

California Department of Education
School Accountability Report Card
Reported Using Data from the 2020 - 2021 School Year
Published During 2021 - 2022

For: Robert J. Fite Elementary

Address: 9561 Fite School Rd, Sacramento, CA 95829
Principal: Diane Standing

Phone: 916-689-2854
Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2021 - 2022)

<p>Robert J. Fite Elementary Excellence in Education</p> <p>Welcome to Robert J. Fite Elementary School! Here at Fite, we aim to provide a warm, nurturing learning environment that fosters academic excellence. Fite Falcons strive to be part of an engaged school community that promotes social responsibility, acceptance of diversity, and life-long learning.</p> <p>The mission of the Elk Grove Unified School District is to provide a learning community that challenges ALL students to realize their greatest potential. Here at Robert J. Fite, we support that mission by focusing on the whole child and working together with parents and staff to ensure each child's opportunity for success. Students have access to rigorous academic instruction coupled with social-emotional and behavioral supports that provide a strong foundation for learning.</p> <p>Parent support and engagement are essential to student success. Here at Robert J. Fite Elementary, building strong relationships with parents and believe connections between home and school is so important. We offer opportunities for parents to be involved in a variety of ways by serving on school and district committees, working as classroom volunteers, and planning and participating in school events. Parents support student success by providing a clear message about the importance of education and regular school attendance, positive behavior, as well as making sure students are engaged in learning both at home and in the classroom.</p> <p>The teachers and staff of Robert J. Fite prioritize student safety and a rigorous learning environment. Teachers participate in ongoing training to improve instruction, provide consistent positive behavioral support, and teach students the importance of a growth mindset. Our site PBIS program and SOAR expectations emphasize safe, open-minded, accountable, and respectful behavior. Support staff are on hand to provide families with additional support and resources as well.</p> <p>At Robert J. Fite Elementary, "Every day is a great day to be a Fite Falcon!" We value the culture, background, and experiences of our students and families. Administration and staff are here to serve our community, and we appreciate your support!</p> <p>Sincerely, Diane Standring, Principal</p>

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Preparation and Placement (School Year 2019 - 2020)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements (School Year 2021 - 2022)

Robert J. Fite Elementary opened in 2002. In 2012, the campus was expanded to include a total of 34 classrooms, including 8 workrooms for teachers and staff. We have a multipurpose room, a library, a computer lab, and an administrative building. The administrative building houses the principal's and vice principal's offices, a conference room, two additional office spaces for staff use, as well as two staff restrooms, a nurse's office with a student restroom, staff room and supply room. A large playground for 1st-6th grades offers basketball and tether ball courts, four square and hopscotch, a play structure, and a grass field and track. In the summer of 2020, a large shade structure was installed on the blacktop. Pre-K, TK and Kinder have a smaller fenced playground with a play structure, blacktop area, and a grassy area shaded by several large trees. Our school parking lot offers several spaces for staff and visitors, including specified 15-minute parking and designated handicapped parking as well as one way student drop-off/pick-up lanes and a pedestrian crosswalk.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in tandem with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Robert J. Fite Elementary has no building or maintenance projects scheduled at this time.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

- **SARC Reporting in the 2020 - 2021 School Year Only**

Where the most viable option, LEAs were required to administer the statewide summative assessments for ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

- **Options:** Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

Note: The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

Note: The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2021 - 2022\)](#)

Throughout the year we host a number of events, including Back to School Night and Open House, that provide parents an opportunity to learn about the school and our programs, monitor student progress, and celebrate learning. Parents and family members can join the Parent Teacher Organization (PTO), volunteer in the classroom, participate in our Watch D.O.G.S. program, or join a number of site and district advisory committees. For more information on parent involvement opportunities, please contact Principal Standing at (916) 689-2854.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2021 - 2022)

Our district and school are committed to providing a safe and secure environment for learning. Staff and School Site Council reviewed and updated our School Safety Plan in January of 2022. Students practice a variety of safety drills monthly. An Emergency Handbook outlining a plan of action for emergencies is kept in the school office, and the Emergency Guidelines Flip Chart is kept in each classroom. Periodic school safety inspections are conducted by the County of Sacramento. All visitors are required to enter the school premises through the office and check-in before going on to campus, and student supervision is provided by school staff before and after school to ensure a safe arrival and dismissal. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students.

Robert J. Fite Elementary offers a variety of specialized programs to meet students' diverse learning needs. Fite currently houses a Pre-Kindergarten Speech Therapy program serving students within our district who would benefit from speech services at an early age. We also have self-contained classes which provide specialized services for students with specially identified needs, including academic, language, and behavioral support. Our Learning Center serves special education students to help them meet their individual learning goals. Gifted and Talented students participate in accelerated instruction within the classroom and have opportunities for after-school enrichment and Science, Technology, Engineering, and Math (STEM) activities. Intervention services are provided for at-risk learners who need additional support to meet the standards, and English Learner students receive both designated and integrated English Language Development instruction throughout the school day.

Professional Development

Our school and district offer a variety of professional development and learning opportunities for staff. Teachers have opportunities to work with district personnel to collaborate and plan lessons and assessments. Administrators consult with the site Leadership Team and instructional coaches to plan and provide professional development opportunities for the staff based on site needs. Teachers in all grade levels are provided training and support for successful implementation of the Common Core State Standards, adopted district curriculum, social-emotional learning, and behavior. Both general and special education teachers and support staff have numerous opportunities to learn how to best meet the needs of students with learning disabilities. Finally, the district offers a variety of classes for support staff. Instructional aides, school secretaries, office assistants and custodians may take classes that relate to their work, such as learning new computer skills, being more efficient and ergonomically correct, and maintaining a safe and healthy work environment.

Addendum

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC Web Application as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020-2021 school year in order to meet the federal Every Student Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020-2021 school year and the 2020-2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC Web Application. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020-2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
