

California Department of Education School Accountability Report Card

Reported Using Data from the 2022 - 2023 School Year
Published During 2023 - 2024

For: Foulks Ranch Elementary

Address: 6211 Laguna Park Dr, Elk Grove, CA 95758
Principal: Joe Donovan

Phone: 916-684-8177
Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2023 - 2024)

In September 2004, Foulks Ranch Elementary School became a National Blue Ribbon School. This prestigious honor came from the U.S. Department of Education in recognition of the sustained success of our school. We still feel we meet all the criteria that brought us Blue Ribbon status in 2004. Our tradition of excellence is evident through all of our doors.

Our staff is committed to meeting the learning needs of every child. We are committed to our school mission. The Foulks Ranch Elementary community - consisting of students, staff, and families - has the shared responsibility to: infuse essential skills necessary for each student to experience academic and social success; provide a safe and nurturing environment that fosters responsible citizenship; and model and develop respect for diversity, while recognizing commonality.

We welcome parents as partners in their child's learning adventure. Parent involvement is an essential component of our school. This support is given, recognized, and appreciated. Some parents help plan the programs and policies, while others serve as classroom volunteers, plan family activities, or serve as art docents. Parents also support student success by providing space, time, and encouragement for daily homework and by sending a clear message that education and regular school attendance are important to the family.

Our district's mission is to provide a learning community that challenges all students to realize their greatest potential. We are committed to a region-wide effort that supports our district's mission, from our Pre-K classes through 12th grade. The administrators of the Laguna Creek Region recognize that it takes all of us to work together.

We enjoy a positive school environment, in and out of the classrooms, and appreciate the rich diversity at Foulks Ranch throughout our community.

Joe Donovan, Principal
Foulks Ranch Elementary

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (School Year 2023 - 2024)

This school has 31 classrooms, a multipurpose room, a library, a computer lab and an administration building. The main campus was built in 1993. Classrooms consist of a mix of permanent construction, relocatable and portable classrooms. The school opened in 1989 with all portable buildings. Final construction was completed on the administrative wing, library, and multipurpose room in 1993. In order to accommodate our year-round schedule, most classes rotate in grade level wings throughout the school year. The Kindergarten wing houses three classrooms and their playground. Restroom facilities are built into each Kindergarten classroom. Whole site renovation underway (flooring, paint, lighting) with Aug 2024 anticipated completion.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Foulks Ranch is currently undergoing a whole site renovation. Indoor lighting, flooring, and exterior painting with an anticipated completion date of 7/2024. Replacement of playground structure anticipated for Spring of 2024.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessment [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing state-administered assessments Percentage of Students Meeting or Exceeding the State Standards

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2023 - 2024\)](#)

Parents are always welcome at school. We need, expect, and appreciate parent involvement. Our school has a very active PTO that supports us through a variety of opportunities. The PTO serves as a major sponsor for many school activities. Parents are always welcome to volunteer in their child's classroom to support the academic program and be partners in our educational endeavors. All our staff have "open doors" to discuss students' progress. To learn more about volunteering, please contact Mr. Donovan at jpdonova@egusd.net.

State Priority: School Climate

[School Safety Plan \(School Year 2023 - 2024\)](#)

Your child's safety is important to us. We are committed to providing a safe, secure environment for learning. Our staff reviewed and updated our Comprehensive Safe School Plan in September 2023. The plan addresses visitor check-in procedures, anti-bullying policy, character education and safety practices. A review occurs midyear with our School Site Council and School Culture Team. An "Emergency Packet" outlining a plan of action for emergencies is posted in all public areas and in each classroom. Periodic school safety inspections are conducted by the County of Sacramento. Access is controlled during the day and adult supervision is provided before and after school. EGUSD Police Services works closely with us to provide a safe and secure environment for our students.

Types of Services Funded (Fiscal Year 2023 - 2024)

We have a highly qualified staff to assist students in many ways. Our Learning Center team works with teachers to support students who are on an Individualized Education Program (IEP) or are not meeting grade level standards. Strong collaboration between the general education staff and the Learning Center staff ensure that all students have an opportunity to be successful in school. We support an Inclusion program for students who qualify and have two Transitional Academic Class (TAC) classrooms as well as Level 2, 3, and 4 Preschool PALSS classes, and a Head Start Preschool program. Our intervention team includes teachers that support English Learners in the classroom in small groups. Foulks Ranch partners with Sacramento Chinese Community Center to house the ExL Program for K - 6th grade students for before and after school care.

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, paraeducators, and non-instructional support staff. Our school staff works as a Professional Learning Communities known (PLC). Each PLC meets one time per week while all members are on track. Teachers use this time to meet and review student work, make determinations about students' strengths and weaknesses, and plan subsequent instruction to meet students' needs. Our special education teachers have numerous opportunities to learn how to best meet the needs of students with learning disabilities. Our District offers many staff development opportunities for teachers outside of our school. This allows our staff to pursue their area of interest. EGUSD also offers a variety of classes for support staff. Paraeducators, office staff, and custodians may take classes that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.
