Equity Committee are other opportunities to become involved in the site's decision making. Contact Jack Ferreira for more information at (916)714-0106 or [jferreir@egusd.net](mailto:jferreir@egusd.net).

**State Priority: School Climate**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022

Expulsions	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%

Note: Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

**Suspensions and Expulsions for School Year 2019 - 2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019 - 2020	District 2019 - 2020	State 2019 - 2020
Suspensions	1.00%	4.02%	2.45%
Expulsions	0.00%	0.03%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

### [School Safety Plan \(School Year 2022 - 2023\)](#)

Your child's safety is important to us at Carroll Elementary. We believe nothing should get in the way of the academic achievement of our students, which is why it is important that our students feel safe. Our staff reviewed and updated our School Safety Plan in February 2022. Part of our site plan includes before and after school safety, as well as a secure, locked campus during the school day. Our office staff uses a visitor management software check-in process. An emergency handbook outlining action plans for emergencies such as earthquakes, fires, and floods is kept in the school office. On-site fire, earthquake and other emergency drills are practiced regularly to ensure staff and students are adequately prepared in case of an emergency. Our district supports our efforts through ongoing support by our Safety and Security Department.

Note: Cells with N/A values do not require data.

**Types of Services Funded (Fiscal Year 2022 - 2023)**

At our school, we have many highly qualified staff to assist students with special learning needs. Our Learning Center services special education students and others needing additional support to meet the standards. Our special education program includes one self-contained classes for students with exceptional needs. We have a speech therapist working with students having identified speech needs. Our inclusion program provides support for students with significant needs in the regular education environment. English Learners benefit from our specialized curriculum during English Language Development instruction. Gifted and Talented students participate in accelerated instruction and have the opportunity to participate in after school enrichment activities. We also have a reading intervention program to ensure that all of our students are progressing toward grade level in this critical skill area.

## Teacher and Administrative Salaries (Fiscal Year 2020 - 2021)

Note: For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

## Professional Development

Our site professional development program changes each year in response to the needs of our staff. This year, we will continue to focus on implementation of Common Core State Standards in Mathematics and English Language Arts, as well as implementing professional learning around high quality instruction. This work supports our Local Control Accountability Plan, which is available for viewing on our site web page. New teachers who have been teaching fewer than two years participate in the district's beginning teacher support program. Our special education teachers and staff have numerous opportunities to learn how to best meet the needs of students with learning disabilities. At the district level, our Curriculum/Professional Learning department offers a variety of workshops for teachers as well as other support staff. Paraprofessional staff, school secretaries, office assistants, and custodians may take coursework--offered through their job-specific departments--that relate to their work.
