

## California Department of Education School Accountability Report Card

Reported Using Data from the 2023 - 2024 School Year  
Published During 2024 - 2025

### For: Florin Elementary

**Address:** 7300 Kara Dr, Sacramento, CA 95828  
**Principal:** Wilbert Villalta

**Phone:** 916-383-0530  
**Grade Span:** K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

### Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu>.

### School Description and Mission Statement (School Year 2024 - 2025)

Dear Students and Families,

We are so pleased to have this opportunity to partner with you as we build your child's academic foundation allowing them to be college and career ready as they continue through our grade levels and into our secondary programs. Our strong team of educators will continue to build and develop students that think critically, that can express themselves with writing, and students able to work collaboratively in the foundational content areas of Math and English language arts.

This year we will put every effort into helping our teacher teams to grasp the depth and complexity of their grade level standards, and how their standards complement the objectives of other grade levels along the continuum.

Developing a positive school climate and helping students to grow in their knowledge of shared values and good character will continue to be a focus. Our Positive Behavior Intervention and Support (PBIS) team has worked diligently to equip our staff in building a school culture where everyone is valued and respected, and where rules and character are explicitly taught and expected. We will take another step forward this year to build on our rules, Be Safe, Be Respectful and Be Responsible. We have implemented Stop, Walk and Talk to help support our students in dealing with conflicts with their peers.

In our on-going work of serving the whole child we will continue our efforts in partnering with families and community agencies to provide unique opportunities for challenge and growth. We will work hard to provide a well-rounded experience for our children so that they are ready for the opportunities that await them in their future.

Lastly, we all understand that a strong relationship between the home and school is a recipe for student success. We strongly encourage you to become involved and help support our school. We promise to find creative ways to pour back into our families as you pour into our school. Along these lines we want to be responsive to the needs of our families. If there is something that we can improve, or if you would like to encourage us in our work, or if you would like to become more involved, my office is always open to you.

We have an incredible school community, and it is a pleasure to be a teammate alongside our families, students, and staff in helping Florin Elementary move to the next levels of success.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Teacher Preparation and Placement (School Year 2020 - 2021)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

### School Facility Conditions and Planned Improvements (School Year 2024 - 2025)

Our school has 32 classrooms, a Learning Center, a computer lab, a multipurpose room, a library, and an administration building. Our custodial team and grounds team take great pride in maintaining our facility in clean, safe, and functional condition. The FIT inspection indicates that all areas of the school are maintained appropriately. The district governing board has adopted cleaning standards for all schools in the district. The principal works with the custodial staff to develop cleaning schedules to ensure a clean and safe school. The school is cleaned nightly, and bathrooms are inspected every two hours throughout the school day. There are no corrective actions necessary at this time.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing state-administered assessments Percentage of Students Meeting or Exceeding the State Standards

Subject	School 2022 - 2023	School 2023 - 2024	District 2022 - 2023	District 2023 - 2024	State 2022 - 2023	State 2023 - 2024
English Language Arts/Literacy (grades 3-8 and 11)	24%	26%	51%	51%	46%	47%
Mathematics (grades 3-8 and 11)	17%	16%	40%	41%	34%	35%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### [Opportunities for Parental Involvement \(School Year 2024 - 2025\)](#)

There are a number of ways to become involved with your child's education. Our School Site Council assists the principal with important governance decisions. We host our annual Back to School Night, Open House, Harvest Festival, Parent University and regularly scheduled parent conferences during the year. Parents are always welcome to volunteer in their child's classroom. For more information on parent involvement opportunities, you may contact the School Secretary, Maria Del Toro Gonzalez, at 916-383-0530.

**State Priority: School Climate**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan (School Year 2024 - 2025)

At our site, we believe that safety is foundational to providing an optimal learning environment. Our district is committed to providing a safe, secure environment for learning. Our staff reviewed and updated our School Safety Plan in November 2024. The school is surrounded by fencing and visitors are asked to check in and enter the premises through the office. Adult supervision is provided before and after school. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office. Random, periodic school safety inspections are conducted by the County of Sacramento. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students.

**Types of Services Funded (Fiscal Year 2023 - 2024)**

At Florin Elementary, we have highly qualified staff to assist students with special learning needs. Our Learning Center services not only special education students, but also general education students who need additional support to meet our rigorous standards. English Language Development instruction helps our English Learners access the core curriculum. Students who need extra tutoring or homework help can participate in our daily after school program. Our Title I program offers interventions for students struggling in both English Language Arts and Math.

## Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. Our district's Grade Level Reading Program keeps our Tk-3 teachers up to date on the most current reading instruction strategies. Over 50% of our teachers are AVID trained. This professional development supports an engaging and rigorous learning environment with a focus on college and career readiness. In addition, our school has frequent grade level meetings in which teachers review data, determine students' strengths and weaknesses, and plan instruction to meet students' needs. New teachers who have been teaching less than two years are supported by the district's beginning teacher program. They meet weekly with a mentor to discuss successes and challenges and implement new ideas. The district offers a variety of classes for support staff. Instructional aides, school secretaries, office clerks, and custodians may take classes that relate to their work such as learning computer skills and learning more efficient practices.
