School Accountability Report Card
Reported Using Data from the 2020 - 2021 School Year
Published During 2021 - 2022

For: Foulks Ranch Elementary

Address: 6211 Laguna Park Dr, Elk Grove, CA 95758
Principal: Joe Donovan

Phone: 916-684-8177
Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2021 - 2022)

<p>In September 2004, Foulks Ranch Elementary School became a National Blue Ribbon School. This prestigious honor came from the U.S. Department of Education in recognition of the sustained success of our school. We still feel we meet all the criteria that brought us Blue Ribbon status in 2004. Our tradition of excellence is evident through all of our doors.</p> <p>Our staff is committed to meeting the learning needs of every child. We are committed to our school mission. The Foulks Ranch Elementary community - consisting of students, staff, and families - has the shared responsibility to: infuse essential skills necessary for each student to experience academic and social success; provide a safe and nurturing environment that fosters responsible citizenship; and model and develop respect for diversity, while recognizing commonality.</p> <p>We welcome parents as partners in their child's learning adventure. Parent involvement is an essential component of our school. This support is given, recognized, and appreciated. Some parents help plan the programs and policies, while others serve as classroom volunteers, plan family activities, or serve as art docents. We welcome parental input at any time through our monthly meetings or on any committee. Parents also support student success by providing space, time, and encouragement for daily homework and by sending a clear message that education and regular school attendance are important to the family.</p> <p>Our district's mission is to provide a learning community that challenges all students to realize their greatest potential. We are committed to a region-wide effort that supports our district's mission, from our Pre-K classes through 12th grade. The administrators of the Laguna Creek Region recognize that it takes all of us to work together.</p> <p>We continue to be a school on the move. We are immersed in the implementation of the Common Core and Positive Behavior Systems for our students. We enjoy a positive school environment, in and out of the classrooms, and appreciate the rich diversity at Foulks Ranch throughout our community.</p> <p>Joe Donovan, Principal Foulks Ranch Elementary</p>

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Preparation and Placement (School Year 2019 - 2020)

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements (School Year 2021 - 2022)

This school has 31 classrooms, a multipurpose room, a library, a computer lab and an administration building. The main campus was built in 1993. Classrooms consist of a mix of permanent construction, relocatable and portable classrooms. The school opened in 1989 with all portable buildings. Final construction was completed on the administrative wing, library, and multipurpose room in 1993. In order to accommodate our year round schedule, most classes rotate in grade level wings throughout the school year. The Kindergarten wing houses three classrooms and their playground. Restroom facilities are built into each Kindergarten classroom. We have a Kindergarten and main campus playground that were updated in 2002. In 2010, the field was revamped to include a running path for our students. Our 1st - 6th grade students all share the same playground space, but we have staggered recess times to allow enough play space for all children. Shade structure installed (Spring of 2022).

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The COVID 19 sanitizing plan is prepared and ready for when students return to campus.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Roofing projects, new speaker and fire alarm systems and HVAC replacements have occurred since spring of 2018. Work is continuing with painting of buildings and an upcoming shade structure slated for Spring of 2022.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

- **SARC Reporting in the 2020 - 2021 School Year Only**

Where the most viable option, LEAs were required to administer the statewide summative assessments for ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

- **Options:** Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

Note: The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

Note: The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2021 - 2022\)](#)

Parents are always welcome at school. We need, expect, and appreciate parent involvement. Our school has a very active PTO that supports us through a variety of opportunities. The PTO serves as a major sponsor for many school activities. Parents are always welcome to volunteer in their child's classroom to support the academic program and be partners in our educational endeavors. All our staff have "open doors" to discuss students' progress. To learn more about volunteering, please contact Mr. Donovan at jpdonova@egusd.net.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2021 - 2022)

Your child's safety is important to us. We are committed to providing a safe, secure environment for learning. Our staff reviewed and updated our Comprehensive Safe School Plan in September 2021. It addresses COVID 19 precautions, anti-bullying policy, character education and safety practices. A review occurs midyear with our School Site Council and School Culture Team. An "Emergency Packet" outlining a plan of action for emergencies is posted in all public areas and in each classroom. Periodic school safety inspections are conducted by the County of Sacramento. Access is controlled during the day and adult supervision is provided before and after school. EGUSD Police Services works closely with us to provide a safe and secure environment for our students.

We have a highly qualified staff to assist students in many ways. Our Learning Center team works with teachers to support students who are on an Individualized Education Program (IEP) or are not meeting grade level standards. Strong collaboration between the general education staff and the Learning Center staff ensure that all students have an opportunity to be successful in school. We support an Inclusion program for students who qualify and house two Independent Living Skills (ILS) classrooms as well as four Preschool PALSS classes. Our intervention team includes teachers that support English Learners in the classroom in small groups. This occurs virtually as we are in full distance learning currently.

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, paraeducators, and non-instructional support staff. Our school staff works as a Professional Learning Communities known (PLC). Each PLC meets one time per week while all members are on track. Teachers use this time to meet and review student work, make determinations about students' strengths and weaknesses, and plan subsequent instruction to meet students' needs. Our special education teachers have numerous opportunities to learn how to best meet the needs of students with learning disabilities. Our District offers many staff development opportunities for teachers outside of our school. This allows our staff to pursue their area of interest. EGUSD also offers a variety of classes for support staff. Paraeducators, office staff, and custodians may take classes that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.

Addendum

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC Web Application as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020-2021 school year in order to meet the federal Every Student Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020-2021 school year and the 2020-2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC Web Application. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020-2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
