

## California Department of Education School Accountability Report Card

Reported Using Data from the 2021 - 2022 School Year  
Published During 2022 - 2023

### For: Robert J. Fite Elementary

**Address:** 9561 Fite School Rd, Sacramento, CA 95829  
**Principal:** Diane Standing

**Phone:** 916-689-2854  
**Grade Span:** K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2022 - 2023)

Robert J. Fite Elementary  
Excellence in Education

Welcome to Robert J. Fite Elementary School! Here at Fite, we aim to provide a warm, nurturing learning environment that fosters academic excellence. Fite Falcons strive to be part of an engaged school community that promotes social responsibility, acceptance of diversity, and life-long learning.

The mission of the Elk Grove Unified School District is to provide a learning community that challenges ALL students to realize their greatest potential. Here at Robert J. Fite, we support that mission by focusing on the whole child and working together with parents and staff to ensure each child's opportunity for success. Students have access to rigorous academic instruction coupled with social-emotional and behavioral supports that provide a strong foundation for learning.

Parent support and engagement are essential to student success. Here at Robert J. Fite Elementary, building strong relationships with parents and believe connections between home and school is so important. We offer opportunities for parents to be involved in a variety of ways by serving on school and district committees, working as classroom volunteers, and planning and participating in school events. Parents support student success by providing a clear message about the importance of education and regular school attendance, positive behavior, as well as making sure students are engaged in learning both at home and in the classroom.

The teachers and staff of Robert J. Fite prioritize student safety and a rigorous learning environment. Teachers participate in ongoing training to improve instruction, provide consistent positive behavioral support, and teach students the importance of a growth mindset. Our site PBIS program and SOAR expectations emphasize safe, open-minded, accountable, and respectful behavior. Support staff are on hand to provide families with additional support and resources as well.

At Robert J. Fite Elementary, "Every day is a great day to be a Fite Falcon!" We value the culture, background, and experiences of our students and families. Administration and staff are here to serve our community, and we appreciate your support!

Sincerely,  
Diane Standring, Principal

### School Facility Conditions and Planned Improvements (School Year 2022 - 2023)

Robert J. Fite Elementary opened in 2002. In 2012, the campus was expanded to include a total of 34 classrooms, including 8 workrooms for teachers and staff. We have a multipurpose room, a library, a computer lab, and an administrative building. The administrative building houses the principal's and vice principal's offices, a conference room, two additional office spaces for staff use, as well as two staff restrooms, a nurse's office with a student restroom, staff room and supply room. A large playground for 1st-6th grades offers basketball and tether ball courts, four square and hopscotch, a play structure, and a grass field and track. In the summer of 2020, a large shade structure was installed on the blacktop. Pre-K, TK and Kinder have a smaller fenced playground with a play structure, blacktop area, and grass. In the summer of 2022, a small storage shed was installed in the Pre-K/K playground area for outdoor play storage. Our school parking lot offers several spaces for staff and visitors, including specified 15-minute parking and designated handicapped parking as well as one way student drop-off/pick-up lanes and a pedestrian crosswalk.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in tandem with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Robert J. Fite Elementary has no building or maintenance projects scheduled at this time. Future improvement projects include planting shade trees in the Pre-K/K playground area and having the building exteriors painted.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment Percentage of Students Meeting or Exceeding the State Standards

Subject	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022
English Language Arts/Literacy (grades 3-8 and 11)	N/A	49	N/A	52	N/A	47
Mathematics (grades 3-8 and 11)	N/A	43	N/A	40	N/A	33

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### [Opportunities for Parental Involvement \(School Year 2022 - 2023\)](#)

Throughout the year we host a number of events, including Back to School Night and Open House, that provide parents an opportunity to learn about the school and our programs, monitor student progress, and celebrate learning. Parents and family members can join the Parent Staff Organization (PSO), volunteer in the classroom, or join a number of site and district advisory committees. For more information on parent involvement opportunities, please contact Principal Standing at (916) 689-2854.

**State Priority: School Climate**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022

Expulsions	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%

Note: Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

**Suspensions and Expulsions for School Year 2019 - 2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019 - 2020	District 2019 - 2020	State 2019 - 2020
Suspensions	2.39%	4.02%	2.45%
Expulsions	0.00%	0.03%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

### [School Safety Plan \(School Year 2022 - 2023\)](#)

Our district and school are committed to providing a safe and secure environment for learning. Staff and School Site Council reviewed and updated our School Safety Plan in February of 2023. Students practice a variety of safety drills monthly, including fire drills, lockdown drills, and earthquake drills. An Emergency Handbook outlining a plan of action for emergencies is kept in the school office, and the Emergency Guidelines Flip Chart is kept in each classroom. Periodic school safety inspections are conducted by the County of Sacramento. All visitors are required to enter the school premises through the office and check-in before going on to campus, and student supervision is provided by school staff before and after school to ensure a safe arrival and dismissal. The district's Safety and Security Department works closely with our school site to provide a safe, secure environment for all students.

### Types of Services Funded (Fiscal Year 2022 - 2023)

Robert J. Fite Elementary offers a variety of specialized programs to meet students' diverse learning needs. Fite currently houses an intensive Pre-Kindergarten Speech Therapy program serving students within our district who would benefit from speech services at an early age. We also have self-contained classes which provide specialized services for students with specially identified needs, including academic, language, and behavioral support. Our Learning Center serves special education students to help them meet their individual learning goals. Gifted and Talented students participate in accelerated instruction within the classroom and have opportunities for after-school enrichment and Science, Technology, Engineering, and Math (STEM) activities. Fite has two Academic Intervention Teachers (AITs) to provide intervention services for at-risk learners who need additional support to meet the standards, and English Learner students receive both designated and integrated English Language Development instruction throughout the school day. This year, Fite Elementary partnered with Sheldon High School Seniors to provide before school tutoring in math for intermediate students, support for the Fite student leadership program, and a ceramics class. Students also participated in Running Club and the Running for Rhett youth fitness program.

## Teacher and Administrative Salaries (Fiscal Year 2020 - 2021)

Average Principal Salary (Middle)	\$123,139	\$138,594
Average Principal Salary (High)	\$131,537	\$153,392
Superintendent Salary	\$363,331	\$298,377
Percent of Budget for Teacher Salaries	34.56%	31.60%
Percent of Budget for Administrative Salaries	3.74%	4.97%

Note: For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

## Professional Development

Our school and district offer a variety of professional development and learning opportunities for staff, including curriculum and instruction, behavior support, social-emotional learning, and diversity, equity, and inclusion training. Teachers have opportunities to work with district personnel to collaborate and plan lessons and assessments. Administrators consult with the site Leadership Team and instructional coaches to plan and provide professional development opportunities for the staff based on site needs. Teachers in all grade levels are provided training and support for successful implementation of the Common Core State Standards, adopted district curriculum, social-emotional learning, and behavior. Both general and special education teachers and support staff have numerous opportunities to learn how to best meet the needs of students with learning disabilities. Finally, the district offers a variety of classes for support staff. Instructional aides, school secretaries, office assistants and custodians may take classes that relate to their work, such as learning new computer skills, being more efficient and ergonomically correct, and maintaining a safe and healthy work environment.
