

California Department of Education School Accountability Report Card

Reported Using Data from the 2021 - 2022 School Year
Published During 2022 - 2023

For: Elk Grove Charter School

Address: 10065 Atkins Dr, Elk Grove, CA 95757
Principal: Marc Lavine

Phone: 916-714-1653
Grade Span: 9-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2022 - 2023)

The Elk Grove Charter School is committed to creating individualized educational opportunities for students by combining independent study and classroom instruction. The focus at EGCS is to focus education towards the needs of the student and create balance between the education system and the needs of the student and family. Students have the opportunity to earn an Elk Grove Unified approved diploma through the completion of college preparation course through district approved curriculum and courses. In addition, students are able to earn early college credits through Advance Education courses at local community colleges. EGCS's educational approach is primarily suited for students who seek an alternative to the traditional classroom-only environment and need a more flexible learning environment to reach their academic and personal goals. This goal is achieved through the school's hybrid model of combining independent study and direct instruction.

Elk Grove Charter School supports the school's vision by challenging all students to realize their greatest potential. The school's Expected Schoolwide Learning Results (ESLRs) prepare students for post-secondary opportunities. These expectations are students will become:

- Academic Achievers
- Self-Directed Learners
- Effective Communicators
- Productive Workers
- Responsible Citizens

The strengths of the school's educational model can be seen through the individual successes of each student. Learning plans are developed for all students and include both independent study and direct-instruction learning. For students in grades 7-10, English, math, and science are delivered through daily direct instruction workshops. In addition, for students of all grade levels, math, foreign language, art, and technology are also delivered through direct instruction. For students in grades 11 and 12, instruction is primarily delivered through the school's independent study program. This model provides students with the flexibility to not only pursue their goals outside of school, but also accelerate the learning process based on their needs. All students have access to additional supports and through the school's labs and tutoring sessions. Successful EGCS students are motivated to excel and reach their goals.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Preparation and Placement (School Year 2020 - 2021)

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements (School Year 2022 - 2023)

Elk Grove Charter School has one building that was built in 2010. Instruction at this site began in the 2010-11 school year. The building has six direct-instruction classrooms, a teacher work area/kitchen, administrative office, and one large classroom holding 14 individual cubicles for independent study appointments. The direct-instruction classrooms include a computer lab with 24 desktop computers, an art room, science lab, and three generic direct-instruction classrooms. In addition to the building, the school has a large playing field and two full size basketball courts. There is a sitting area with six picnic tables and a large shade structure that was built in 2013. Other additions to the facility since its original construction include four storage sheds, and security fencing around the perimeter of the school.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school building, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes an electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodian work with the site administrator to develop a daily cleaning process and schedule. Each day the custodian inspects the school and makes or reports needed repairs. Restrooms are inspected to ensure they are adequately stocked, safe, and sanitary. A monthly inspection is conducted and forms are submitted to administration. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Facilities projects at EGCS are developed through communication with all stakeholders and approved by the school's advisory council. EGCS follows all EGUSD site modification and facilities planning procedures. The school works with district level staff on potential future modifications. Currently, the school is working to expand its facility in order to increase capacity. Projected building projects include a new multi-purpose room with 2 additional classrooms, warming kitchen, and student bathrooms with changing rooms. In the future, EGCS plans on building another 6-classroom building, administration office, full size gym with locker and weight room, and playing fields. The school along with district and outside personnel have completed initial facility plans for these projects.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment Percentage of Students Meeting or Exceeding the State Standards

Subject	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022

Mathematics (grades 3-8 and 11)	N/A	24	N/A	40	N/A	33

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2022 - 2023\)](#)

As a public charter school, we are governed by the EGUSD Board of education with input from the school's Advisory Council. The Advisory Council is made up of parents, staff, students, and community members. Meetings are held at a minimum every quarter. In addition to the advisory council, parents are welcome to attend weekly Independent Study Program (ISP) meetings and workshop courses to monitor their student's progress. Parents/guardians are essential to the success of EGCS students. Parents/guardians support students by providing both logistical and content focused assistance to their student. For more information on parent involvement opportunities please contact administration by calling the main office number or working directly with teachers.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates
- High school graduation rates

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022

Expulsions	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%

Note: Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Suspensions and Expulsions for School Year 2019 - 2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019 - 2020	District 2019 - 2020	State 2019 - 2020
Suspensions	1.75%	4.02%	2.45%
Expulsions	0.29%	0.03%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

[School Safety Plan \(School Year 2022 - 2023\)](#)

A safe campus is crucial to effective learning. The safe school planning committee annually reviews and updates the Comprehensive School Safety Plan. The annual review of the plan occurred in December 2022 and was approved by the school's advisory council in January 2023. EGCS has an alternate schedule and therefore "before and after school" may be defined differently for each student. EGCS supervises a variety of support workshops and labs during the school day; parents commit to arrange timely transportation before/after school. Access to the school by members of the public is controlled by fencing and gates that are either locked or monitored by EGCS staff. Visitors must be approved by administration, sign in and wear a visible visitor pass while on campus.

Types of Services Funded (Fiscal Year 2022 - 2023)

Elk Grove Charter School uses a combination of independent study and workshop classes to assist students in increasing their learning. Specifically, 7th-10th grade students attend English, Math, Science, and Social Science direct-instruction workshops. Under the direction of an Independent Study Teacher (ISP), students complete the remaining curriculum independently. Eleventh and twelfth grade students primarily learn independently, while working with the support and guidance of an ISP teacher. In addition, these students have the opportunity to attend support workshops to assist them in completing the required course work for graduation. Elk Grove Charter offers students the ability to earn an EGUSD approved high school diploma by completing either traditional or alternative graduation requirements. At the beginning of each semester, the ISP teacher, student, and parent/guardian discuss Pre and Post graduation goals and create a semester course plan. EGCS students also have the ability to earn early college credits through community colleges courses. In addition, EGCS offers a select number of AP/Honors courses.

Professional Development

A variety of professional learning opportunities exist for teachers, instructional aides, and non-instructional support staff. EGCS conducts weekly staff meeting where teachers receive instruction on a variety of issues and skills to improve their teaching abilities. The structure of weekly meetings is divided into content and grade level groups in addition to whole staff meetings. New teachers, who have been teaching fewer than two years, are supported by the district's beginning teacher program (BTSA). They meet weekly with an experienced mentor to discuss challenges, successes and new ideas for their classrooms. They are also required to complete a variety of other professional development modules. Most importantly, is they have access to veteran teachers/administrators for support. The district offers a variety of professional learning opportunities for all staff. Teachers have access to EGUSD professional development and training to support them in their role in the classroom and working with students, families, and colleagues. In addition, school secretaries, office clerks, and custodians may take classes that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways. All staff members have access to outward mindset training
