

## California Department of Education School Accountability Report Card

Reported Using Data from the 2021 - 2022 School Year  
Published During 2022 - 2023

### For: Franklin Elementary

**Address:** 5401 Dorsey Drive, Elk Grove, CA 95757  
**Principal:** Diane Davis-Quidgeon

**Phone:** 916-684-6518  
**Grade Span:** K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2022 - 2023)

Dear Families,

Franklin Elementary School has had the privilege of educating students in this community for over 150 years.

At Franklin Elementary School we strive to create a culture of academic excellence, effective instructional practices, trust, accountability, and community involvement. We provide a focused and highly academic educational experience designed to meet the individual learning needs of all students so they may attain grade level standards and beyond. Effective instructional practice includes strategies for student engagement, analyzing student data, and developing culturally responsive classrooms. The staff seeks to create and maintain an environment of warmth and support as they work with students and families.

The vision for Franklin Elementary is that we will work collaboratively and professionally to be an open and welcoming environment that motivates and nurtures all students to become lifelong learners and reach their full potential.

Franklin Elementary School is dedicated to developing respectful and responsible citizens who seek to make positive contributions to our diverse society. We resolve to accomplish this by:

- maintaining a safe and supportive learning environment for everyone,
- developing life-long, independent learners and thinkers, and
- sustaining a strong and lasting sense of community and character through communication and collaboration with families.

The health and safety of our staff and students is our top priority. We have established schoolwide expectations as part of Positive Behavioral Interventions and Supports (PBIS). Systems are in place which promote a positive school environment for all students. Students are encouraged to be safe, respectful, and responsible.

Franklin Elementary is surrounded by a very supportive community. Parent involvement supports the success of students at Franklin Elementary. Some parents help plan programs and policies, while others serve as classroom and library volunteers, or serve on the PTA. Parents also support students by providing space, time, and encouragement for daily homework and by sending a clear message that education and regular school attendance are important to the family.

Diane Davis  
Principal  
Franklin Elementary School

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

**School Facility Conditions and Planned Improvements (School Year 2022 - 2023)**

"Franklin School District" was established in 1859 and since that time has undergone relocation, renovations, and modernization. "Franklin Union School" was constructed in 1955. In July of 2020, Franklin Elementary school officially moved to its new site at 5401 Dorsey Dr. in Elk Grove. The new site is equipped with 37 classrooms, a library, a computer classroom, offices, multipurpose room, staff workroom, and several staff lounges. All classrooms and buildings have wired access to data. The school is designed to "CHPS Verified" standards for energy efficiency and resource conservation. The district-wide security camera system, monitored 24/7, is extended to the new campus. An all-weather track surrounds the field. There is a blacktop area, basketball courts, a bark-filled playground structure for students in grades one through six. There is a separate playground for preschool and kindergarten students.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work together with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team, along with the principal, to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment Percentage of Students Meeting or Exceeding the State Standards

Subject	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022
English Language Arts/Literacy (grades 3-8 and 11)	N/A	61	N/A	52	N/A	47
Mathematics (grades 3-8 and 11)	N/A	49	N/A	40	N/A	33

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group for students taking and completing a state-administered assessment - Grades Three through Eight and Grade Eleven (School Year 2021 - 2022)

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### [Opportunities for Parental Involvement \(School Year 2022 - 2023\)](#)

Franklin Elementary School values each family's involvement in their child's education. Family support is critical to student success. Parents can attend Back to School Night, Open House, and parent conferences. Volunteering in your child's classroom, joining the PTA, SSC, ELAC, serving and/or helping with one of our many school-wide activities supports the success of all of our students. For PTA information, please contact Lesley Valim at (916) 684-6518.

**State Priority: School Climate**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022

Expulsions	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%

Note: Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

**Suspensions and Expulsions for School Year 2019 - 2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019 - 2020	District 2019 - 2020	State 2019 - 2020
Suspensions	2.17%	4.02%	2.45%
Expulsions	0.00%	0.03%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

### [School Safety Plan \(School Year 2022 - 2023\)](#)

Our staff and SSC review and update our Comprehensive Safe School Plan annually, and it was updated in December of 2022. Our students and staff participate in evacuation and lockdown drills. A flipchart to reference emergency protocols, as well as accountability forms are easily accessible in every classroom. Gates are kept locked throughout the day and visitors are required to check-in through the school office and receive a visitor's badge before coming onto campus. All regular volunteers and chaperones must be fingerprinted and cleared through EGUSD. Our students are supervised both before and after school. Supervision begins at 8:05am by administration and other staff until school begins at 8:20am and again at 2:40pm dismissal (Wednesdays at 1:50pm) until 2:55pm (Wednesdays until 2:05pm).

Note: Cells with N/A values do not require data.

### Types of Services Funded (Fiscal Year 2022 - 2023)

We have highly qualified staff to assist students with special learning needs. The Learning Center provides "push-in" and "pull-out" services for students in special education. English Learners (EL) receive 30 minutes of English Language Development (ELD) instruction in their classrooms daily to support language acquisition skills. Intervention is provided throughout the school day by three adults. Intervention staff meet with students in small groups to help close learning gaps. Students participating in intervention are chosen by classroom teachers based on formal and informal data. There are currently several opportunities for after-school intervention as well. Students in after-school intervention are invited based on academic needs and availability. Gifted and Talented students participate in differentiated instruction in their regular classrooms. Currently, GATE students have the opportunity to write for the school newspaper. Other opportunities will be offered as staffing allows. The ASES Program (After School Education and Safety) provides after-school support to students. These students receive homework and tutoring support as well as enrichment activities.

## Teacher and Administrative Salaries (Fiscal Year 2020 - 2021)

Note: For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

## Professional Development

Our district and school offer professional learning for teachers, instructional aides, and non-instructional staff. Our school has weekly grade level and monthly staff meetings with a focus on student learning. Teachers use this time to review student work, make determinations about students' strengths and weaknesses, and to plan instruction to meet the needs of all students. Support staff receives training in effective instructional practices, CPR, first aid, behavior, and safety. Site/district trainings in English Language Arts and Math support teaching Common Core State Standards. Franklin teachers have had training in effective instructional/engagement strategies for the whole class and small groups. In order to better meet the needs of our students, families, and staff, all staff members of Elk Grove Unified School District will participate in ongoing professional development around the topics of Diversity, Equity, and Inclusion. All instruction addresses the needs of all students including language learners and students with disabilities. New teachers are supported by the district's beginning teacher program.
