By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Facility Conditions and Planned Improvements (School Year 2022 - 2023)

Edward Harris, Jr. Middle School (EHMS) was built in 2004. It has 50 classrooms, a multipurpose room, a library, Student Services building, and an administration building. We are proud of our beautiful campus and strive to keep our school clean, safe and functional. In 2020, the school added a wonderful, new community garden and in 2022 a state of the art surveillance system was installed. Elk Grove Unified School District (EGUSD) makes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, EGUSD uses a facility survey instrument developed by the State of California Office of Public School Construction. EGUSD maintenance staff ensures that the repairs necessary to keep the school in excellent condition and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Regular inspections are conducted at EHMS by the custodial staff, site supervisor, district maintenance and facilities department, and the fire department.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

Elk Grove Unified School District's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the vice principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Six years ago, the school was able to put up substantial fencing around the perimeter to support our safe campus initiative. The fencing now encompasses the entire school, as well as our neighboring high school Monterey Trail. This initiative leaves zero access for pedestrians, ensuring that our students are safe from external risks. Three years ago, EHMS added a community garden to enhance the aesthetics and learning experience for all stakeholders. That project is now complete with modifications and improvements being made monthly. The garden has become a source of pride for our staff and garden club members.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Subject	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022

Mathematics (grades 3-8 and 11)	N/A	35	N/A	40	N/A	33

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2022 - 2023\)](#)

We believe that parental involvement is an integral factor in student success, as well as developing a strong school-home partnership. To keep parents updated on their child's academic progress, School Loop, an online website, is available. Other activities are Corral Night, Parent Lunch Days, Take Your Parent to School, Watch D.O.G.S. (Dads of Great Students), C.O.L.T.S. Parent Organization, and Parent University. We welcome parent volunteers. For more information on parent involvement opportunities, contact Ms. Shannon Goodwin at 688-0080.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022

Expulsions	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%

Note: Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Suspensions and Expulsions for School Year 2019 - 2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019 - 2020	District 2019 - 2020	State 2019 - 2020
Suspensions	7.40%	4.02%	2.45%
Expulsions	0.08%	0.03%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

[School Safety Plan \(School Year 2022 - 2023\)](#)

At EHMS, we believe that nothing should get in the way of the academic achievement of our students. Our staff reviewed and updated our School Safety Plan in December 2022. An "Emergency Handbook," outlining a plan of action for emergencies, such as earthquakes, fires, and lock-downs, is kept in the administration building. The school is outfitted with a state of the art camera system that monitors the perimeters and interior of the campus. Each month, we have school-wide emergency drills. The County of Sacramento conducts random school safety inspections as well. In support of students' safety, campus supervisors, teachers, and administrators are on supervision duty before and after school. Weekly meetings are held with administration and campus supervisors. Before entering the campus, all visitors, including parents, must sign-in and receive a visitor's pass in the Student Services building.

Types of Services Funded (Fiscal Year 2022 - 2023)

Our priority at Edward Harris, Jr. Middle School is to assist teachers in supporting all students. The Connections Department services students with individualized education plans (IEP) who require additional support to meet mastery of curriculum standards. Gifted and Talented Education (GATE) and honors students receive accelerated instruction. The Advancement Via Individual Determination (AVID) program is vital in preparing students for college. ASES (After School Education and Safety) is an after school program that provide students with tutorial/homework sessions and enrichment activities. ASES is held daily until 6:00 pm and staffed by Harris Academy and certificated teachers. EHMS has a specialized Math and English tutoring, as well as a music production program and various clubs (Mathletes, Robotics, Drama, Adrenaline Dance, Gen G Gaming Program) offered after school as well.

Professional Development

Our school and district offer a variety of professional learning opportunities. Workshop topics include California Common Core State Standards, Illuminate, Math Generation, Arbinger, Home Visits, Equity Trainings, EPOCH workshops and workshops for learning academic language strategies for English Learners. Instructional coaches assist teachers in new strategies. EGUSD also offers a variety of training workshops for classified personnel related to their job description. Our school has a weekly early out schedule in which students leave school one hour early. Teachers use this time to work in professional learning communities to collaborate, analyze student work, discuss common assessment data results, and identify the most effective instructional practices to meet students' academic needs. New teachers who have been teaching less than two years are supported by the district's (BTSA) beginning teacher support program.
