School Accountability Report Card

Reported Using Data from the 2024 - 2025 School Year
Published During 2025 - 2026

For: Cosumnes River Elementary

Address: 13580 Jackson Rd, Sloughhouse, CA 95683
Phone: 916-682-2653
Principal: Ashley Hannon
Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu.

School Description and Mission Statement (School Year 2025 - 2026)

Dear Cosumnes River Elementary Families,

Welcome back to Cosumnes River Elementary, and another promising school year! As your new principal, I look forward to partnering with you to continue the important work our CRES learning community has done to educate our students through effective instruction, strong relationships, and an excitement for learning. If you are new to our school community, we are so glad you are choosing to join us!

A new school year brings new faces, new relationships, and new learning. It also brings high fives, big smiles and new friendships, as well as opportunities to grow, both as educators and children. Regardless of challenges and change, I know our future is bright because I see just how amazing our children are. I promise to maintain a positive and welcoming school culture in which every child, every adult, and every member of our staff is valued for who they are and what they bring to our learning community. We will continue to grow as educators and people to be the best we can be for children.

At Cosumnes River Elementary, we believe that education is a shared journey between students, educators, families, and the broader community. This year we will continue to focus on fostering safe, positive school climate and an equitable and progressive approach to support student success. We are committed to taking care of the whole needs of a child. We have built our social-emotional learning program, intentionally planned our positive behavior interventions and supports, and will continue to support academic success through our high quality instructional practices. We will once again offer a safe and enriching extended day and childcare opportunities through our district EXL Program. Our school year will include field trips, community events and celebrations, and visitors and volunteers are welcome on campus with appropriate permissions.

Communication and partnership with families are essential to our success. We encourage you to stay involved – through our PTA, school events, or simply staying in regular touch with your child's teacher. Our doors are always open, and we value your voice. Our aim is to keep you in the know about your student's education. We are here to serve you as we celebrate our children's growth and move forward together into the next year in Cosumnes River Elementary' s history. It truly will be a great year to be a Roadrunner!

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (School Year 2025 - 2026)

From the fast-paced gold days in the mid-19th century, to the transition to livestock and agriculture, the Sloughhouse area is home to families and farmers creating a network of rural and suburban lifestyles that intertwine and come together along the Cosumnes River. Our campus, including a main two-story building, has 30 classrooms including a Learning Center, multipurpose room, library, computer lab, staff lounge, and our administration building. The original school was built in 1948, and a new, larger, modern school opened its doors in August 2010. There is a district-wide security system, monitored 24/7 along with a large blacktop area, basketball courts, and a playground structure for students in grades 1-6, and a separate playground for TK and Kindergarten students.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The Maintenance and Grounds department collaborates with custodians and administrators to ensure that school buildings and grounds are maintained at exceptional levels to provide a safe, functional and beautiful environment for all students. The district utilizes an electronic work order system enabling administration and custodians to communicate maintenance needs and urgent repairs. Repair needs are immediately resolved by district maintenance staff. The school's custodians work as a team with the administrators to develop a daily cleaning process and schedule. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has also adopted cleaning standards for all schools in the district.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Measure M funds allowed us to add an additional shade structure to our blacktop creating additional bench seating and shade for students. Following the installation, our Parent Teacher Association (PTA) provided new picnic benches as well. A new solid shed was installed near our school garden to house tools and equipment for our garden program. Additionally, our PTA raised money to provide a Ga Ga ball pit and Ball Wall for additional recess and PE activities on campus. Lastly, we were able to upgrade our multipurpose room sound system utilizing emergency relief funding.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

  The CAASPP System encompasses the following assessments and student participation requirements:
  1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

- **College and Career Ready**: The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	68%	69%	41%	43%	35%	37%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2025 - 2026)

There are a number of ways to become involved in your child's education. Family support is critical to student success. Parents can attend Back to School Night, Open House, and parent conferences. Volunteering in your child's classroom, joining PTA, SSC, ELAC and/or supporting with one of our many school-wide activities supports the success of all of our students. For more information on parent involvement opportunities, please contact our school Secretary, Marissa Marinise, at (916) 682-2653 or creseleminfo@egusd.net.

State Priority: School Climate
The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2025 - 2026)

Our staff and School Site Council review and update our Comprehensive Safe School Plan annually. It was last updated in September of 2025. Our students and staff participate in evacuation, earthquake, and lockdown drills. A flipchart to reference emergency protocols, as well as accountability forms, are easily accessible in every classroom. Gates are kept locked throughout the day and visitors are required to check-in through the school office and receive a visitor's badge before coming onto campus. All volunteers and chaperones must be fingerprinted and cleared through EGUSD. Staff members provide supervision before and after school during arrival and dismissal times to ensure that all children are safe.

Types of Services Funded (Fiscal Year 2024 - 2025)

Our school has a variety of programs tailored to meet student needs and interests. Our school has highly qualified staff to assist students with special learning needs. Our academic intervention teacher supports students to progress daily. Students who need support in learning to speak, read, and write English receive daily instruction using specialized curriculum during daily workshop. Students in grades TK-6 receive technology instruction with our computer resource teacher with a focus on keyboarding, the Google platform, and internet safety. In addition, our GATE programs help build community and academic achievement through engaging extra-curricular opportunities, leadership, and volunteerism.

Professional Development

Our school offers a variety of professional learning opportunities for teachers, paraeducators, and non-instructional support staff. Our school has weekly grade level and monthly staff meetings with a focus on student learning. Teachers use this time to review student work, make determinations about students' strengths and growth areas, and to plan instruction to meet the needs of all students. Support staff receives training in effective instructional practices, CPR, first aid, behavior and safety. Site/district trainings in all subject areas support teaching and implementing Common Core State Standards, as well as Next Generation Science Standards. Cosumnes River teachers have had training in effective instructional and engagement strategies for the whole class and small groups. Instruction addresses the needs of all students, including Multilingual Learners and students with disabilities. Several teachers have attended AVID training and participate in ongoing discussions about how to best implement AVID strategies throughout their teaching day. New teachers are supported by the district's Induction program.
