

## California Department of Education School Accountability Report Card

Reported Using Data from the 2021 - 2022 School Year  
Published During 2022 - 2023

**For: Harriet Eddy Middle School**

**Address:** 9329 Soaring Oaks Dr, Elk Grove, CA 95758  
**Principal:** C Norma Gillis

**Phone:** 916-683-1302  
**Grade Span:** 7-8

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2022 - 2023)

It is my pleasure to serve our exceptional students, parent community, and staff, and welcome you to Harriet Eddy Middle School. We hope that your child is as eager to start this new school year as we are. Our staff strives to provide an exceptional educational experience for our students. This is accomplished through our collective commitments of High-Quality Instruction, Collaborative Culture, and Community Involvement.

We are proud of our International Baccalaureate (IB) Middle Years Programme (MYP) educational experience. Information regarding our IB MYP implementation is located on the IB Program page on our website. I would also encourage you to visit our Vision page to learn more about Eddy's Initiatives and commitments to providing an Exceptional Educational Experience for all students. Our web address is [hems.egusd.net](http://hems.egusd.net).

This will be my fifth year at HEMS, and my second as the Principal; previously serving as the Vice-Principal and Interim Principal. As an advocate for students first and foremost, my greatest priority is to ensure all students have learning opportunities that are equitable and facilitated in a safe environment. This includes practices that nurture their physical, mental and social well-being. In addition to providing students with high-quality classroom instruction, we strive to impart to all students a deep understanding of our three school guidelines: \*Be Safe \*Be Respectful \*Be Responsible. These three phrases serve as a foundation upon which our work is built to foster positive student behavior and attitude.

The Eddy family is composed of teachers, administrators, classified, and support staff who are all vested in student success and well-being. Middle school is an exciting time in the lives of students and marks an important transition into a period of life that is characterized by accelerated physical, intellectual, social, and emotional changes. We endeavor to provide a supportive community where students feel like they belong and are safe to mature into the very best global citizens they can be.

In partnership,

C Norma Gillis, Principal

### School Facility Conditions and Planned Improvements (School Year 2022 - 2023)

Harriet Eddy was opened in 1994 and has 43 classrooms, 1 computer lab, a Career Exploration Center classroom, a multipurpose room, a library, an administration building, and 2 gyms. The entire campus is a "Wireless" campus with secured and monitored internet access in all classrooms. Our campus includes a football field, a running track, and a large sports field.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments collaboratively works with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

There is one maintenance project planned for HEMS in 2022-2023. A shade structure will be built where the outdoor seating area is located in the quad. This will ensure that students have a cool, shady location in the warmer months. In the colder, wet months, students will have a dry location to sit.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment Percentage of Students Meeting or Exceeding the State Standards

Subject	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022
English Language Arts/Literacy (grades 3-8 and 11)	N/A	49	N/A	52	N/A	47
Mathematics (grades 3-8 and 11)	N/A	29	N/A	40	N/A	33

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### [Opportunities for Parental Involvement \(School Year 2022 - 2023\)](#)

Our school has a School Site Council, School PTO, International Baccalaureate Parent Organization and parent volunteer program called the Hornet's NEST (Nurturing Exceptional Students Together). The Hornet's NEST is our parent group that volunteers on campus during the school day and at events. We also gladly welcome authorized parents and/or guardians on campus to "shadow" their student for a day. It takes a village to raise a child and if you would like to partner with the school for the day, or are interested in more information, please contact School Secretary, Kimberly Genereux, at 916-683-1302.

**State Priority: School Climate**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022

Expulsions	0.0%	0.1%	0.0%	0.0%	0.0%	0.1%

Note: Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

**Suspensions and Expulsions for School Year 2019 - 2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019 - 2020	District 2019 - 2020	State 2019 - 2020
Suspensions	6.17%	4.02%	2.45%
Expulsions	0.00%	0.03%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

### [School Safety Plan \(School Year 2022 - 2023\)](#)

Your child's safety is important to us at Harriet Eddy Middle School. We believe that nothing should get in the way of the academic achievement of our students, which is why it is important that our students feel safe. Our staff annually updates and reviews the safety plan. The plan was reviewed January 2022. The plan includes monitoring practices that not only address student safety during school hours, but before and after school as well. All visitors sign in when entering our campus and wear identification. An Emergency Handbook outlining a plan of action for emergencies is in all classrooms. Periodic school safety inspections are conducted by the County of Sacramento. The district's Police Services Department works closely with our school site, and Campus Supervisors are assigned to HEMS, to provide a safe, secure environment for all students.

## Professional Development

Harriet Eddy has a professional development emphasis on the use of the Professional Learning Community (PLC) Process to assess the effectiveness of our instruction and student learning. In addition, there is a major emphasis on building relationships with students and culturally responsive teaching strategies. The Leadership team has adopted school-wide Positive Behavior Intervention and Supports to foster and maintain a positive learning environment. Our staff participates in International Baccalaureate (IB) and PLC aligned professional development throughout the year. These multi-day trainings provide training to implement the Middle Year's Programme.
