

## California Department of Education School Accountability Report Card

Reported Using Data from the 2021 - 2022 School Year  
Published During 2022 - 2023

### For: Elk Grove High School

**Address:** 9800 Elk Grove-Florin Rd, Elk Grove, CA 95624  
**Principal:** Rebecca Mackin

**Phone:** 916-686-7741  
**Grade Span:** 9-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2022 - 2023)

Elk Grove High School  
"Where Tradition Meets Tomorrow"

Elk Grove High School was established in 1892. We embrace our traditions and are always looking to meet the needs of a changing society through the educational opportunities offered to our students. Elk Grove High School strives to provide an exceptional educational experience for students, from the safety of the campus to the rigor and relevance of the instructional programs. All aspects of the school contribute to providing students with the skills they need to be successful learners and become prepared for college and a career.

The district's mission is to provide a learning community that challenges ALL students to realize their greatest potential. Our success in implementing our district's mission is evidenced through our school's special strengths, including:

- Comprehensive college and career preparatory program
- \* Academic courses, ranging from Intervention and Support to Advanced Placement
- State and nationally recognized Sustainable Agriculture Green Education Academy
- Technology and Digital Arts Academy focusing on Graphic Arts and Photography
- Career and Technical Education Pathways and courses
- \* School wide embedded academic assistance opportunities for students during HERD TIME
- \* 33 student ran clubs
- \* Academic Competition Teams
- \* Guidance and counseling for both academic needs and social emotional support

Parent support and involvement continue to be a critical aspect of the success at Elk Grove High School. This support is given, recognized, and appreciated in many different ways. Some parents help plan programs, while others serve by assisting with our athletic teams, school clubs, School Site Council, Parent Teacher Student Organization, or Boosters. Parents also support student success by providing space, time and encouragement for daily homework, and by sending a clear message that education and regular school attendance are important.

The safety of our campus is a priority at Elk Grove High. Our staff, students, and parents work together to achieve the goal of promoting a positive environment where staff and students feel safe and respected. Our school has a safety committee that ensures all safety plans are current and communicated.

The HERD Pillars of Honor, Effort, Respect and Determination drive the positive environment students and staff enjoy and result in HERD Pride.

Zeta Dendy, Interim Principal  
Elk Grove High School

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Teacher Preparation and Placement (School Year 2020 - 2021)

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

### School Facility Conditions and Planned Improvements (School Year 2022 - 2023)

The campus was built in 1963 and parts of the campus underwent a modernization program in 2002. Currently, there are 94 classrooms, seven computer labs, a photo lab, science building, theater, dance room, state-of-the-art environmental center focusing on hydroponics, a farm, two gymnasiums, multiple athletic fields, culinary building that meets industry standards, a weight room and a synthetic turf stadium with an all-weather track. Common areas include a large quad, a smaller quad outside the library and cafeteria space. Clerical staff are positioned in three offices to best support administrators, counselors, and the public.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site's custodial team to ensure that school buildings, classrooms, and grounds are maintained to provide a safe and functional environment for all students. The school's custodians work as a team and with administration to develop a daily cleaning process and schedule. Each morning a custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

The school is undergoing major modernization as a result of Measure M funding and proposition 51 grants. A two story building that houses 30 new classrooms is being finalized and students will attend classes in the building beginning in the fall of 2023. The second new two story building will begin construction at the same time. With a final new Ag Science building in the planning phases. We are proud of our campus and strive to keep our school in good repair so it is clean, safe, functional, and provides an orderly environment for teaching and learning.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment Percentage of Students Meeting or Exceeding the State Standards

Subject	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022
English Language Arts/Literacy (grades 3-8 and 11)	N/A	61	N/A	52	N/A	47
Mathematics (grades 3-8 and 11)	N/A	34	N/A	40	N/A	33

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### Career Technical Education Programs (School Year 2022 - 2023)

Career Technical Education (CTE) provides opportunities for EGHS students to prepare for college, career and life. CTE courses integrate rigorous academics, technical skills, relevant real-world experiences, work-based learning opportunities, and wrap-around student support to help students develop the 21st-century skills and habits of mind they will need to succeed after graduation. The CTE coordinator is responsible for ensuring that teachers are aware of requirements and have access to materials needed. EGHS offers three types of CTE programs that promote leadership, develop job-related skills, offer work-based learning opportunities, and increase interest in school: California Partnership Academies (CPA) feature cohort scheduling in CTE and academic core classes, integrated projects, and work-based learning opportunities. Each CPA has a coordinator dedicated to facilitating a holistic approach to support and intervention for the students by collaborating with all teachers to establish a small school environment. EGHS has two CPAs: Technology and Digital Arts (TDA) - In this academy students have the opportunity to utilize technology along with art to design and develop a variety of graphic art products. The TDA Academy also works closely with their counselor to provide Social Emotional Supports for students. Sustainable Agriculture and Green Education (SAGE) - As part of the Agriculture program the SAGE Academy students are challenged to further develop their interest in agriculture by looking ahead at the sustainability and environmental impact of the industry. High Quality Career Pathways (HQCP) HQCPs consist of a three year sequence of CTE courses within a career pathway. Pathway programs offer work-based learning opportunities and industry-recognized certification when available. EGHS has three pathways: Agriculture Science, Automotive Technology, and Culinary Arts. After taking the introductory, concentrator and capstone courses, students are completers and often eligible for entry level positions in the industry sector. Explore CTE programs are open to students across the district, allow students to complete an intensive training course in one year or less, take courses leading to industry certification, or experience internships. Currently students from across the district are welcome in the Welding and Automotive programs. All CTE programs have an advisory committee that includes industry representatives for guidance and input. CTE programs at EGHS also allow students to meet graduation requirements and complete A-G requirements through courses that incorporate state-adopted academic standards. EGUSD's Department of College and Career Connections supports EGHS's CTE programs through strategic planning, oversight, and professional development. Our CTE programs are evaluated through multiple measures, including the number of students completing a CTE pathway, graduation rates, A-G completion rates, GPA, and attendance. Our CTE teams complete a rigorous self-reflection process, followed by district certification. The district collects data regarding continued education and employment from students one year after graduation as part of the Carl D. Perkins reporting process.

### Career Technical Education Participation (School Year 2021 - 2022)

Measure	CTE Program Participation
Number of pupils participating in CTE	888
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	34.90%
Percent of CTE courses sequenced or articulated between the school and institutions of postsecondary education	0.00%

### Course Enrollment/Completion of University of California (UC) and/or California State University (CSU) Admission Requirements

2020 - 2021 Graduates Who Completed All Courses Required for UC/CSU Admission	50.98%

**State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education.

**California Physical Fitness Test Results (School Year 2021 - 2022)**

Note: Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas.

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### [Opportunities for Parental Involvement \(School Year 2022 - 2023\)](#)

Family involvement is essential to improving student success. The Parent Teacher Student Organization, School Site Council, English Language Advisory Committee, and booster clubs are examples of how parents can be involved. Parents are encouraged to register for ParentVue in our front office. ParentVue through Synergy allows parents to receive information about assignments, grades and attendance. Contact Zeta Dendy, Interim/Vice Principal, at 916-686-7741 to find out about parent involvement opportunities.

## State Priority: Pupil Engagement

Expulsions	0.0%	0.1%	0.0%	0.0%	0.0%	0.1%

Note: Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

**Suspensions and Expulsions for School Year 2019 - 2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019 - 2020	District 2019 - 2020	State 2019 - 2020
Suspensions	5.39%	4.02%	2.45%
Expulsions	0.00%	0.03%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

### [School Safety Plan \(School Year 2022 - 2023\)](#)

Your child's safety is the top priority at Elk Grove High School and our district is committed to providing a safe, secure environment for learning. The Comprehensive School Safety Plan, is a collaborative work and was last updated in February 2022. The plan is annually reviewed by staff and the School Site Council each spring. An "Emergency Handbook," outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the office of our school. Additionally, all teachers and office areas have an Emergency Binder outlining protocols for the various emergencies. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students. Campus security staff monitors before, during, and after school, in addition to after school events, such as games and dances. Elk Grove High has an active Safety Committee, which meets monthly to review any safety concerns, discuss solutions and take actions to address concerns. The safety committee is made up of both certificated and classified staff and is facilitated by a site administrator.

Note: Cells with N/A values do not require data.

**Types of Services Funded (Fiscal Year 2022 - 2023)**

All interested students are encouraged to participate in Honors and Advanced Placement courses through our College/Advanced Placement (CAP) program. Special Education courses and services for students with Individualized Education Plans provide support to students in content areas. Advancement Via Individual Determination or AVID is a 4 year program to support students who may be the first in their families to pursue college after high school.

## Teacher and Administrative Salaries (Fiscal Year 2020 - 2021)

## Professional Development

Elk Grove High School staff is dedicated to ongoing professional development. Teachers at Elk Grove High access a variety of learning opportunities through the district's Professional Learning department as well as outside educational institutions. Courses focus on expanding content area knowledge and strategies to meet the needs of a diverse student population. Currently all staff members are beginning a series of courses focused on better addressing Diversity, Equity and Inclusion. Teachers meet in curriculum teams or PLCs at least monthly on late start Wednesdays to collaborate on lesson plans, pacing guides and develop common assessments. Minimum days are scheduled throughout the year to provide extended time for collaboration or site based workshops. Finally, the district offers a variety of classes for teachers and support staff. Instructional aides, school secretaries, office clerks, and custodians may take classes that relate to their work.
