

California Department of Education School Accountability Report Card

Reported Using Data from the 2023 - 2024 School Year
Published During 2024 - 2025

For: Florin High School

Address: 7956 Cottonwood Ln, Sacramento, CA 95828
Principal: Gabrielle Bajar

Phone: 916-689-8600
Grade Span: 9-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu>.

School Description and Mission Statement (School Year 2024 - 2025)

Hello FHS Families,
We are Florin High School – Fearless in our Pursuit!

We believe our ultimate pursuit is to prepare students for college, career, and life opportunities by creating a positive transformational experience at Florin High School. The foundation of our experience begins with connecting students - to programs, supportive adults, extracurricular activities, and so much more! During their freshman year, students are exposed to all that Florin High School has to offer, beginning with the Freshman Year Experience. Students will become familiar with our programs, including:

- * Academies & Pathways
 - Aerospace Engineering Pathway
 - Agriculture Tech Academy
 - Audio & Music Productions Academy
 - Automotive Technology Pathway
 - Culinary Arts & Hospitality Academy
 - Law and the World Academy
- * AVID Program
- * English Learner Program
- * College Prep, Honors & AP Programs
- * Visual & Performing Arts

In addition, our athletic department is building a championship sports program that trains and prepares our students for competition, while teaching lifelong skills. These connections create a family-like atmosphere that is the foundation for the learning that will take place. The experience continues in the classroom, where we aim to create a caring environment, as we see each student for who they are, the positive attributes they possess and believe each of our students will be successful. Simultaneously, we have the highest expectations for our students, where we insist on academic excellence, while providing a variety of supports which allow students to meet expectations.

Speaking of our students, they're what makes Florin High School a truly special place. With nearly 1,700 students, speaking 28 different languages and coming from countries all over the world, we come together and share each other's strengths knowing we will be better for it. Meanwhile, our staff pledges to use these strengths as we guide and develop each of our students' academic and social capacities to build the skills needed to be successful once they graduate.

If you are looking for a school that creates a safe and spirited culture, a school that values diverse perspectives and one that embraces family & community involvement, you have found it at FHS.

In partnership,
Brie Bajar
Principal

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Preparation and Placement (School Year 2020 - 2021)

School Facility Conditions and Planned Improvements (School Year 2024 - 2025)

The main campus was built in 1989. Florin has 80 classrooms, a multipurpose room, a library, and counseling center, main gym, auxiliary gym, and administration building. Three new buildings were completed in the summer of 2022, housing our Agriculture, Culinary and Engineering programs. In addition, the school has two baseball fields, two softball fields, a soccer field, tennis courts, an all-weather track, a synthetic field, and a black box theater. Seventeen portable classrooms were added to the campus in 1992 to accommodate the growth of the campus and are still on campus today.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system, enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Florin High School's modernization projects have been made possible by the passage of recent bond initiatives. A new all-weather track and field are completed, the school has been repainted, and all roofs and HVAC systems have been replaced. In addition, all student furniture has been replaced and bathrooms and hardscape have been renovated to meet ADA requirements and ensure paths of travel. Our most recent renovations include the staff, student, & visitor parking lots and a brand new multipurpose floor in the dance room. Additionally, we are excited to announce a beautiful barbecue pavilion just off the senior lawn.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Career Technical Education (CTE) Programs (School Year 2023 - 2024)

Career Technical Education (CTE) provides opportunities for FHS students to prepare for college, career and life through a Linked Learning approach that integrates rigorous academics, technical skills, relevant real-world experiences, work-based learning opportunities, and wrap-around support to help students develop the 21st-century skills and habits of mind they will need to succeed after graduation. District counselors offer support focused on achieving the outcomes described in the EGUSD Graduate Profile through lessons on transcript review, college readiness, A-G completion, course selection, academy applications, college admissions, postsecondary options, technology use and accessing resources. FHS offers CTE programs that promote leadership, development of job-related skills, work-based learning opportunities, and increase interest in school: California Partnership Academies (CPA) and High Quality Career Pathways (HQCP). CPAs feature cohort scheduling in CTE and academic core classes, integrated projects, and work-based learning opportunities. HQCPs provide a two to three year sequence of CTE courses within a career pathway. Pathway programs offer work-based learning opportunities and industry-recognized certification when available. All CTE programs have an advisory committee that includes industry representatives for guidance and input. CTE programs at FHS also allow students to meet graduation and A-G requirements. FHS offers four CPAs, the Ag Tech Academy, Audio Music Production Academy, Culinary Arts & Hospitality Academy, and Law & the World Academy. HQCPs include Ag Animal Science, Ag Floral, Ag Mechanics, Automotive Technology, and Aerospace Engineering. Students gained recognition in local, regional, state, and national competitions including the California State Fair, National FFA Convention, and robotics events. Individual student assessment of work readiness skills in CTE programs takes place through end-of-course exams, projects, portfolios and defense of learning, industry certifications, and other means. Our CTE programs are evaluated through multiple measures: the number of students completing a CTE pathway, graduation rates, A-G completion rates, GPA, and attendance. Our CTE teams complete a rigorous self-reflection process, followed by district certification. The district collects data regarding continued education and employment from students one year after graduation as part of the Carl D. Perkins reporting process.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2024 - 2025\)](#)

Student success requires all stakeholders to be engaged in the process. As a result, we need ALL parents/guardians to register for Synergy/ParentVUE for information on students' academic progress and attendance. Parents are also welcome to visit classrooms, to attend arts and athletic events, and to attend Open House, Back-to-School Night and Awards Nights. Please do not hesitate to contact Principal Brie Bajar at 916-689-8600 or visit the Florin High School website at fhs.egusd.net for more information.

[School Safety Plan \(School Year 2024 - 2025\)](#)

Our staff reviews our School Safety Plan each winter. The plan outlines how visitors sign in when entering our campus and wear identification, while our campus supervisors ensure our school is safe before, during and after school. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office. In addition, each classroom, office and student space has an Emergency Guidelines Flipchart for quick reference. Random, periodic school safety inspections are conducted by the County of Sacramento, and security staff monitors all after school events. The District's Police Services Department works closely with our school site to provide a safe, secure environment for all students.

Types of Services Funded (Fiscal Year 2023 - 2024)

Florin's Honors/AP program is open to all students, as they prepare for the rigors of college. Courses are available in World Languages, Science, English, Math, Social Science, Art and Music. These students can be supported by our AVID classes as they fearlessly pursue new challenges. The Multilingual Education at the district level oversees our English Learner Program, supporting students with a broad range of English language skills, from newcomers with limited English ability to Long Term English Learner students, who are on a path to re-designation as fluent English speakers. Our ASSETS program is designed to support students by providing academic interventions, such as Math and English tutoring, and enrichment activities, such as physical wellness programs and cooking demonstrations, to all of our students, after school, at Florin High School.

Professional Development

The Elk Grove Unified School District and Florin High School recognize adults as lifelong learners and provide ample opportunity for professional growth. Support staff are provided formal and informal opportunities to develop their skills. Teachers and Counselors are trained on current trends in education so that our students are prepared for their post-secondary studies. In addition to formal professional development opportunities throughout the school year, we prioritize Wednesday afternoons as a time sacred for continuous improvement. Teachers collaborate by aligning curriculum and assessments as well as exploring new and creative ways to support our students. New teachers are supported by the District's Induction program and are assigned Consulting Teachers who support them in the classroom. We believe professional development is the backbone for continuous improvement and work to ensure the best for our staff.
