

## California Department of Education School Accountability Report Card

Reported Using Data from the 2022 - 2023 School Year  
Published During 2023 - 2024

### For: Elk Grove High School

**Address:** 9800 Elk Grove-Florin Rd, Elk Grove, CA 95624  
**Principal:** Rudy Ortega Jr

**Phone:** 916-686-7741  
**Grade Span:** 9-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2023 - 2024)

Elk Grove High School

"Where Tradition Meets Tomorrow"

It is with great pride and enthusiasm that we bring you this year's School Accountability Report Card. This report is a testament to the collective dedication and hard work of our students, staff, and parents, reflecting the core values that define Elk Grove High School: Honor, Effort, Respect, and Determination.

Our commitment to academic excellence, guided by the principles of honor, is evident in the outstanding achievements of our students across various disciplines. Through their unwavering effort, our students continue to excel academically, showcasing the diligence and determination that are hallmarks of our school community.

Respect is a foundational value at Elk Grove High School, fostering a culture of inclusivity and understanding. Our diverse student body, staff, and community members contribute to rich perspectives and experiences, creating an environment where everyone feels valued and supported.

The dedication and determination of our students and staff are evident not only in the classroom but also in the numerous extracurricular activities and sports programs. Whether on the field, in the arts, or through community service, our students exemplify the spirit of determination, striving for excellence in all their endeavors.

As we navigate the challenges and celebrate the successes, it is important to acknowledge the collaborative effort of our entire school community. Parents, guardians, teachers, and community members play a crucial role in shaping the educational experience at Elk Grove High School, and we are grateful for the continued support.

Looking ahead, we remain steadfast in our commitment to fostering an environment that upholds the core values of Honor, Effort, Respect, and Determination. These values serve as the guiding principles that inspire and shape the character of our students. Thank you for being an integral part of Elk Grove High School's journey, as we will continue to empower our students to reach new heights and make a positive impact in the world.

Rudy Ortega  
Principal, Elk Grove High School

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Teacher Preparation and Placement (School Year 2020 - 2021)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent

## School Facility Conditions and Planned Improvements (School Year 2023 - 2024)

The campus was built in 1963, however we are currently undergoing a major renovation. A new two-story building holding 30 classrooms opened August of 2023 and another two-story building, containing 22 classrooms as well as the Counseling and Administrative offices, will open in November of 2024. In addition, we have a science building, theater, dance room, state-of-the-art environmental center focusing on hydroponics, a farm, two gymnasiums, multiple athletic fields, culinary building that meets industry standards, a weight room and a synthetic turf stadium with an all-weather track. Common areas include a large quad, a smaller quad outside the library and cafeteria space. Clerical staff are positioned in three offices to best support administrators, counselors, and the public.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site's custodial team to ensure that school buildings, classrooms, and grounds are maintained to provide a safe and functional environment for all students. The school's custodians work as a team and with administration to develop a daily cleaning process and schedule. Each morning a custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

The school is undergoing major modernization as a result of Measure M funding and proposition 51 grants. The second new two-story building is currently under construction and is slated to open in November of 2024. A final new Ag Science building and new parking lot is slated to open in January of 2025. We are proud of our campus and strive to keep our school in good repair so it is clean, safe, functional, and provides an orderly environment for teaching and learning.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessment [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

### Career Technical Education (CTE) Programs (School Year 2023 - 2024)

EGHS offers three types of CTE programs that promote leadership, develop job-related skills, offer work-based learning opportunities, and increase interest in school: California Partnership Academies (CPA) feature cohort scheduling in CTE and academic core classes, integrated projects, and work-based learning opportunities. Each CPA has a coordinator dedicated to facilitating a holistic approach to support and intervention for the students by collaborating with all teachers to establish a small school environment. EGHS has two CPAs: Technology and Digital Arts (TDA) - In this academy students have the opportunity to utilize technology along with art to design and develop a variety of graphic art products. The TDA Academy also works closely with their counselor to provide Social Emotional Supports for students. Sustainable Agriculture and Green Education (SAGE) - As part of the Agriculture program the SAGE Academy students are challenged to further develop their interest in agriculture by looking ahead at the sustainability and environmental impact of the industry. High Quality Career Pathways (HQCP) HQCPs consist of a three-year sequence of CTE courses within a career pathway. Pathway programs offer work-based learning opportunities and industry-recognized certification when available. EGHS has three pathways: Agriculture Science, Automotive Technology, and Culinary Arts. After taking the introductory, concentrator and capstone courses, students are completers and often eligible for entry level positions in the industry sector. Explore CTE programs are open to students across the district, allow students to complete an intensive training course in one year or less, take courses leading to industry certification, or experience internships. Currently students from across the district are welcome in the Welding and Automotive programs. All CTE programs have an advisory committee that includes industry representatives for guidance and input. CTE programs at EGHS also allow students to meet graduation requirements and complete A-G requirements through courses that incorporate state-adopted academic standards. EGUSD's Department of College and Career Connections supports EGHS's CTE programs through strategic planning, oversight, and professional development.

### Career Technical Education Participation (School Year 2022 - 2023)

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### [Opportunities for Parental Involvement \(School Year 2023 - 2024\)](#)

Family involvement is essential to improving student success. The Parent Teacher Student Organization, School Site Council, English Language Advisory Committee, and booster clubs are examples of how parents can be involved. Parents are encouraged to register for ParentVue in our front office. ParentVue through Synergy allows parents to receive information about assignments, grades and attendance. Contact Principal Rudy Ortega, at 916-686-7741 to find out about parent involvement opportunities.

## State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates
- High school graduation rates
- Chronic Absenteeism

### [School Safety Plan \(School Year 2023 - 2024\)](#)

Your child's safety is the top priority at Elk Grove High School and our district is committed to providing a safe, secure environment for learning. The Comprehensive School Safety Plan is a collaborative work and was last updated in October of 2023. The plan is annually reviewed by staff and the School Site Council. An "Emergency Handbook," outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the office of our school. Additionally, all teachers and office areas have an Emergency Binder outlining protocols for the various emergencies. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students. Campus security staff monitors before, during, and after school, in addition to after school events, such as games and dances.

## D. Other SARC Information

Percent Difference - School Site and State	N/A	N/A	-44.51%	5.00%

Note: Cells with N/A values do not require data.

### Types of Services Funded (Fiscal Year 2023 - 2024)

All interested students are encouraged to participate in Honors and Advanced Placement courses through our College/Advanced Placement (CAP) program. Special Education courses and services for students with Individualized Education Plans provide support to students in content areas. Advancement Via Individual Determination or AVID is a 4-year program to support students who may be the first in their families to pursue college after high school.

### Teacher and Administrative Salaries (Fiscal Year 2021 - 2022)

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$49,100	\$55,550

\*Where there are student course enrollments of at least one student.

### Professional Development

Elk Grove High School staff is dedicated to ongoing professional development. Teachers at Elk Grove High access a variety of learning opportunities through the district's Professional Learning department as well as outside educational institutions. Courses focus on expanding content area knowledge and strategies to meet the needs of a diverse student population. Currently all staff members are beginning a series of courses focused on better addressing Diversity, Equity and Inclusion. Teachers meet in curriculum teams or PLCs at least monthly on late start Wednesdays to collaborate on lesson plans, pacing guides and develop common assessments. Minimum days are scheduled throughout the year to provide extended time for collaboration or site-based workshops. Finally, the district offers a variety of classes for teachers and support staff. Instructional aides, school secretaries, office clerks, and custodians may take classes that relate to their work.
