

## California Department of Education School Accountability Report Card

Reported Using Data from the 2023 - 2024 School Year  
Published During 2024 - 2025

For: **C. W. Dillard Elementary**

**Address:** 9721 Dillard Rd, Wilton, CA 95693  
**Principal:** Trina Keating

**Phone:** 916-687-6121  
**Grade Span:** K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

### Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu>.

### School Description and Mission Statement (School Year 2024 - 2025)

Building Strong Students Inspired to Learn

Dear Families,

C.W. Dillard Elementary School is proud to align with the mission of the Elk Grove Unified School District, which is committed to building an inclusive learning community where every student is challenged to reach their highest potential. At Dillard, we share this commitment and dedicate ourselves to providing a high-quality education in a safe and equitable environment for every child, regardless of their background or circumstances.

Our mission at Dillard is to foster a challenging, engaging, and supportive environment that promotes lifelong learning. To achieve this, our talented staff focuses on creating classrooms grounded in social and emotional learning, encouraging positive peer collaboration, and offering rigorous academic opportunities. As the foundational step in your child's educational journey, we are passionate about nurturing a love of learning and ensuring that every student, in every subject, every day, is equipped to become a college, career, and life-ready graduate. A cornerstone of this effort is our implementation of the AVID program (Advancement Via Individual Determination), which helps students develop the skills they need to succeed.

We deeply value the partnership of our families in supporting the success of our students. Your involvement—whether through participation in the Site Council, PTO events, volunteering in classrooms and the library, helping with activities, or attending field trips—plays a vital role in creating a vibrant and thriving school community. Together, we send a powerful message to our students that education and regular attendance are priorities.

Student safety is at the heart of everything we do. Through our Positive Behavioral Interventions & Supports (PBIS) program, we promote respectful, responsible, and safe behavior in a positive environment. We strictly enforce our discipline policy and require all visitors to check in through the school office to maintain a secure and welcoming atmosphere where every student feels comfortable and ready to learn.

At C.W. Dillard Elementary, we believe in teamwork, open communication, and a shared commitment to continuous improvement. With these values guiding us, we create a school where children love to learn and excel.

Warm regards,  
Trina Keating  
Principal  
C.W. Dillard Elementary School

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

#### Teacher Preparation and Placement (School Year 2020 - 2021)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	17.60	100.00%	2617.20	92.08%	228366.10	83.12%

### School Facility Conditions and Planned Improvements (School Year 2024 - 2025)

Dillard School was founded in 1915 and moved to the current location in 1956. Our new buildings were completed on the existing site in 2015. The two-story facility houses all 22 classrooms, administrative offices, multipurpose room, library, learning center, and a computer lab within this one large structure. Playgrounds include two new play structures, one for kindergarten and a larger one for grades 1 - 6. A running track, baseball diamond, and soccer field are available for recess, as well as for community use when school is not in session. Science education is enriched through the Pioneer Garden, a gated area with raised beds, a garden shed and a learning zone for outdoor education.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

Our custodial team works with the district to ensure that school buildings, classrooms, and grounds are well-maintained to provide a safe and functional environment. We utilize an electronic work order system, enabling the site to communicate maintenance needs, urgent repairs, or necessary projects. Repair needs are immediately resolved by our school custodian or district staff. Our custodial team follows a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff arrival, and restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

EGUSD's Measure M bond has funded several projects to enhance facilities at Dillard. A much-needed shade structure was installed during summer, 2020, and our PTO organization provided table that allow students to gather there during recess and for outside educational opportunities. Another Measure M project is the installation of security cameras, which was completed during the 2023 - 2024 school year.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).
- The CAASPP System encompasses the following assessments and student participation requirements:
  1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### [Opportunities for Parental Involvement \(School Year 2024 - 2025\)](#)

There are many ways to become involved in your child's education. Each year we host Back to School Night and Open House. Families participate in a wide variety of cultural and educational activities. Parents are always welcome to volunteer in classrooms, join PTO, or be part of the School Site Council. In addition, parent conferences are held multiple times during the year. For more information on volunteer opportunities, please contact School Secretary Robin Sparks or School Office Assistants Isabel Ebberts or Anna Cools at (916) 687-6121.

**State Priority: School Climate**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan (School Year 2024 - 2025)

We are committed to providing a safe learning environment for all students. We reviewed and updated our School Safety Plan in September 2024. Our facilities adhere to high safety standards. Staff supervise student arrival and dismissal, and during before and after school activities. To maintain security, during the school day all gates are locked and visitors sign into the office upon arrival. All parents follow district guidelines such as fingerprinting clearance before volunteering. An Emergency Handbook outlining response plans for emergencies such as earthquakes, fires, floods and chemical spills is kept in the office. Periodic safety inspections are conducted by the County of Sacramento. Students and staff perform monthly safety drills. The district's Police Services Department works closely with us to provide a secure environment for all students.

### Types of Services Funded (Fiscal Year 2023 - 2024)

<p>Highly qualified staff support diverse student needs. Our Learning Center services special education students. General education students are provided intervention through our Academic Intervention Teacher. English Learners access core curriculum through daily English Language Development instruction within their classrooms. Gifted and Talented students participate in our extended day program PACE (Programs for Accelerating, Creativity, and Enrichment). NEHS (National Elementary Honor Society), the Mandarins band program, Art Club in Cannon's Corner, basketball and volleyball competitive teams, and a Summer Camp program are a few of the activities available to students. In addition, Dillard's ExL program provides children with before and after school care that incorporates homework support and enrichment activities. Meeting all student needs is our highest priority.</p>

## Professional Development

Our district and school offer ongoing support for administration and staff on academics, safety, social-emotional learning, technology, and public policy. All support staff members are also provided ongoing training related to their work and responsibilities. Teachers are developing their skills at providing high quality instruction for all students, across all subjects, with particular emphasis on reading and mathematics. All staff also engage in Diversity, Equity, and Inclusion (DEI) professional development and trainings related to health and safety. Teachers take part in regional professional development opportunities and work with our site-based instructional coach to increase their knowledge and skills. Teachers meet weekly in PLCs to review student assessments and plan instruction to target student needs and provide enrichment. Additionally, special education teachers have numerous opportunities to learn how to best meet the needs of students with learning disabilities. The district offers a variety of classes for support staff. Instructional aides, school secretaries, office clerks, and custodians take classes related to their work, such as learning new computer skills and how to work more efficiently and in ergonomically correct ways.
