

California Department of Education School Accountability Report Card

Reported Using Data from the 2023 - 2024 School Year
Published During 2024 - 2025

For: Elk Grove Elementary

Address: 9373 Crowell Dr, Elk Grove, CA 95624

Principal: Jill Jones

Phone: 916-686-3766

Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu>.

School Description and Mission Statement (School Year 2024 - 2025)

"ELK GROVE ELEMENTARY SCHOOL...BUILDING A FOUNDATION OF EXCELLENCE."

In alignment with the mission of the Elk Grove Unified School District, Elk Grove Elementary strives to ensure that Every student in Every class is learning in Every subject, Every day.

Our staff adheres to three essential values for every student. Our three values are to provide a foundation of educational excellence with high expectations for all students; to prepare our children to be life-long learners skilled as literate individuals able to read, write, think, listen, and evaluate real life situations; and to promote personal responsibility and citizenship in an increasingly diverse and changing society through a partnership of student, school, family, and community.

Elk Grove Elementary teachers and support staff provide lessons using a variety of instructional strategies to meet the needs of all students and to ensure students are provided with learning opportunities designed to meet rigorous standards in alignment with all common core subject areas.

Staff participates in ongoing professional learning opportunities.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (School Year 2024 - 2025)

Elk Grove Elementary School has 32 classrooms, one learning center room, a multipurpose room, a library, computer room, and an administration building. The main campus was built in 1992. Our school is beautifully landscaped and enjoys a well-designed playground, field and track. An additional play structure was installed in the spring of 2020. Four outdoor tables and benches are located under mature shade trees offering outdoor learning experiences for many of our kids. We recently added a new shade structure on our playground, new murals in the multi-purpose room, and a water filling station! The site will undergo a refresh to update flooring, paint, and other improvements during the summer of 2025.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with our school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

We now have a new shade structure on our playground along with a water filling station. We have a new bench area that was built in our quad, and teachers are receiving updated projectors for their classrooms. Our school will undergo a refresh during the summer of 2025.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2024 - 2025\)](#)

There are numerous ways to participate in your child's education. Our school benefits from a very active PTA that raises money to support school events and purchase of supplemental materials. Parents are encouraged to visit and volunteer in their child's classroom, participate in field trips, and/or serve as an art docent. Parents and guardians are always needed for our PTA sponsored Art Docent Program, our Fifth and Sixth Grade sports teams, and many other various schoolwide and classroom activities. 916-686-3766

School Safety Plan (School Year 2024 - 2025)

The safety of your child, visitors, and the staff at Elk Grove Elementary is our first priority. Our students require a safe, orderly, secure and comfortable environment in which to learn. Each classroom has emergency procedures posted. Monthly fire, disaster, earthquake, and intruder drills are held. Gates are kept closed and locked. Access is controlled during the day and adult supervision is provided before and after school. Visitors must check in at the office. The district's Police Services Department also works closely with our school site and is available to assist in providing a safe, secure environment for all students. The School Safety Plan is updated annually. The School Safety Plan was last revised in August 2024

Types of Services Funded (Fiscal Year 2023 - 2024)

At Elk Grove Elementary highly qualified staff are assigned to assist students with special learning needs. Our Learning Center provides support for students who have identified educational programs. Elk Grove Elementary School offers after school team sports, band, and a Runnin' for Rhett program. Programs for G.A.T.E. have been fully implemented during the 2024-2025 school year. Our English Language Learners (ELL) students receive daily language development support within the classroom. Summer school is usually provided each year. Summer school is well attended and focuses on remedial and enrichment opportunities for students in grades first through sixth as well as social emotional learning for all.

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, para-educators, and non-instructional support staff. Professional Learning Communities (PLC's) are in place at every grade level focusing on enhancing the instructional program and the ongoing improvement of academic achievement. Our staff development days include AVID, PBIS, Culturally Responsive Teaching, along with the Framework of High-Quality Teaching.
