School Accountability Report Card
Reported Using Data from the 2020 - 2021 School Year
Published During 2021 - 2022

For: Harriet Eddy Middle School

Address: 9329 Soaring Oaks Dr, Elk Grove, CA 95758
Principal: C Norma Alston

Phone: 916-683-1302
Grade Span: 7-8

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2021 - 2022)

It is my pleasure to serve our exceptional students, parent community, and staff, and welcome you to Harriet Eddy Middle School. We hope that your child is as eager to start this new school year as we are. Our staff strives to provide an exceptional educational experience for our students. This is accomplished through our collective commitments of High-Quality Instruction, Collaborative Culture, and Community Involvement.

We are proud of our International Baccalaureate (IB) Middle Years Programme (MYP) educational experience. Information regarding our IB MYP implementation is located on the IB Program page on our website. I would also encourage you to visit our Vision page to learn more about Eddy's Initiatives and commitments on providing an Exceptional Educational Experience for all students. Our web address is hems.egusd.net.

This will be my fourth year at HEMS, but my first as the Principal; previously serving as the Vice-Principal and Interim Principal. As an advocate for students first and foremost, my greatest priority is to ensure all students have learning opportunities that are equitable and are facilitated in a safe environment. This includes practices that nurture their physical, mental and social well-being. In addition to providing students with high-quality classroom instruction, we strive to impart to all students a deep understanding of our three school guidelines: *Be Safe *Be Respectful *Be Responsible. These three words serve as the foundation upon which our work is built to foster positive student behavior and attitude.

The Eddy family is composed of teachers, administrators, classified, and support staff who are all vested in student success and wellbeing. Middle school is an exciting time in the lives of students and marks an important transition into a period of life that is characterized by accelerated physical, intellectual, social, and emotional changes. We endeavor to provide a supportive community where students feel like they belong and are safe to mature into the very best global citizens they can be.

In partnership,

C Norma Alston, Principal

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Preparation and Placement (School Year 2019 - 2020)

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements (School Year 2021 - 2022)

Harriet Eddy was opened in 1994 and has 43 classrooms, 2 computer labs, a Career Exploration Center classroom, a multipurpose room, a library, administration building, and 2 gyms. The entire campus is a "Wireless" campus with secured and monitored internet access in all classrooms. Our campus includes a football field, running track, and a large sports field.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments collaboratively works with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

There is one maintenance project planned for HEMS in 2021-2022. A shade structure will be built where the outdoor seating area is located in the quad. This will ensure that students have a cool, shady location in the warmer months. In the colder, wet months, students will have a dry location to sit (during COVID, students have been authorized to eat their meals outside of the Multi-Purpose room).

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

- **SARC Reporting in the 2020 - 2021 School Year Only**

Where the most viable option, LEAs were required to administer the statewide summative assessments for ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

- **Options:** Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

Note: The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2021 - 2022\)](#)

Our school has a School Site Council, School PTO, International Baccalaureate Parent Organization and parent volunteer program called the Hornet's NEST (Nurturing Exceptional Students Together). The Hornet's NEST is our parent group that volunteers on campus during the school day and at events. If you are interested in more information, please contact Scott McCullough at 916-683-1302. *These on-campus events may become available as COVID guidelines enable the school district to do so.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2021 - 2022)

Your child's safety is important to us at Harriet Eddy Middle School. We believe that nothing should get in the way of the academic achievement of our students, which is why it is important that our students feel safe. Our staff annually updates and reviews the safety plan. The plan was reviewed January 2021. The plan includes monitoring practices that not only address student safety during school hours, but before and after school as well. All visitors sign in when entering our campus and wear identification. An Emergency Handbook outlining a plan of action for emergencies is in all classrooms. Periodic school safety inspections are conducted by the County of Sacramento. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students.

HEMS is an International Baccalaureate Middle Years Programme World School in partnership with Laguna Creek High School. Our INSIDE program services not only English Learners but also general education students who need additional support to meet the standards. Our English Language Development teachers, Bilingual Teaching Associates, and SDAIE classes in both history and science help our EL students access the core curriculum. Gifted and Talented students participate in accelerated instruction in Math, English, & History. Students who need extra tutoring or homework help are welcome to participate in our tutor programs available Monday-Thursday. We have also instituted a support program in mathematics to help students prepare themselves to successfully complete Math 1 by the end of ninth grade. This includes an effective peer and virtual tutoring program in mathematics.

Professional Development

Harriet Eddy has a professional development emphasis on the use of the Professional Learning Community (PLC) Process to assess the effectiveness of our instruction and student learning. In addition, there is a major emphasis on building relationships with students and culturally responsive teaching strategies. The Leadership team has adopted school-wide Positive Behavior Intervention and Supports to foster and maintain a positive learning environment. Our staff participates in International Baccalaureate (IB) and PLC aligned professional development throughout the year. These multi-day trainings provide training to implement the Middle Year's Programme.

Addendum

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC Web Application as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020-2021 school year in order to meet the federal Every Student Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020-2021 school year and the 2020-2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC Web Application. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020-2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.

*At or above the grade-level standard in the context of the local assessment administered.

Note: LEAs/schools will populate this table for schools in cases where the school administered a local assessment.

Note: LEAs/schools will populate double dashes (--) in this table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: In cases where all the schools in this LEA administered only the CAASPP for ELA assessment, LEAs/schools will populate this table with "N/A" values in all cells, meaning this table is Not Applicable for this LEA.
