By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

**Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2021 - 2022)

In 2021, Elitha Donner Elementary School was recognized as a Positive Behavioral Intervention and Supports (PBIS) Gold Level by the California PBIS Coalition. This recognition reflects our school's success in creating positive and rigorous learning for our students amidst a global pandemic. PBIS is a systems approach for establishing the social culture and behavioral supports needed to provide all students equal opportunities to learn in a culturally responsive, physically and emotionally safe environment. STOP, WALK, TALK is our school-wide bullying prevention program, which is taught and reinforced. In order to be successful in and out of school, students need to learn a set of social and emotional competencies—cooperation, assertiveness, responsibility, empathy, and self-control—and a set of academic competencies—academic mindset, perseverance, learning strategies, and academic behaviors.

Donner's educational program features a wide range of student services to accommodate various learning levels and styles. The school offers general education and special education programs designed to meet student's individual needs, which include an integrated preschool PALSS class and three preschool special day classes, four PALSS classes, a Pre-K Special Education Assessment Center, a Learning Resource Center, and a full inclusion program.

Parents, family, and neighbors embody the core of Donner's community-wide network of support. The staff designs opportunities for all to be fully engaged in goal setting, planning, and execution of efforts to promote the success of all students. Parents are an important part of the Elitha Donner Elementary School family.

School wide communication folders go home each Monday. Additional information can be found on the marquees on the corner of the school campus and above the Multipurpose Room. For more specific information, please continue to view our Elitha Donner Elementary School website at <http://blogs.egusd.net/donner> or visit us on Facebook at <https://m.facebook.com/elithadonnerelementaryschool/>. ### School Facility Conditions and Planned Improvements (School Year 2021 - 2022)

The school is named in honor of twelve-year-old Elitha, daughter of George Donner. Little Elitha was one of the fortunate survivors of the Donner Party tragedy of the Sierra in the winter of 1846-47. Elitha Cumi Donner Wilder lived the rest of her life in the Elk Grove area and is buried in the Elk Grove Cemetery. She is Elk Grove's golden link to the early settlement of California and a symbol of hope for children everywhere. A new permanent set of buildings was constructed at the Elitha Donner site in 1996 to supplement the portable buildings that were used when the school first opened in 1994 as a "hopsotch" school. The school now has 33 classrooms, a multipurpose room, a library, a computer lab, a wellness room, a reading room, and an administration building. Our school houses the EGUSD's Pre-K Special Education Assessment Center, which provides assessments for preschool students' academic and social capacities.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

Our custodial crew takes pride in the cleanliness and maintenance of our school. To help with their efforts, our Campus Beautification and Garden Academy are in full effect with our students and teachers monitoring the cleanliness of our school grounds. Each morning the custodian inspects the school prior to students and staff arrival. Restrooms are inspected throughout the day to ensure that they are adequately stocked and sanitary. Logs are kept in all bathrooms. Monthly facilities checklists are completed and approved. Areas of need are immediately addressed to ensure that our students and staff are provided with a clean, safe, and functional learning environment. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school or district offices.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Priorities identified at Donner: • Major building systems upgrades including heating and air conditioning, alarms and intercom system. • Security measures including camera systems • Technology improvements • Restroom renovations • Play field and playground improvements • Drinking fountains • Interior and exterior paint • Carpeting and flooring improvements Project priorities will be determined by the Board of Education. Not all priorities are guaranteed.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

- **SARC Reporting in the 2020 - 2021 School Year Only**

Where the most viable option, LEAs were required to administer the statewide summative assessments for ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
  - Available to students in grades 3 through 8, and grade 11; and
  - Uniformly administered across a grade, grade span, school, or district to all eligible students.
- **Options:** Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:
    - Smarter Balanced ELA and mathematics summative assessments;
    - Other assessments meeting the SBE criteria; or
    - Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.
  - **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

Note: The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

Note: The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### [Opportunities for Parental Involvement \(School Year 2021 - 2022\)](#)

Eliitha Donner ES values our parents and family's involvement and offers many opportunities for parents to participate in classrooms and support school activities and events. To volunteer please contact your child's teacher or the school office. See our school's website to learn how you can participate in our 5 STAR Parent Recognition Program. **School Safety Plan (School Year 2021 - 2022)**

In July of 2021, our school's Comprehensive Safe School Plan and Crisis Response procedures were updated and reviewed with staff. Included in the plan are monitoring practices that not only address student safety during school hours, but before and after school as well. All campus gates are secured at the beginning of the school day. Visitors entering campus must sign in and wear a visitors badge during their time on campus. 'Emergency Procedures' flip charts are located on the wall in every classroom for immediate access. Students and staff participate in monthly fire drills and quarterly lock down and earthquake drills. A number of staff are CPR, Epi-Pen, & AED trained. This training is certified every year. Our district's Safety and Security department also works with our school site to provide a safe, secure environment for all.

## Professional Development

Elementary students in all EGUSD schools are being taught curriculum in all content areas that are designed to prepare students to meet the expectations of the Common Core State Standards (CCSS). Find more information about Common Core: at <http://blogs.egusd.net/ccss>. Our school participates in both district and school site professional learning opportunities for teachers, instructional aides, and non-instructional support staff. Motivated by a school-wide commitment to equity and accountability, Donner staff participates in Professional Learning Communities. Within these groups, academic, social, emotional, and behavioral data are analyzed to inform planning, instruction, and interventions. As part of the Laguna Creek Regional format, our teachers participate in articulation, observation, and training from a Kindergarten through 12th grade perspective. Instructional Coaches support the professional learning and intervention strategies.

## Addendum

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC Web Application as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020-2021 school year in order to meet the federal Every Student Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020-2021 school year and the 2020-2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC Web Application. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020-2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
