

California Department of Education School Accountability Report Card

Reported Using Data from the 2023 - 2024 School Year
Published During 2024 - 2025

For: Harriet Eddy Middle School

Address: 9329 Soaring Oaks Dr, Elk Grove, CA 95758
Principal: C Norma Gillis

Phone: 916-683-1302
Grade Span: 7-8

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu>.

School Description and Mission Statement (School Year 2024 - 2025)

It is my pleasure to serve our exceptional students, parent community, and staff, and welcome you to Harriet Eddy Middle School. We hope that your child is as eager to start this new school year as we are. Our staff strives to provide an exceptional educational experience for our students. This is accomplished through our collective commitments of High-Quality Instruction, Collaborative Culture, and Community Involvement.

We are proud of our International Baccalaureate (IB) Middle Years Programme (MYP) educational experience. Information regarding our IB MYP implementation is located on the IB Program page on our website. I would also encourage you to visit our Vision page to learn more about Eddy's Initiatives and commitments to providing an Exceptional Educational Experience for all students. Our web address is hems.egusd.net.

This will be my seventh year at HEMS, and my fifth as the Principal, previously serving as the Vice-Principal. As an advocate for students first and foremost, my greatest priority is to ensure all students have learning opportunities that are equitable and facilitated in a safe environment. This includes practices that nurture their physical, mental, and social well-being. In addition to providing students with high-quality classroom instruction, we strive to impart to all students a deep understanding of our three school guidelines: *Be Safe *Be Respectful *Be Responsible. These three phrases serve as a foundation upon which our work is built to foster positive student behavior and attitude.

The Eddy family is composed of teachers, administrators, classified, and support staff who are all vested in student success and well-being. Middle school is an exciting time in the lives of students and marks an important transition into a period of life that is characterized by accelerated physical, intellectual, social, and emotional changes. We endeavor to provide a supportive community where students feel like they belong and are safe to mature into the very best global citizens they can be.

In partnership,

C Norma Gillis, Principal

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Preparation and Placement (School Year 2020 - 2021)

School Facility Conditions and Planned Improvements (School Year 2024 - 2025)

Harriet Eddy was opened in 1994 and has 43 classrooms, a Career Exploration Center classroom, a multipurpose room, a library, an administration building, and 2 gyms. The entire campus is a "wireless" campus with secured and monitored internet access in all classrooms. Our campus includes a football field, a running track, a dedicated dance room, a band room, an art room complete with ceramic wheels, a blacktop with multiple basketball courts, and a large sports field.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments collaboratively work with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

A shade structure was completed in 2023 which now ensures that students have an area to enjoy during inclement or extreme weather.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).
- The CAASPP System encompasses the following assessments and student participation requirements:
 1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

HEMS has a School Site Council, an English Language Advisory Committee, and School PTO, and we gladly welcome authorized parents and/or guardians on campus to "shadow" their student for a day. It takes a village to raise a child and if you would like to partner with the school for the day, or are interested in more information, please contact School Secretary, Kim Genereux, at 916-683-1302.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2024 - 2025)

Your child's safety is important to us at Harriet Eddy Middle School. We believe that nothing should get in the way of the academic achievement of our students, which is why it is important that our students feel safe. Our staff annually updates and reviews the safety plan. The plan was reviewed in January 2024. The plan includes monitoring practices that not only address student safety during school hours but before and after school as well. All visitors are required to sign in when entering our campus and wear identification. An Emergency Handbook outlining a plan of action for emergencies is in all classrooms. Periodic school safety inspections are conducted by the County of Sacramento. The district's Police Services Department works closely with our school site, and Campus Supervisors are assigned to HEMS, to provide a safe, secure environment for all students.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Types of Services Funded (Fiscal Year 2023 - 2024)

HEMS is an International Baccalaureate Middle Years Programme World School in partnership with Laguna Creek High School. Our INSIDE program services not only English Learners but also general education students who need additional support to meet the standards. Our English Language Development teachers, Bilingual Teaching Associates, and SDAIE classes in both history and science help our EL students access the core curriculum. Gifted and Talented students participate in accelerated instruction in Math, English, and History. Students who need extra tutoring or homework help are welcome to participate in our tutor programs available each Tuesday and Thursday in the school library from 3:15-4:15. Free online tutoring, Varsitytutors.com, has been secured by the District for all students and can be accessed in the student portal.

Professional Development

Harriet Eddy has a professional development emphasis on the use of the Professional Learning Community (PLC) Process to assess the effectiveness of our instruction and student learning. In addition, there is a major emphasis on building relationships with students and culturally responsive teaching strategies. The Leadership team has adopted school-wide Positive Behavior Intervention and Support to foster and maintain a positive learning environment. We also are greatly invested in the process of restoring any harm to others through Restorative Justice and Practices. All school personnel will be trained fully on how to utilize and incorporate Restorative Practices in the classroom. Our staff participates in International Baccalaureate (IB) and PLC-aligned professional development throughout the year. These multi-day trainings provide training to implement the Middle Year's Programme.
