

California Department of Education School Accountability Report Card

Reported Using Data from the 2022 - 2023 School Year
Published During 2023 - 2024

For: Helen Carr Castello Elementary

Address: 9850 Fire Poppy Dr, Elk Grove, CA 95757
Principal: Megan Drown-Jones

Phone: 916-686-1725
Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2023 - 2024)

Helen Carr Castello Elementary
A school with a mission to EXPLORE, DREAM, and DISCOVER!

At Helen Carr Castello Elementary School, we are committed to building a culture of academic excellence and enrichment; maintaining a climate that is welcoming, safe, and nurturing; and celebrating cultural and educational diversity!

Helen Carr Castello Elementary truly provides a unique and wonderful educational experience for children: a safe campus, a warm learning environment, exciting and creative educational opportunities, and rigor and breadth of instruction.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential. We focus on supporting our students in reaching our district's goals. Our success in implementing the district's mission can be evidenced through our school's special strengths. These include an outstanding team of teachers, a visual and performing arts and science focus. Our before and after school enrichment programs include art, drama, band, STEAM, mathletes, leadership, digital news crew, and basketball. We continue as a Watch D.O.G.S. school and participate in the National Elementary Honor Society. We have a rigorous and differentiated curriculum supporting all student needs in the regular school day and in after school classes.

As a school, we prioritize maintaining a safe and orderly campus. Additionally, we emphasize student unity, cooperation, and respectful behavior. We truly believe in the support and acceptance of each child's uniqueness.

We are proud of the programs that we build for students. In the past few years, we have enhanced our visual and performing arts, character education, summer school, and enrichment programs. Our student leadership program continues to thrive. Our success is a tribute to the partnership that exists between the staff, the community, and the students.

Thank you and please feel free to contact and/or visit the school.

Mr. Megan Drown-Jones, Principal

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Preparation and Placement (School Year 2020 - 2021)

School Facility Conditions and Planned Improvements (School Year 2023 - 2024)

This school has 36 classrooms, a multipurpose room, a library, a science lab, and an administration building. The campus was built in 2005.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work together with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate any maintenance needs. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to arrival and restrooms are inspected throughout the day to ensure that they are adequately stocked.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

This year we installed slats in the fence to prevent strangers from speaking to students during recess and PE. The District also installed new Epson, ceiling mounted, projectors and speakers into every classroom.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessment [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing state-administered assessments Percentage of Students Meeting or Exceeding the State Standards

Mathematics (grades 3-8 and 11)	56%	57%	40%	40%	33%	34%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2023 - 2024\)](#)

Our partnership with parents sustains our school's sense of community. Parents are encouraged to support their children's schooling by attending school functions such as Back to School Night, student performances, parent conferences, and Open House. Parents are invited join our PTA which hosts numerous events for our school as well as participate on our School Site Council or EL committee. All volunteers need to be fingerprinted. For more information, please contact Principal Megan Drown-Jones at 916-686-1725.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2023 - 2024)

At Helen Carr Castillo we believe that nothing should get in the way of learning. The safety of our students is this school's first priority. Our Positive Behavioral Interventions and Supports (PBIS) plan dictates behavioral expectations and positive incentives. We believe that these positive assets make a difference in our students' well-being. An Emergency Handbook outlining a plan of action for earthquakes, fires, floods, and chemical spills is kept in the office. Emergency drills are conducted regularly. Staff assists with before and after school supervision. The campus gates are locked during school hours. All visitors must register through the front office. Our Safety Plan was updated in September of 2023. The District's Police Services Department works closely with our school to provide a safe, secure environment for all students.

Types of Services Funded (Fiscal Year 2023 - 2024)

At Helen Carr Castello Elementary, we have highly qualified staff members to assist students with specialized learning needs. Our Learning Center provides small group instruction as well as push in support for our special education students. We support our struggling and "at risk" students through our WIN (What I Need) groups, mentors, afternoon school tutoring and small group instruction with an Academic Intervention Teacher (AIT). Gifted and Talented/Accelerated students participate in differentiated and accelerated instruction during extended day opportunities. We have a National Elementary Honor Society chapter at our school site and this program provides additional opportunities for our top scholars.

Professional Development

For the 202 - 2024 school year, Helen Carr Castello Elementary has a professional development emphasis on the Common Core State Standards, progress monitoring of student assessments, Diversity, Equity and Inclusion (DEI), Social and Emotional Learning (SEL), and developing digital learning skills. New teachers who have been teaching fewer than two years are supported by the district's beginning teacher (BTSA) program. They meet regularly with an experienced mentor to discuss their successes, challenges and new ideas for their classrooms. Finally, the district offers a variety of classes for staff both after school and at weekend seminars. Between January 2023 and December 2024, the District is requiring all staff members to participate in 14 hours of Diversity, Equity and Inclusion training, as well as additional training in understanding the Instructional Framework, understanding the power of language acquisition, communicating with families and reviewing our Multi-Tiered Systems of Support (MTSS) program. Instructional aides, school secretaries, office clerks, and custodians will also participate in these classes and may also take classes that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.
