

California Department of Education School Accountability Report Card

Reported Using Data from the 2021 - 2022 School Year
Published During 2022 - 2023

For: Samuel Jackman Middle School

Address: 7925 Kentwal Dr, Sacramento, CA 95823
Principal: Natasha Lewis-Jones

Phone: 916-393-2352
Grade Span: 7-8

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2022 - 2023)

We are proud of our work at Samuel Jackman Middle School! Not only do we place a strong emphasis in our core subjects, but we also offer students opportunities to participate in AVID (Advancement Via Individual Determination), Pre-Engineering, Video Production, Band, Computer Technology, Student Leadership, Health Technology, Art, PBIS, and a robust after-school ASES program.

Samuel Jackman Middle School provides a nurturing school environment with a special emphasis placed on academic achievement. The school offers diversified curricular and extracurricular programs, which feature a wide variety of student activities designed to support the unique needs of middle school students. These opportunities promote high student engagement, critical thinking, social interaction, and a quality learning experience for ALL students.

The staff at Samuel Jackman Middle School meets on a weekly basis to continuously improve academic instruction at our school. This model includes the development and use of common assessments, common instructional pacing guides, focused re-teaching strategies as well as the analysis of student assessment data. We have very high expectations for students and we have a staff that works hard to provide the necessary supports, which allow students to meet these high expectations.

The community of Samuel Jackman Middle School is proud of the school's accomplishments.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Preparation and Placement (School Year 2020 - 2021)

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements (School Year 2022 - 2023)

Samuel Jackman was built in 1990. The school has 42 classrooms, including portables, a multipurpose room, a library, a gymnasium, a weight room, a field area and track for PE and an administration building.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

The district's governing board has a deferred maintenance program. Samuel Jackman had window coverings replaced in classrooms and a new alarm system installed during the 2014-2015 school year. Additionally, our weight-room was recently remodeled. We installed a new electronic marquee to assist with school-home communication. Our gym roof was replaced summer 2017. New roofs for the non-portables, HVAC replacement and modernizing F wing bathrooms were completed during the summer of 2018. In the Fall of 2021, interactive whiteboards and updated projectors were installed in the classrooms. In the summer of 2022, Samuel Jackman had the carpet and tile floors in the classrooms and office spaces replaced. In addition, the buildings were repainted and the lighting updated.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment Percentage of Students Meeting or Exceeding the State Standards

Subject	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022
English Language Arts/Literacy (grades 3-8 and 11)	N/A	24	N/A	52	N/A	47
Mathematics (grades 3-8 and 11)	N/A	16	N/A	40	N/A	33

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education.

California Physical Fitness Test Results (School Year 2021 - 2022)

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2022 - 2023\)](#)

Samuel Jackman Middle School strongly encourages parents and guardians to become engaged in the school. There are a number of opportunities for parents and guardians to become involved in, such as Night at the Nest, Back to School Night and Open House. The school hosts Bring Your Parent to Lunch Days, Living the Dream College Night, Career Day, Math Night, Musical Performances, Madres Latinas, Black Excellence and a variety of other opportunities for parents. For additional information on becoming involved, call Mrs. Butler, School Secretary, at 916-393-0181.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2020 - 2021	School 2021 - 2022	District 2020 - 2021	District 2021 - 2022	State 2020 - 2021	State 2021 - 2022

Expulsions	0.0%	0.2%	0.0%	0.0%	0.0%	0.1%

Note: Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Suspensions and Expulsions for School Year 2019 - 2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019 - 2020	District 2019 - 2020	State 2019 - 2020
Suspensions	26.07%	4.02%	2.45%
Expulsions	0.00%	0.03%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

School Safety Plan (School Year 2022 - 2023)

Safety is important to us at Samuel Jackman Middle School. We believe that nothing should interfere with the academic achievement of our students and it is crucial that our students always feel safe. Our district, including our Police Services Department is committed to providing a safe, secure environment for learning. All visitors are required to sign in at the front office. Additionally, administration, campus supervisors, and teachers supervise students before, during, and after school. Our staff reviews and updates our School Safety Plan each year. This was completed in February 2022. An Emergency Handbook, outlining a plan of action for emergencies such as earthquakes, fires, and floods, is kept in the school office. Periodic safety inspections are conducted by the County of Sacramento.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Average Class Size and Class Size Distribution (Secondary) (School Year 2019 - 2020)

Subject	Average Class Size	Number of Classes* 1-22	Number of Classes* 23-32	Number of Classes* 33+
English	24	23	10	11
Mathematics	23	19	18	6
Science	29	4	17	12
Social Science	27	8	17	11

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Types of Services Funded (Fiscal Year 2022 - 2023)

At our school, we have highly qualified staff to assist students with special learning needs. Our Strategies department services not only special education students, but also general education students who need additional support to meet the standards. Gifted and Talented students participate in accelerated instruction in Language Arts, Math, and History. Students who need extra intervention or would like to participate in additional extension opportunities can do so in our three-hour after school ASES program or through other tutoring opportunities.

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. Teachers were provided opportunities to meet weekly via the school's Early Out Wednesday schedule. In addition, teachers and departments are provided planning days with their departments. These planning days involve the support of our instructional coaches. Our teachers also take part in a variety of district and grant provided professional development programs that increase student academic achievement in all content areas.
